

## Island Manager Comments

Greetings ..... The 4<sup>th</sup> of July is here and there are activities planned for children of all ages. We have our request in for good weather, so have a great weekend.

The annual Town Meeting will be held on Saturday, sign in is from 8:00 am to 9:00 am. We have to vote on several positions for the Board of Selectman, BIT, and the FII Board.

**Candidates:** These people have indicated a desire to be considered for the following boards:

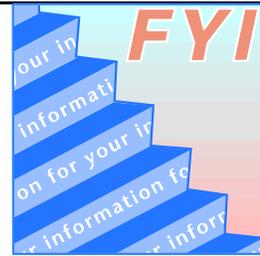

- **Board of Selectmen**  
Decker, C. David
  
- **Board of Island Trustees Executive Committee**  
Nun, John  
O'Connor, James
  
- **Frye Island Inc., Board of Directors**  
Babineau, Diane                      Norris, Dick  
Bearor, Peter                            Nolan, Don  
Bishop, Tom                             Perry, Phil  
Boyd, Bob                                Roberts, Jan  
Fournier, Nancy                        Tinsman, Tim  
Giggey, Dick                            Toomey, Jeanne-Sullivan  
Hommel, Carl

Please attend the meeting on Saturday and vote for the candidate that you feel will best represent your interests as well as the interests of the whole Island.

**Fire Works:** We have had a tremendous response with donations for the fireworks display. Through Wednesday (7/02/03) we have collected \$4,504.00. We still are about \$1000.00 short, so if you haven't donated yet please do, if you have, we really appreciate your generosity. By the way, we have received a few donations from local non-Islanders. One of them was accompanied by a very nice note of appreciation.

Please remember that the State Fire Marshal requires that we remove all of the boats in the Marina from slip numbers 66 and higher on the beach side, and 47 and higher on the road side. If you have a boat on one of these slips, it must be removed no later than **5:00 PM**. If you do not remove your boat we will have to do it in order for the fire works display to be held.

**Water System:** The fourth of July weekend is typically the most taxing on our water system. Help us conserve as much water as possible. If you must water your lawn or wash your car do it before 6AM or after 8PM. Please be considerate of others on the Island that barely get enough water to wash on this very busy weekend!!!

**Police Activity:** For those of you who have been here regularly, you are probably getting tired of reading my reports on the police activity, but for those of you just arriving, I would like to re-iterate one more time. Dana Wessling and Eric Pearce have now been sworn in as Law Enforcement Officers for the Town of Frye Island. They have received the appropriate training and are now authorized to enforce both State and local ordinances. Bud Faulk will no longer be serving as our constable. We would like to thank Bud for his service in this position.

We have finally worked out the communications link for our new police force. You can report a **Medical Emergency**, a **Fire Emergency**, or a **Police Emergency** by dialing **911**. For a non-emergency police issue, you should also dial 911.

We still get a number of golf cart violations. As I stated before, the fact that we are allowed to drive golf carts on our roads is a privilege. There are no other Towns in Maine with this same privilege. However, with that privilege comes some responsibility. We have to register them just as you would any automobile. They require headlights, taillights, a horn and a rear view mirror. They must also be registered with the Town and the State just as any automobile would. In order to register them, you must show the clerk proof of insurance. **It's the law**. In addition all drivers must obey all of the traffic laws which means stopping at stop signs. Unfortunately, we can't legislate common sense but please be cautious and instruct your children to do so before someone gets seriously injured.

We are also beginning to get complaints about the police harassing the kids on the beaches and in their cars, but believe me that is not our intention. However, it is our intention to do everything we have to do legally to insure that **everyone** goes home safely and soundly when the summer on Frye Island is over. Don't think I haven't been there. When my son was in his late teens/early 20's I wondered many times if either of us would be around to see his 25<sup>th</sup> birthday. Fortunately, we both made it, but one of his very good friends didn't. He died early one morning when the automobile he was driving went off the road. The police estimated his speed at 35 miles per hour. A very sobering event (pun intended). Last year we had a car roll over and the driver escaped without injury. This year we have had a young driver destroy a telephone pole, head on, and escape without injury. Will we be as lucky next time? Our roads are intentionally narrower than in most towns and they are intentionally left graveled which makes controlling a vehicle much more difficult. So, please obey the laws and the speed limits. I am sure these same laws are enforced in your home town. Why would you expect them not to be enforced here?

