

CONSERVATION COMMISSION
Town of Frye Island
Minutes of 15 August 2003 Meeting

Ed Charrette called the meeting to order at the picnic table by the playground of the Community Center at 3:00 PM. Present were Charrette, Aranyi, Mueller.

Minutes of the July meeting were corrected and approved (spelling correction of "Boulonger".)

Ed announced that the Commission has a new checking account at the Evergreen Bank. He and John Nun are signers, but this may change if John finds it necessary to leave the Commission because of his duties as President of the Fire Department.

Adopt a road/beach program died. Many people already police roads, and a new Beach Committee is being formed by FII.

Megan Shore has sent more info on Conservation Easements, including a copy of an example and a generic form for us to study. These will be copied and made available to members.

Trail work continues, but at a slower pace.

The Nature Walk of the 12th was attended by 12 people in spite of a misty drizzly day. There was not much bird activity.

Beach #3 has a new trash barrel and a "Beach Only" parking sign.

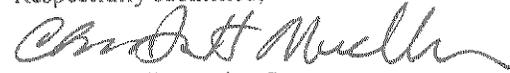

Ed has received no new goals statements that he had requested.

The Planning Board is working on a Tree Ordinance. Aranyi and Mueller will check out the lot at the corner of Highpoint and Sunset to find out what is eating the young aspen/beechness trees.

Next meeting is scheduled for 12 September at 3:00 PM.

Meeting adjourned about 3:45.

Respectfully submitted,

Christa Mueller, acting Secretary
