Island Manager Comments

Let me take this opportunity to welcome everyone back to Frye Island for what; hopefully, will be another very enjoyable season. We are starting out this season with some familiar faces in new positions and some new faces in old positions so while we try to work some of the kinks out, please bear with us. A good portion of my comments were in the FINS last week but I know that there are new people coming to the Island every week now so I want to run them again,

Long Beach Marina & Quail Circle Canal: The docks have been installed at the Long Beech Marina. The final slip assignments are posted on our web page and at the Marina. The fees for 2004 are as follows:

- Marina Equity Slips \$375.00
- Marina Rental \$900.00
- Quail Circle \$200.00

We have ordered 5 new docks, 10 new slips to be installed on the beach side of the Marina. These should be installed by the end of May. When these are installed, the new ramp will also be installed. It is necessary to make a minor modification so that it will attach properly. Once the new slips are in the new assignments will be posted.

If you are installing a dock at Quail Circle, please make sure you install it correctly so that it doesn't infringe upon your neighbors space. Also, in Quail Circle, the beaver(s) have had a busy spring. Many trees are down and there is a large lodge on the even numbered side. Our Public Works crew has removed a good portion of the lodge but there is still quite a bit of the lodge remaining under water that will have to be removed by the contractor. We don't have the equipment to reach it and remove it. If you are assigned a slip in that area, please have a little patience, we will get it cleaned up as soon as we can get the contractor out there.

Ferry Service:

A lot of time was spent this winter reviewing ferry usage history to help us establish a ferry schedule for the 2004 season. During this process, we also determined that the cost to operate the ferry averaged about \$70.00 per hour in 2003. When we reviewed the usage reports, the mid-night / one AM ferries were very under utilized. Because of that lack of usage, we eliminated some of these runs from the original schedule in an effort to run the ferry operation as cost effectively as possible. Since that first schedule was published we have adjusted it because of issues that have been brought to our attention and as the season proceeds, we will continuously monitor the usage.

With the ferry service as well as all other municipal operations, we are making a concerted effort to enforce all of the existing policies that have been established. One area that we have identified is with the use of resident ferry tickets by service people claiming to be friends or guests of residents. The policy that sets the user fee for residents at ½ that of non-residents and contractors is a privilege extended to residents **"in good standing"**, their families and their house guests only. This does not include renters. To assist the ferry crews in enforcing this policy we will now require the property owner to notify the ferry office at 655-4258 if they are expecting guests. Please leave your name, your lot number, your Island phone number, your guests name and the date you expect them to arrive. If, when you call a live body doesn't answer, leave a message. If you fail to do this we will require the non-resident user fee be paid. We would appreciate your cooperation as we try to protect this property owner privilege. We have also had some people question the fact that we are again asking people using the ferry to identify themselves before boarding. In order to enforce the "IN GOOD STANDING" requirement of the policy, we have to know who you or the property owner is. The ferry crew will then check this information against a list we provide from the office. If the owner is not in good standing, the owner as well as the guest should expect to pay the full fee.

There have been a number of incidents when vehicles on the ferries have been leaking fluids, which in some cases appeared to be fuel, for that reason we are not permitting smoking of any kind on the ferries. One spark from a cigarette around leaking gasoline could be catastrophic on a loaded ferry. Please help us enforce this safety policy by refraining from smoking while on the ferry. In addition, we have had two near misses while loading and unloading the ferries when people have been talking on their cell phones during the loading / unloading process and not paying attention. Again, we ask that you refrain from using your cell phones during this process. Your safety and the safety of your families and friends is a prerequisite. We will strictly enforce these policies.

Along these same lines, the DOT requires that any vehicle carrying 1000 pounds or more of propane must be the only vehicle on a ferry. So if you see the Main Gas truck all by itself on the ferry, this is why. Safety, Safety, Safety.

There have also been questions about the user fees for the ferry so we have prepared a list of the user fees for the different types of vehicles for both Island property owners and non owners. This user fee schedule is our best interpretation of the fee policy. The list is available at the ferry office, at the town office and on our web-site. There are two parameters that impact the ferry and the loading of the ferry; one is the weight of the vehicle, the other is the space the vehicle requires on the ferry. We are developing methods to identify each so that we can provide a more consistent approach to the way the User Fees are applied in accordance with the approved rate schedule. I will keep you posted as we finalize these methods.