Please drive safely and have a safe and enjoyable week!  
Wayne

## Proposed Water System Improvements

The proposed upgrades to the water system have been in the planning stages for the past several years. In 2001 an engineering study pointed out a number of potential problems with the water system. Additional engineering study set a series of priorities.

**At Town Meeting in October 2001, the voters approved applying to the Drinking Water State Revolving Loan Fund (SRF) for \$370,000 in funds to pursue these improvements. For a number of reasons including some engineering issues, this project was not started.**

In March of 2003 a final recommendation from the engineers was received with estimated costs. The project is to revise and upgrade the pumping systems, filtering systems and water quality monitoring as well as starting to replace some of the main piping distribution that is deteriorating rapidly. The piping replacement will be a long-term project spread over the next several years.

Funds have currently been authorized to install some pressure regulating valves that should help some of the pressure problems on the island and substantially reduce the current wasted water being discharged by the pressure relief valves installed at a number of locations in the system.

The request for authorization for applying for the SRF funds is to **REPLACE** the authorization approved two years ago and will permit this project to move forward.

The current plan is to authorize the final engineering to be done, apply for the SRF funds, proceed through the State permitting process (a 90 day process by itself) and hopefully bid the project right after the first of the year to permit construction to begin immediately after ice out.

Bob Roberts  
First Selectman

## **FIRE WORKS PARKING** *5 JULY 2003*

**Because of the limited parking space and safety concerns, PLEASE walk, use golf carts or car pool to the Long Beach Marina area.**

Parking will only be permitted on one side of the surrounding roads to insure that free access is maintained for emergency vehicles in the event of fire or other emergencies. Improperly parked vehicles will be towed at the owner's expense

**PLEASE HELP MAKE THE FIRE WORKS AN ENJOYABLE EVENT BY HONORING BARRICADES, NO PARKING SIGNS AND THE DIRECTIONS OF THE FIRE & SECURITY POLICE**

^^^

## \*\*\*\*\***SOCCER GOALS**\*\*\*\*\*

**We are hoping to purchase soccer goals for our new ball field. I've done some research and determined it will cost ~\$2000 to get goals that are sturdy and portable. So far this year we have raised \$850.00.**

**Please consider donating money towards this worthwhile project! Send your tax deductible donations to the Town of Frye Island, earmarked soccer goals. Thank you!**

**Pick-up for adults and kids Wednesday nights beginning at 6:00 P.M.

### LOST CAT

Male, gray & white, neutered house cat, very friendly. Answers to "Hamilton". If found, please call (207) 655-2021, or 1-978-459-3521. Or return to 1944 Independence Way. Owners are very concerned, he is a house cat and may not survive outside. Missing since Sat. 6/21/03.

### FIRE BARN OPEN HOUSE

The Frye Island Fire Department will be holding its annual July 4th Open House on Saturday, July 5th from 12 noon to 2:00 P.M. at the Fire barn Bring the kids, both young and old. **FREE HOT DOGS AND SODA** for all. Tour the fire barn and look over the fire trucks. Help the Fire Department celebrate it's 5th anniversary, have lunch and be a part of this great holiday event.

## Fireworks Getting Closer

Thank you to all the Frye Islanders who have contributed to the fireworks fund. And a big Thank You to the local people who are not Islanders who have also so generously donated.... These people have taken it upon themselves to contribute because they enjoy coming to the fireworks by boat....Thus far, we are slowly reaching our goal of the amount needed for a full compliment of fireworks. Do not delay if you have not contributed. Make your tax deductible contribution soon so we can all enjoy a bang-up time.....

