**Island Manager Comments**

**Manager Comments:**

I would like to take this opportunity to welcome everyone back to Frye Island for what; hopefully, will be another very enjoyable season and to update you on some of the projects that we have been working on.

**Water System:** Work on the first phase of the water system continued as long as possible through the fall and resumed as soon as we were able to get to the Island in April. The new treatment system is now in service and appears to be operating well. We still have some punch list items to complete which are currently being worked on. In addition, we are installing a new monitoring system which will provide continuous monitoring of system parameters and brings us into compliance with State drinking water requirements.

**Long Beach Marina & Quail Circle Canal:** The docks at the Long Beach Marina are being re-sealed and installed this week but they may not be finished by this weekend. In addition, the ramps have been rebuilt. Please **DO NOT** attempt to put your boat on your slip until all of the docks are in. You will just interfere with the installers. If you have questions about when you will be able to use your slip please call the office, we will let you know. The final slip assignments are posted on our web page and at the Marina.

Remember that your Yacht Club fees must be paid by the time the office closes on Saturday May 28<sup>th</sup> or you could lose your spot.

If you are installing a dock at Quail Circle, please make sure you install it correctly so that it doesn't infringe upon your neighbors space.

**Lake Water Levels:** I am sure you have noticed the high lake levels. Sappi is letting as much water out of the lake as they are allowed to but they have a maximum flow limit that they must comply with to minimize the risk of flooding downstream of the lake. High lake levels and spring run offs coupled with heavy April rains have also impacted the operation of the ferry and has required the Public Works crews to spend a considerable amount of time to repair some of the road ways. Please be considerate of these crews as they continue to improve these areas.

**Ferry Service:** We have completed the repair work on the Mainland ramp and gantry. The new components are much heavier and should provide many more years of service. We had to rebuild the ramp anchors because they had deteriorated to an unsafe condition. In addition, the apron, ( the yellow metal that rests on the ferry when it is in the slip), the counterweights, the cables and the sheaves were all redone. It was necessary to replace the old apron on the mainland because it broke twice under heavy loads last year and actually became detached from the ferry on a number of occasions during the loading process. Fortunately, no serious problems resulted.

A word of caution, because of the high lake levels the ramps go up fairly steeply so be very careful when loading and off loading. I have heard reports of low vehicles and trailers dragging on the ramp when approaching the ferry.

**Public Works:** The Public Works Department has been working very hard to get the roads in shape for the opening but Mother Nature hasn't cooperated with us. We have had a lot of heavy rain lately and the forecast is for more showers again this weekend. Consequently, the road ways are very wet and very soft, especially the sides of the roads. So be very, very cautious when traveling on Island roads. It is very easy to get stuck on the soft shoulders.

**Police Activity:** No report this weekend.

Have a safe week!  
Wayne

**Long Beach Marina / Quail Circle Canal:**

- The fees for the Marina and Quail Circle for the 2005 season are as follows:
  - Marina Equity Fee: \$225.00
  - Marina Rental Fee: \$900.00
  - Quail Circle Rental: \$200.00

You will also have to purchase a \$5.00 sticker to be attached to your boat to identify your right to use the slip.

A copy of the slip assignments and the waiting list has been included in this news letter and has been posted on the web site. If you notice any inaccuracies or do not plan to renew your annual rental please let us know in the office so that we can make the necessary corrections before the boating season begins.

### LOT FILES

We have finally begun to scan our lot files so that they can be saved and displayed electronically. This provides us with a much needed backup to the existing paper files, it will make searching for data easier and it will also eliminate the need to pack up all of the files twice per year to move them to and from the winter office. This is a time consuming effort that will continue through the summer. If any of you have some free time this summer and would like to volunteer in this effort please stop in at the office.

### A NOTE FROM OUR FRYE ISLAND POLICE DEPT.

The telephone number for the Frye Island Police Dept. has changed to 207-655-2600. This information also appears on the 1<sup>st</sup> page (upper left corner) of FINS weekly.

Golf Cart Ordinance – Please be aware that drivers of golf carts are required to hold a valid drivers license. This is in compliance with the Maine’s state law and became official at the Town’s October Meeting.

# **LEISURE LOUNGE**

**Open to the Public**

**Friday & Saturday 9:00 am – Midnight**

**Sunday - Thursday 9:00 am – 5:00 pm**

**Fairway Lane

## **WE OFFER A FULL BAR**

**Beer, Wine, Mixed Drinks**

**\$3.00 Root Beer Floats**

**Complimentary Coffee**

## **SNACKS**

**\$5.00 Pizza**

**\$1.00 Hot Dogs**

**\$4.00 Chicken Wings**

**Complimentary Popcorn**

**SATELITE T.V. for your viewing  
pleasure**

## 2005 FIREWORKS

**PLEASE** make a tax free contribution of \$25 or more for this most popular patriotic event. Unfortunately, the July fourth fireworks did not make it past the budget cutting process so we must raise the funds. Your donation is tax deductible and can be made out to The Town of Frye Island with a notation that it is for the fireworks. Boaters and patriots show your colors - red, white, and blue!