I am going to hold an open meeting / workshop on Saturday June 12th at 9AM in the Community Center to discuss the ferry schedule, the ferry operating policy and the ferry fee schedule. If you want input into this process please plan to attend. You must understand that I don't set policy or fees. That is a responsibility reserved for the Board of Island Trustees. However, I do feel that

your input is important as we attempt to refine the ferry operation and I appreciate your comments.

Everyone associated with the ferry service is doing their best to enforce the policies and fees that have been established for the operation of the ferry. Very few of these policies are new, but for one reason or another, they have not been enforced consistently. I personally think they are doing a great job of it. If you have a problem with the operation, don't take it out on them they are just performing their jobs. If you have compliments please let them know. If you have complaints come see me, I will listen.

Public Works: We have also made some changes in the Public Works department. John Crosby has taken over and he and his crew have done a great job opening the Island and getting the roads in shape for the season. In addition, if you see the PWD crew in a new (used – but new to Frye Island) dump truck, John recently purchased this for the town. In the past, we have been purchasing loam, gravel and similar products from vendors on the mainland. We have been paying \$68.25 (\$9.75 per yard) for gravel and were charged a \$66.00 delivery fee for each load. The Board voted to spend up to \$12,000.00 from the equipment reserve to purchase this truck. In addition to other advantages to having this truck, the savings on deliveries alone provides an ROI of about 2-3 years.

We have been evaluating different materials that can be applied to the roads for dust control. We have eliminated one of the materials because of cost. It would have cost about \$32,000.00 for one application. We have tried one application of a liquid calcium on a few of the roads as opposed to using the flake form of calcium that was used in the past. We are supposed to get better and longer lasting coverage with the liquid form. So far it seems to be working well and we are planning to apply the liquid to more of the roads in the next week or so..

The hours of operation for the transfer station and the procedures that will be followed are explained elsewhere in the FINS. Just remember, there will be no door to door pick-ups this year. The quotes we received for door to door pickup were more than double the previous year. Therefore, a change was approved to suspend door to door pick-ups to help control the rapidly escalating costs of waste disposal. Hopefully, this won't be too much of an inconvenience for most Islanders. However, if there are elderly or infirmed residents that are unable to transport there trash to the transfer station, please notify the public works department @ 655-7493 and they will make arrangements for you.

We are also looking at developing a fee schedule for the transfer station that will be presented at the July meeting. These user fees will be for those items that the Town is charged to dispose of over and above the charge for normal trash. This user fee would be for "white goods", propane cylinders etc. This would be another attempt to develop user fees that will help reduce the ever increasing tax burden on all Islanders.

I would like to remind everyone that the transfer station is for the convenience of residents only and for Island trash only. I heard a report that on an occasion last year an individual with a trailer full of trash was followed across on the ferry to the transfer station where the trailer was emptied. This obviously is not permitted. The containers that are located at the Transfer Station for construction and demolition debris are for the disposal of relatively small amounts of residential debris. If you are building a home or some other structure, renovating and or tearing something down, you will have to provide your own dumpster or haul the debris off Island. Contractors will not be allowed to dump any material at the Transfer Station. We will be charging contractors that we find using the Transfer Station.

Code Enforcement Officer: Paul White has been appointed as the new CEO replacing Bill Foye who resigned at the end of last season. Bill will continue to serve as our Local Plumbing Inspector (LPI) until Paul completes his LPI certification. Paul will be available on Thursday and Friday 7:30 to 4:00.

Elections: Elections for Town and FII officers will be held at the July 5th town meeting. The following vacancies will be on the ballot:

- **Selectman:** In accordance with the town charter, the Selectmen must be elected, at large, by the Voters of the Town. There are three selectmen, each elected to fill a three year term. These terms are staggered so that each year a Selectman's position becomes open. To be eligible to run for the Board of Selectmen, an individual must be a Town of Frye Island Voter and remain a voter throughout the term of office. All candidates interested in running for the open position of Selectman should give notice at least 14 days before the Annual Town Meeting so that the candidates name can appear on the Warrant. If you are interested please notify the town office no later than June 20th.
- **Board of Island Trustees:** We will be voting to fill one three year term at this year's Town meeting. To be eligible for this position, the candidate "must be a citizen of the United States, at least 18 years of age, and an owner of real property located within the Town of Frye Island with a fixed home currently occupied by the person". To be eligible to vote, an individual must meet the same qualifications.
- **Frye Island Inc, Board of Directors:** There are 9 one year terms on the Board elected each year at the Stockholders meeting held concurrently with the town meeting. To be eligible to run for this office, a candidate must be a stockholder (lot owner) in FII. Only stockholders are eligible to vote for the candidates.
- **Representative to School board on SAD #6:**

These are all very important positions in the operation of our Town. We have been extremely fortunate to have had many very qualified and very dedicated people in these positions. Don't underestimate the commitment required to fill these positions. These are not "figure head" positions. They require a considerable amount of time and effort to execute them effectively. If you want to take on this challenge please notify the office as soon as possible and no later than June 20th so that we can post the candidates names in the FINS and on our web site. If you are not ready to run for elected office at this time, at least attend the meeting and vote for the candidates of your choice. I look forward to seeing you at the meeting.

SAD #6: There will be a public hearing at 11:00 A.M on Saturday May 29th at the Community Center to present the SAD #6 budget for FY 2004/2005. The actual vote on the referendum will be held on Tuesday June 8th.

Primary Elections: A reminder that we will be holding Primary Elections for Democrats, Republicans, and the Green Party on June 8th at the Community Center. There will also be a referendum on the ballot. Polls will be open from 8:00AM to 8:00PM. Sample ballots have been posted on the Town bulletin board.

Meetings: The summer Selectmen's meetings are scheduled as follows:

- Sunday May 30th, 7:00 P.M. Community Center (Rescheduled from May 22nd)
- Saturday June 19th, 9:00 A.M. Community Center
- Saturday July 24th, 9:00 A.M. Community Center
- Saturday August 21st 9:A.M. Community Center
- FII Board Meeting: Sunday May 30th, 7:00 P.M. Community Center

Asset Transfer: Just a reminder about the Frye Island Incorporated proposal to transfer some of its assets to the Town at the July stockholders meeting. If you can't be at the meeting to vote in person please be sure to forward the proxy ballot that was in the winter news letter to the office. There will be a Public Hearing on Saturday, May 29 to discuss this transfer. If you have questions or comments, please plan to attend. This is a very important vote so please exercise your right to vote on these issues.

Police Activity: Summer has begun.

- A vehicle was discovered off Highpoint Drive early one morning. There were no physical injuries. The Police officer was able to determine the owner and the vehicle was removed. No violations were issued.
- The Public Works Dept reported that the bathroom door at the Marina was forced open breaking the hinges. We do not yet know the perpetrator.
- A report of a loose dog was turned over to the police.

There has been evidence of drivers doing “donuts” all over the Island. Last year we were quite lenient but we have had a few near misses and sooner or later they will catch up to us. We will be more diligent this year in our efforts to ensure the safety of everyone on the Island.

I have had a number of people offer comments and suggestions concerning the operation of the Island and believe me I appreciate their input. Actually, I encourage it. We have an ever increasing Island population and limited resources. We are trying to enforce policies that will contribute to the safe and effective operation of all the Island functions and will accept all the help we can get. If you have constructive suggestions, please become part of the solution.

Have a safe week!
Wayne

**Town of Frye Island
Planning Board**

**Saturday, May 22, 2004 at 8:30 a.m.
Community Center
Preliminary Agenda**

1. Minutes and Correspondence
2. Old Business
 - Growth Ordinance
 - Other Old Business
3. New Business
 - Septic System counts from PWD
 - Policy on lot splits and mergers
 - Other New Business

This is a public meeting. The public is urged to attend.

MSAD #6 TAXES

GREETINGS!

The recommended 2004-2005 school budget is only 4.29% over the current year budget, which was the same as that of the 2002-2003 school year. However, Frye Island's contribution is now \$729,081, which is an increase of 13.16% as compared to the current level. Why?