### TRAILS—CONSERVATION

Try one July 4th to Children's Fair. Walk up to the Recreation area by taking playground lane from Ridge Road—Playground Lane from Sunset or the RED TRAIL off the divided road on Sunset.

There will be a map completed and planned trails on the web site. ([www.fryeisland.com](http://www.fryeisland.com)).

Call Bobbie Aranyi to be on a list for working on the trails—655-4817.

#### FRYE ISLAND CHAPEL

Weekly Non-Denominational Religious services are held at the Community Center every Sunday Morning from 9:00 to 9:30 AM  
ALL ARE WELCOME

DRESS IS CASUAL.

Chaplain: Rev. Dr. Gordon Talbot  
Season: Sunday May 25, through Sunday, October 12, 2003.

Established 1988

The Frye Island Fire Department would like to remind everyone that there are no OPEN FIRES allowed on the Island. For all emergencies, either fire or medical, dial 911, which is Raymond Emergency/Rescue Service.

## The Conservation Commission (CC) What has it done for you lately?

The recently formed CC has become a functioning team with several accomplishments having been made, in spite of it being in an early stage. After a long day of touring the Island, Don Cameron, from the Maine Natural Areas Program, wrote an excellent Sensitive Areas Report which will be on the Town's website. Other information will be available, such as Christa Mueller's Island Bird Survey and Flora and Fauna lists. The Trail Project, led by Bobbi Aranyi and Andy Lapati, has resulted in the completion of several trails and plans for additional ones. A map has been developed for the website. Lately, there has been considerable discussion about placing numerous FII owned lots into conservation land. In particular, several blocks of land in "special places" have been designated to be considered for conversion as soon as the new Real Estate Steering Committee meets. Nature walks and an annual speaker are planned for each summer. An Adopt a Road and/or a Beach Program is off to a good start but more "new" volunteers are needed. All Islanders are encouraged to pick up litter when they encounter it on the Island. This season, a major effort has been made to rehabilitate the long neglected Rec Beach area near the store. Large stumps, brush, huge rocks and trash have been cleared, or cut, with much improvement in its appearance and functionality. A new trail has been cut from Leisure Lane and the beach was cleaned up. Many Islanders participated in this effort including the support of Wayne Fournier and labor and equipment by Kevin Lamarre, Jay Larrabee and John Crosby. Many firefighters pitched in, along with Bob Ladow, Andy Lapati, Steve Comely, Cappy and others. The Recreation Committee will consider future uses for this valuable asset, including the fenced-in area that surrounded the old clay tennis courts, and a beautiful beach. Claire Ladow and her team have done a fine job planning the various activities that will take place at the Children's Fair at the Rec Beach area this Friday, July 4th. Quite a bit has been accomplished thus far, but there is much more to be done. We are interested in your ideas and welcome your help as we continuously improve our beautiful "WOODED" island.

Ed Charrette, Chairperson

## GARDEN CLUB NOTES .....

THE FRYE ISLAND GARDEN CLUB holds two meetings each month and all on the island are invited to come to these get togethers. The second Saturday of each month an educational program is held; the fourth Saturday of the month there is a work meeting and social time. All meetings start at 9 AM, usually at the Community Center. The Garden Club has assumed the responsibility for the gardens at the ferry landing and at the Community Center. Help is always appreciated for these work meetings.

**JULY 12 MEETING** There will be a tour of two very special gardens on Frye Island on Saturday, July 12. We will visit Ruth Ann Bourque's vegetable garden and other plantings and Carol Schutz' flower and shrub garden. You'll want to come and see how these gals have tamed this rocky, sandy soil into something very beautiful. A good chance to learn how they do it - - Meeting place will be announced in next week FINS.

**BOBBEX** Deer won't like it when you spray your flowers with Bobbex, but it's one of the ways of keeping the deer from feasting on the results of your labors. Bobbex is for sale, at a reduced price, by calling Claire LaDow at 655-7730.