### **Town of Frye Island Public Works Transfer Station**

In order to insure we comply with Universal Waste Disposal Procedure – we must control access to the Transfer Station. Starting this season the Transfer Station gates will be fully closed and locked when the Transfer Station is not attended. If you are inside the Transfer Station when the gates are locked and the attendant is not present you are TRESSPASSING. Also if you leave trash or other items in front of the gate or over the gate you are LITTERING.

Fees will be charged for some items. Bagged household trash and sorted recyclables may be deposited at no charge. To deposit all other items you must display a current resident sticker on the vehicle transporting the disposable items to the transfer station. Only property owners in good standing will be issued these stickers.

All fees and operating rules were approved by the 2004 October Town Meeting after several public hearings. A disposal fee must be paid for these items before they can be off-loaded at the transfer station. As a reminder, the approved fee schedule has been printed with this news. Transfer station hours of operation are as follows.

Low season operating hours;

Saturdays 10am to 3pm

Sundays 12 noon to 5pm

Holiday weekends, closed Sundays, open Monday, 8am to 12 noon

If you need access to the Transfer Station Monday through Friday (between 8am to 3pm) Please call the Public Works Garage at 655-7493 or the office at 655-4551 for an appointment. (Advance notice is greatly appreciated.) We will need your name and island phone number.

Thank you,  
Your Public Works Department

Sat, Jul 2 - Steak and Hot Dog	Sat, Sep 24 - Shoot Out
Jul-Aug - Club Championship	Sat, Oct 8 - October's Best
Aug 13,14 - Member-Guest	

### Ferry News

Welcome back for another year. We are excited to start our season. We are making good strides (in spite of the weather) in painting the top sides of the boats. We have a wonderful team of caring people working on the boat and we ask your patience as they put their training to practical use. Also, please remember, the people who work on the ferry are people who are trying to do their jobs within the parameters set by your Selectmen, so please address your issues to the appropriate people, not the crew.

Once again we will be having our Dog of the Week Contest. Bring pictures of your dog to the Ferry Office. The crew will pick a dog each week to put in the FINS.

We have homeowner handouts at the Ferry Trailer with rules, rates, etc. FYI Contractor packets are also available.

The Ferry Administrator (Sue) is in the office most of the time and can always be reached by the crew. Please feel free to call with your questions anytime.

The full season schedule will be posted this year at the ferry office, main office door on 1<sup>st</sup> floor, main office door (2nd floor), post office & golf club house as well as on the web site. NOTE the boat will not run after hours unless a reservation has been made with the ferry office 655-4258 at least ½ hour before the last run and that reservation will hold the boat for a maximum of 1 hour only. (PLEASE SEE FULL DIRECTIONS & RATES ON THE FERRY SCHEDULE).

Safety is our prime concern and we load accordingly. We wish you a safe and happy season and look forward to serving you on the ferry.

The Ferry Crew

**Ferry User Fee Schedule**  
**Approved: 10-9-04 Town Meeting**  
**Effective 01-01-04**

## **FRYE ISLAND GARDEN CLUB**

OFFICERS: PRESIDENT - CLAIRE LA DOW  
VICE PRESIDENT - MARIA CHARRETTE  
SECRETARY - RITA LAPATI  
TREASURER - SUE NISULA  
PROGRAM CHAIRMAN - NANCY KEUP  
HOSPITALITY CHAIRMAN - SYLVIA O'CONNOR

The members of the garden club are looking forward to spring and the opening of the island. As we have said numerous times, everyone on the island is a member. We have no membership dues and our meetings are informal and friendly. We meet twice a month at the community center on the first and third Saturdays of the month. At the first meeting we have a short refreshment period and socializing. Then, we disperse to work on the gardens. The "more the merrier" is our motto, since we can accomplish a lot in a short time with many hands. At our second meeting of the month, we have a planned program with interesting speakers. In this way, we adhere to the purposes which the club chose at its' inception -- to educate the members and to focus on the beautification of Frye Island.

Our one and only fund raising event of the year - the plant sale - will again be held on Saturday, May 28th at the Post Office/ Fire Barn. This has always been a success financially, but, the best part is renewing friendships for the first time of the summer. So, come one - come all and join the fun. More information will follow in the FINS.
