A decision was made by the Executive Committee to override the decision of the Golf Committee with regards to leasing Golf Carts in favor of an outright purchase for \$20,000 which was to be taken from Golf Course Reserves. Gary Donahue believes the saving will cover the cost of one of the carts.

A dinner was proposed for July 12 and Mike was asked to contact Steve Locke to cook for it. Steve was contacted and he said he would be happy to help

Dana requested he be included in any discussions and planning regarding Tournaments in the future

A new pump is due in on July 4th and is scheduled to be installed early the following week.

Night Golf has been scheduled for July 19th and a posting will be put in the FINS indicating when and where a sign-up sheet will be posted. It will also be posted on Facebook.

Steve Locke indicated he had a 6 Burner new grill that the Maynard Rod & Gun club cannot use and offered to donate it to the club. The committee chose to accept his offer with thanks

A Work Day is being organized by Jim Hirsh for July 20th after the scramble

Dana said he has a plan to better rotate usage of the new carts to better utilize them and extend their usage