## JULY 4TH ANNUAL WALK/RUN RACE

**Race will take place on Sunday, July 6th, beginning at 10:00 a.m. at the Community Center. There will be a 1 mile and a 5 mile course. Register ahead of time at the Town Office.**

**Race and 2003 Limited Edition T-Shirt—\$10.00**

**Race registration only—\$2.00**

**Any proceeds to go to the soccer goals. Volunteers needed to register entrants on race day, record times and distribute water along the course.**

**Any questions call Annie Charrette 655-3331 or leave message at the Frye Island office to volunteer. Thank you...**

Prizes of a large pizza generously donated for the winners of the 1 mile and 5 mile race from the Frye's Leap Cafe. Thank you also to Jean Russo for additional items to be given out to all finishers. First place kids under 12 and youngest finisher in the 1 mile race will receive an \$8.00 certificate towards a ceramic, generously donated by Cheryl and Joe Ruminski. Thank you supporters!

Thanks also to Bill Keup for making and placing all the signs around the course and to his son Mike and the Coca Cola company for providing water at the finish.

Please come out Sunday morning to walk, run or cheer us on! Thank you!

## Requests from the Frye Island Conservation Commission

Frye Island is a beautiful place and we all love and enjoy it. However, trash has a way of collecting along the roads and on the public beaches. The Conservation Commission would like walkers, joggers and other interested people to adopt sections of our roads. As you walk, jog, or just look around your neighborhood, please take a plastic bag with you and put roadside trash in it from the section of road you select. We would like people to commit to this by signing up for specific sections of the roads.

In addition, our public beaches are also important to all of us and we would like to request volunteers to pick-up trash from the beaches on a regular schedule. Once again, we would like people to commit to this by signing up for a specific beach.

You can sign-up by calling Ed Charrette, 655-4714, or Bob Hannah, 655-7862. Once the initial clean up is done these commitments should take only a few minutes every few days. Please help us to maintain Frye Island as a place of beauty. Thanks.

## FRYE ISLAND RECREATION COMMISSION

One of the first tasks undertaken by this new commission is an attempt to organize and coordinate the many recreational events taking place on Frye Island. In order to do this, we need a process to schedule the various activities. Therefore, anyone who chairs or is planning an event should fill out an application. The applications, upon approval, will be posted on the Recreation Calendar (at the Community Center) and in FINS. Please help us avoid past conflicts and to publicize all events by filling out the application.

Nancy and Phil Perry, Chairs

**REMINDER: YOUR EVENT WILL NOT BE PUT ON THE CALENDAR UNLESS AN APPLICATION IS ON FILE!**

# WARRANT FOR THE ANNUAL MEETING

## OF THE TOWN OF FRYE ISLAND

### JULY 5<sup>th</sup>, 2003

Cumberland, ss State of Maine

To: Kathy Potts, a resident of the Town of Frye Island, State of Maine.

Greetings:

In the name of the State of Maine, you are hereby required to notify the inhabitants of the Town of Frye Island, in the County of Cumberland, qualified by law to vote in Town affairs to meet at the Frye Island Community Center on Saturday, July 5th, 2003 at 9:00 a.m. to act upon the following Articles.

**Article 1.** To vote by written ballot to choose a moderator to preside at said meeting.

**Article 2.** To vote by written ballot to elect one person to a three year term to the Board of Selectmen.

#### Names in Nomination

**C. David Decker**

**Article 3.** To see if the Town will vote to authorize the Selectmen to apply to the Maine Municipal Bond Bank for a Municipal Bond in the amount of **\$500,000.00** to pay for improvements to the Public Water System.

**Article 4.** To see if the Town will vote to authorize and direct the Selectmen and Treasurer, at their discretion, to sell by sealed bid or public auction and convey by quit-claim deed, any real estate acquired from tax sources by the Town, or to convey the property to the prior owner upon payment in full of all taxes, interest and charges incurred by the Town. Selectmen reserve the right to reject any and all bids.