The Town of Frye Island is the fastest growing town, in terms of wealth, within MSAD #6 -- as determined by the State of Maine. (Congratulations!) Table A below shows how state valuations for 2004-2005 school year compare to the current school year. Frye Island managed to beat all other towns in terms of growth in valuations. (As I noted several times before, state valuations are not the same as local assessments.) By getting wealthier, percentage-wise, more than other four towns, we are rewarded by getting the largest increase, percentage-wise, in local allocations to the MSAD #6 budget – Table B.

Table A -- State Valuation of District for 2003-2004 & 2004-2005 school years

TOWN	2003-2004	2004-2005	INCREASE -- \$	INCR. -- %
BUXTON	\$375,950,000.00	\$430,775,000.00	\$54,825,000.00	14.58%
HOLLIS	\$194,075,000.00	\$221,975,000.00	\$27,900,000.00	14.38%
LIMINGTON	\$139,925,000.00	\$154,750,000.00	\$14,825,000.00	10.59%
STANDISH	\$549,650,000.00	\$637,925,000.00	\$88,275,000.00	16.06%
FRYE ISLAND	\$53,500,000.00	\$62,600,000.00	\$9,100,000.00	17.01%
DISTRICT	\$1,313,100,000.00	\$1,508,025,000.00	\$194,925,000.00	14.84%

Table B – Local Allocations by Towns for 2004-2005 & 2003-2004 School Years

	BUXTON	HOLLIS	LIMINGTON	STANDISH	FRYE ISLAND
2004-2005	\$5,019.241	\$2,586.042	\$1,802,500	\$7,431,359	\$729,081
2003-2004	\$4,532.067	\$2,339.642	\$1,687,455	\$6,626.347	\$644,272
INCR. -- \$	\$487,174	\$246,400	\$115,045	\$805,012	\$84,809
INCR. -- %	10.75%	10.53%	6.82%	12.15%	13.16%

Another reason for increases in school taxes – for all towns – is shown in Table C. These numbers prove, beyond any doubt, that taxpayers have good reason to be frustrated about the shift of the cost of education of Maine children to real estate taxes.

Table C – Chronology of State School Aid to Education – MSAD #6 experience

1996	1997	1998	1999	2000	2001	2002	2003	2004	2005
68.25	67.82	67.90	69.29	68.36	62.46	62.10	50.87	47.21	43.47
%	%	%	%	%	%	%	%	%	%

Increases in State Valuations & Decreases in State Funds => Increases in Property Taxes.

The School Board did all it could to keep these increases down without hurting education.

Please come to the formal School Budget Presentation on Saturday, May 29, 2004 at 11:00 a.m. at the Community Center. Meanwhile, there is a copy of the 2004-2005 recommended budget and other informational material for your perusal at the Town Office. Then make your informed vote.

Budget Referendum: Tuesday, June 8, 2004.

Kind regards,

Oleg Svetlichny,

Lot 13 and MSAD #6 Board member

**FRYE ISLAND GOLF CLUB
OPEN TO THE PUBLIC
1 FAIRWAY LANE
655-3551**

HOURS OF OPERATION

(Before Memorial Day Weekend)

Monday – Thursday Closed

Friday & Saturday 9:00 a.m. – 8:00 p.m.

Sunday 8:30 a.m. – 5:00 p.m.

RATES

Greens Fee:

Weekend \$28.00

Weekday \$18.00

Weekday Youth \$10.00

Twilight (after 5 p.m.) \$13.00

REMINDER: Memberships have to be renewed. If you are not a member and would like to be call or visit the pro shop for information.

MEMBERS EMAIL ADDRESSES NEEDED: We need your email address so that we will be able to update you with updated club information, including upcoming tournament details. Give your email address at the pro shop

SUNDAY MORNING SCRAMBLE – Shotgun start at 9:00 a.m. Sign in by 8:45 a.m. or call 655-3551 to let us know that you will be playing. **ALL ARE WELCOME.**

SUNDAY MORNING SCRAMBLE 5/16/04 WAS CANCELLED DUE TO WEATHER CONDITIONS.

KICK-OFF CLASSIC TOURNAMENT

Saturday May 22, 2004

Rules Overview – 10:15 a.m.

Shotgun Start – 10:30 a.m.

Format: 9 Hole 4 – person scramble

Closest to the pin on #8

Cost: Members - \$10.00

Non-Members - \$10.00 plus green fee

TWO-PERSON RYDER CUP TOURNAMENT

Saturday May 29, 2004

Rules Overview – 8:45 a.m.

Tee Times – 9:00 a.m.

Format: 18 hole 2-person Ryder Cup (teams sign up together)

Holes 1-6 Scramble

Holes 7-12 Best Ball

Holes 13-18 Alternate Shot (after both tee off)

Closest to the Pin on #4 and #8

Cost: Members - \$10.00

Non-Members - \$10.00 plus green fee

Sign up by May 27th in person or call the clubhouse @ (207) 655-3551

TENTATIVE TOURNAMENT SCHEDULE FOR 2004:

May 22	Kick-off Classic
May 29 or June 12	Ryder Cup Member-Member
June 5	Outside
June 26 & 27	Frye Island Invitational Weekend After Fathers Day
July 3	Steak & Hotdog
July 17 or 24	East vs. West
August 7	Member-Guest
August 14	Rally for a Cure
September 4	President's Cup
September 11&12	Outside
September 25	Shoot out
October 9	October's Best

LEISURE LOUNGE
1 FAIRWAY LANE
(adjacent to the golf pro shop)
655-3551

Lounge Hours

(Before Memorial Day Weekend)
Monday – Thursday Closed
Friday & Saturday 9:00 a.m. – Midnight
Sunday 8:30 a.m. – 5:00 p.m.

Come to Leisure Lounge to meet old and new friends. We offer a full bar, complimentary coffee and popcorn. \$1.00 hot dogs, \$5.00 pizza's, \$3.00 rootbeer floats, and other snacks are also available.

Sports fans, we do have satellite television.

TURKEY DINNER (NOTE: DATE CHANGE)
SUNDAY MAY 30TH
COCKTAILS 5:00 p.m.
DINNER 6:00 p.m.
PRICE \$10.00 per person

SOLD OUT! Sorry if you didn't get a chance to sign up, we will keep you posted with other upcoming dinners.

Transfer Station Fees And Operating Hours

There are several changes in the way we will operate the former brush dump. One of the changes is the name. It is now called "The Town of Frye Island Transfer Station." Here are a few of the changes;

There will no longer be curbside trash pickup. For those interested in hiring a private source, the "Trashy Women," (who picked up trash curbside last year) would be interested. They can be reached at 998-3128.

The Transfer Station gate will be open 24 hours a day for walk through only, for the following items:

- All bagged household trash, flattened cardboard and separated recyclables at no charge.

The transfer station will be open for drive through and an attendant will be present for all other items for disposal. The hours are as follows:

- Wednesday 10:00am – 4:00pm
- Saturday 8:30am – 2:30pm
- Sunday 10:00am – 4:00pm

As for elderly or infirm residents not being able to get to the transfer station, the DPW will gladly arrange to pick up those residents trash. The transfer station attendant will also be on hand on Wednesday, Saturdays and Sundays to assist any resident with their trash.

FRYE ISLAND GARDEN CLUB

The Frye Island Garden Club invites all islanders join us for our meetings. There are no requirements for membership and no dues. We focus on beautification of the island, education in the field of gardening, meeting and socializing with fellow islanders, and having a good time. Our meetings are held on the second and fourth Saturdays of each month at 9:00 am at the Community Center.

Our first meeting this year will be on Saturday, May 22nd. We will be making plans for our annual **Plant and Bake Sale** on Saturday, May 29th. The success of this event depends on the help of many volunteers. There are different ways that islanders can participate. Please join us if you would like to be a part of this event.

GARDEN CLUB PLANT AND BAKE SALE

Garden Club members are preparing for our annual Plant and Bake Sale which will be held on Saturday, May 29th from 9-1 at the old fire barn. We will feature our usual selection of annuals, perennials, and delicious baked goods.

Proceeds from our sale are used for religious services already beautiful island. The sale is our only source of income. Our gardens at the ferry landing are the first thing visitors see and provide a burst of color from spring until fall. The landscaping at the Community Center has turned the building into a facility we can all be proud of. More work will be done there this spring. Profits from the sale as well as the hard work and dedication of members have made these improvements possible.

We are asking Islanders to contribute baked goods and potted plants from their gardens. Please support our sale, add to your garden, and help the Garden Club to continue our beautification projects.