**Article 5.** To see if the Town will vote to authorize the Selectmen and the Treasurer, on behalf of the Town and any of the Town's departments, to accept gifts, real estate, donations, and other funds, including trust funds that may be given or left to the Town, and to grant the Selectmen the further authority to expend such sums of money as they deem necessary from these donations or for their designated purposes. These expenditures may be reflected outside of the Town's approved budget.

**Article 6.** To see if the Town will vote to authorize the Selectmen and the Treasurer to accept and expend, on behalf of the Town, any Federal or State funds received on the form of grants during its fiscal year.

**Article 7.** To see if the Town will vote to authorize the Selectmen to expend such sums of money as they deem necessary from the Capital Reserve accounts for their designated purposes. These expenditures may be reflected outside of the Town's approved budget.

**Article 8.** To see if the Town will vote to ratify the actions of the Board of Selectmen in receiving funds from outside sources, and transferring from undesignated fund balance (\$21,120) to the Island Improvement Reserve account during the year 2002.

**Article 9.** To see if the town will vote to adopt the 2000 edition of the International Residential Code, regulating and controlling the design, construction, quality of materials, erection, installation, alteration, installation, alteration, repair, location, relocation, replacement, addition to, use or maintenance of one and two family dwellings in the Town of Frye Island; providing for the issuance of permits and collection of fees therefore when used with money; repealing all other Ordinances and parts of the Ordinances in conflict therewith.

The Voters of the Town of Frye Island does ordain as follows:

**Section 1:** That certain documents one (1) copy of which is on file in the office of the Town Clerk and the Town of Frye Island, being marked and designated as International Residential Code, as published by the International Code Council and is hereby adopted as the code of the Town of Frye Island for regulating the design, construction, quality of materials, erection, installation, alteration, repair location, relocation, replacement, addition to, use or maintenance of one and two family dwellings not more than three stories in height in the Town of Frye Island and providing for the issuance of permits and collection of fees therefore; and each and all of the regulations, provisions, conditions and terms of such International Residential Code, 2000 edition, published by the International Code Council on file in the office of the Town of Frye Island and hereby referred to, adopted and made a part hereof as if fully set out in this Ordinance.

**Section 2:** The following sections are hereby revised:

Section R101.1 Insert: Town of Frye Island

Table R301.2 (1) Insert: Permit – TABLE ATTACHED

Section R104-10.1: Deleted

Appendices: E, G and J are hereby adopted

**Section 3:** All other Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

**Section 4:** That if any section, subsection, sentence, clause or phrase of this Ordinance is, for any reason, held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this Ordinance. The Voters hereby declare that it would have passed this Ordinance, and each section, subsection, clause or phrase thereof, irrespective of the fact that any one or more sections subsections, sentences, clauses and phrases be declared unconstitutional.

**Section 5:** That the Town Clerk is hereby ordered and directed to cause this Ordinance to be made available during normal business hours.

**Section 6:** That this Ordinance and the rules, regulations, provisions, requirements, orders and matters established and adopted hereby shall take effect and be in full force and effect from and after the date of its final passage and adoption.

The Town of Frye Island Planning Board makes the following recommendations for changes to the Land Use Ordinances, to be presented at the Town Meeting as three separate Warrant Articles:

**Article 10.** To vote to replace the section "HISTORY" on the reverse of the cover (title) page of Chapter 101 - Land Use with an expanded history that clearly states the continuity from the 1976 Land Use Ordinance of the Town of Standish.