FRYE ISLAND CHAPEL

Weekly Non-Denominational Religious services are held at the Community Center every Sunday Morning from 9:00am to 9:30am. ALL ARE WELCOME. DRESS IS CASUAL.

Chaplain: Rev. Dr. Gordon Talbot

Season: Sunday May 30th through Sunday October 10th, 2004

Frye Island Recreational Needs Assessment

The Frye Island Recreation Commission was created in October 2002. The charges given to the committee by the Island Selectmen were to monitor recreational areas on the island, encourage and plan recreational activities for all age groups, advise and assist the seasonal recreation director, work with SAD 6 and the town of Raymond to provide appropriate course offerings, to assure that on peak holiday weekends at least one island wide activity will be offered, and to identify and assist islanders to share their talents.

In planning for the 2004 Summer offerings, the Committee thought it would be helpful to poll islanders about their interest in recreational opportunities. Please answer the following questions and send or bring your questionnaire to the island office promptly. Thank you!!! **Name**_____ **Phone number**_____

1. Do you think it is important to have a scheduled recreational event each weekend in July and August? Yes ____ No ____

Comments:

2. What hours are most critical for the Community Center to be open? Please indicate if you feel the needs are different Monday-Thursday and Friday through Saturday.

Mornings (9:00-12:00)_____ Afternoons (1:00-5:00)_____ Evenings (7:00-10:00)_____

Comments:

Note we have budget restrictions and appreciate the need for rainy day openings but this may be challenging to staff.

3. What activities do you think would be important to offer for the young children on the island?

Open Community Center Times_____ Structured Activities_____

Would you support offering a day camp experience on the island? What age groups? Would you support a one-week soccer camp?

Comments:

4. What activities do you think would be important to offer to the teens on the island?

Open Community Center Times_____ Structured Activities_____

Comments:

Would you be willing to co-supervise an activity?_____

What times would be most helpful to have the community center open to teens only?

Weekday evenings_____ Weekend evenings_____

5. What activities would you like to see offered for the adults on the island?

Comments:

Would you be willing to host an activity?_____

The currently planned 2004 Frye Island recreation schedule includes:

June 19: Pot Luck dinner at Community Center and speaker from Portland Water District in coordination with Garden Club coordinated by Kathy Potts

June 30: Ladies of the Lake Luncheon at cafe, organized by Pat Karpacz.

July 10: Boat Building and Recreational Food 9:00-12:00, coordinated by Mary Deming

July 3: Fireworks, coordinated by Maria Charrette

July 4: 1 and 5 mile Walk/ Run to begin at 10:00 AM, organized by Ted Charrette

July 4: Ice Cream Social, organized by the Golf Committee

July 17: Dinner/Dance/Golf Auction

Labor Day Dinner dance: Nancy Fournier has agreed to organize

Labor Day Ice Cream Social: whatever night the Dinner Dance is not

Other Events:

Wednesday and possibly Saturday pick-up soccer at the ballfield coordinated by Annie Charrette and Christine Phillips

Major League Soccer Camp for kids and possibly adults: Annie Charrette to coordinate

Pick-up basketball at the courts, **Looking for a coordinator**

Pick-up softball at the ballfield, softball committee to organize

5K, 10K, triathlon series, TBA organized by Bob Sansonetti

Family Dance in July

Labor Day Tennis Tournament: Dennis Stafford and the Giggeys (?)

Children's Theatre: if group from last year does not return, look into having Portland Children's Theatre come to the island (Andrea Sansonetti)

Progressive Beach Party: Dick Giggey

Sea Dogs Trip: Dick Giggey

Guided Trail Walk: Ed Charrette

Please make additional comments on the back and return this survey to the Frye Island Office promptly! We value your input! Thank you!!! The Frye Island Recreation Committee

There may be an opportunity for a Catholic Mass to be held Sundays during high season at 12:00 PM at the Community Center. Please indicate your name if you would attend this mass. Thank you. Kathy and Bob Giggey

NOTICE OF PUBLIC HEARING

The Board of Appeals will hold a public hearing on an application for an appeal as requested by Sansone & Leonard, Lot #1346.

Date of public hearing: May 28, 2004

Time: 7:00 p.m.

Place: Community Center

The application requests a reduction in front setback to construct a house