**HISTORY:**

**Articles I and II originated as the Land Use Ordinance of the Town of Standish, adopted on May 26, 1976. This Standish Ordinance, as amended, became Chapter 181 on December 9, 1997 by Order No. 123-97. Frye Island, in turn, modified and adopted this Ordinance as Chapter 101 by Public Meeting of February 28, 1998 in preparation for becoming an independent town on July 1, 1998. The October 10, 2000 version of this Chapter 101 was then heavily edited and reorganized into Articles I and II of Chapter 101, which was adopted by Town Meeting 10/06/01 Article 8.**

**Article III** originated as the Shoreland Zoning Ordinance of the Town of Standish, adopted October 12, 1993. This Standish Ordinance (now Chapter 237, adopted February 12, 2002 by Order No. 189-01) was modified and adopted by Frye Island as Chapter 102 by Public Meeting of February 28, 1998 in preparation for becoming an independent town on July 1, 1998. The October 19, 1999 version of this Chapter 102 was then heavily edited and reorganized into Article III of an expanded Chapter 101, which was adopted by Town Meeting 10/12/02 Article 11.

**Article IV** originated as the Floodplain Management Ordinance of the Town of Standish, adopted January 9, 1996 by Order No. 156-95. The Town of Frye Island, in turn, modified and adopted this Ordinance as Chapter 108 by Town Meeting of July 1, 2000. The July 22, 2000 version of this Chapter 108 was then edited and reorganized into Article IV of an expanded Chapter 101 which was adopted by Town Meeting 10/12/02 Article 11.

**Article 11.** To vote to change § 101-I-4, ¶ D.2 Non-conforming lots, to clarify the dates relating to certain requirements and include suggestions by the Town's Code Enforcement Officer.  
**Bold font** indicates text added, strike through font indicates text to be deleted.

§ 101-I-4, ¶ D.2. Non-conforming lots

**2. Non-conforming lots**

- a. A single lot of record which fails to meet the requirements for area, or width, or both, that are generally applicable in the district may be built upon subject to the following conditions and restrictions:
  - i. The lot must have been in separate ownership on May 26, 1976 **separate from that of all lots and parcels contiguous to it prior to the date on which the lot became non-conforming by reason of adoption or amendment of this Ordinance.**
  - ii. It must not share a common property line with other such lots in the same ownership,
  - iii. Yard and other requirements not involving area or width must conform to the regulations for the district in which the lot is located, except that said lot need not have adequate road frontage so long as there is either a public or private vehicular access way to the lot.
  - iv. No more than one single-family dwelling may be built upon

- ,
- iv. No more than one single-family dwelling may be built upon such single lot.
  - v. Variance of area, width and yard requirements shall be obtained only through action of the Board of Appeals.
- b. Contiguous lots, vacant or partially built. If **any of** two (2) or more contiguous lots (i.e., lots which share a common property line) or parcels are in **under** single or joint ownership of record as of May 26, 1976, and if any of these lots do not individually **fails to** meet the dimensional requirements of this Ordinance or subsequent amendments, and if one (1) or more of the lots are vacant or contain(s) only an accessory building, **then** the lots shall be combined to the extent necessary to meet all dimensional requirements. This subsection is intended to apply to all lots, whether shown on a recorded plan or not. It is specifically intended that this provision can shall require the merger of improved lots with unimproved lots and is not limited to merging unimproved lots only. L **Contiguous lots each containing a dwelling unit which were separately improved** prior to enactment of the Frye Island Zoning Ordinance **becoming non-conforming or prior to coming under common ownership** shall not be merged.

**Article 12.** To vote to change the definition of Stream in § 101-III-17, the definitions section of the Shoreland Zoning Ordinance, to comply with a request from the Maine DEP, as follows:  
**Bold font** indicates text added, strike through font indicates text to be deleted.

**Stream:** A free-flowing body of water from the outlet of a great pond or the confluence of two (2) perennial streams as depicted on the most recent edition of a United States Geological Survey 7.5 minute series topographic map, or if not available, a 15 minute series topographical map, to the point where the body of water **it flows into a great pond or** becomes a river. There are no streams on Frye Island.

The Town of Frye Island Planning Board makes the following recommendation for changes to the Land Use Ordinances, to be presented at the Town Meeting as a separate Warrant Article in addition to those previously presented:

**Article 13.** To vote to adopt the changed Official Zoning Map of the Town of Frye Island dated July 2003 (changing Lot 509 from Rural District to Residential District), as approved by the Planning Board June 14, 2003.
