Island Manager Comments

Manager Comments: We finally have had some good (meaning sunny, warm and dry) weather. Hopefully this trend will continue through the weekend.

Long Beach Marina & Quail Circle Canal: We have had some changes in the slip assignments because some people decided not to pay the appropriate fees and therefore the slips will be reassigned. As soon as we get these assignments finalized we will post the lists at the Marina, at Quail Circle and on our web site.

Lake Water Levels: I got a call this week from a reporter from the Suburban News. She said that an Islander had told her that the Town had received a letter from the Department of Environmental Protection concerned about the erosion taking place around the Island because of the high lake levels. **This is not true.** We have received no letter from the DEP. Last year we did a project with the Portland Water District to prevent continued erosion along beach 10 and requested input from the DEP and received the required permits but the Town initiated that project. That project was completed last summer and has held up very well, even with the high lake levels. So, if you hear rumors that the DEP has written us about erosion around the Island, it is not factual.

Willis Property: At the Special Town Meeting held last Saturday the Board of Island Trustees and the registered voters of Frye Island voted to purchase the property on the mainland owned by the Willis family. I have spoken with our attorney to initiate the title work and the bank to initiate the interim financing. I will keep you posted as we progress.

Election of officers: During the annual July town meeting, one responsibility of the voters is to elect municipal officers (i.e. Selectmen) and Board of Island Trustee representatives to the Executive Committee. This year, however, the election of municipal officers will be unique in that we will be voting on candidates for all three selectmen's positions and 2 of the 4 Board of Island Trustee representatives to the Executive Committee. Many times I have heard concerns about how the Town's affairs are managed. This is your chance to make a difference by running for one of these vacant positions. I have included excerpts from the Charter that pertain to these officials.

Section 1. Composition, Eligibility, Election. There shall be a Board of Selectmen of three members nominated and elected at large by the Voters of the Town. The eligibility for service on the Board of Selectmen shall be limited to Town of Frye Island Voters who shall remain a Voter during such service. No more than one person from an immediate family shall serve on the Board of Selectmen. Election to the Board of Selectmen shall be filled by election using written ballot at the Annual Town Meeting; all positions can be listed on a single ballot. Candidates should give notice at least 14 days before the Annual Town Meeting (allowing a candidate's name to be included on the Warrant). The winner of the election shall be the individual with the largest number of votes; no majority of votes cast is required for election; in the case of a tie, the individuals involved with the tie will be asked if one or more will withdraw to eliminate the tie, otherwise, another election will be held as soon as possible. No absentee ballots will be permitted.

Board of Island Trustees Eligibility for Membership. He or she must be a citizen of the United States, at least 18 years of age, and an owner or a spouse of an owner of real property located within the Town of Frye Island with a fixed home currently occupied by the person, maximum two people per fixed home.

Executive Committee. Executive Committee of the Board of Island Trustees (referred to as Executive Committee in this Charter) shall be composed of seven members; the three Selectmen are automatic members and the other four are elected by the Board of Island Trustees. The Executive Committee shall elect from its members a Chairman, a Secretary and any other positions it deems necessary. Elections to the Executive Committee shall be for staggered three year terms by written ballot. Each position with a different term shall be a separate position so indicated at the time of the election; multiple positions can be on a single ballot. The winner of the election shall be the individual with the largest number of votes; no majority of votes cast is needed for election; in the case of a tie, the individuals involved with the tie will be asked if one or more will withdraw to eliminate the tie; otherwise, another election will be held as soon as possible. Candidates shall give notice to the Town Office at least 14 days before the Annual Meeting of the Board of Island Trustees or nominations can be made from the floor at that Annual Meeting.

The following positions will be open at this year's election:

- Selectman – one-one year term
- Selectman – one-two year term
- Selectman – one three year term
- BIT/EC representative – two three year terms

If you are interested in running for any of these positions please submit a short, one paragraph biography to the office. I would like to publish this information in upcoming FINS so that Islander voters will get some information on the Candidates before the elections.

Taxes: Just a reminder that the second half of the 2005 tax payments are due on June 30th so you have about a month to submit them.

Beaver: The beaver are again raising havoc at both Quail Circle and the Long Beach Marina. We have discussed this problem with the local game warden and have received permission to hire a trapper to "live trap" them and move them to another location. The traps have now been set and a new home has been found; a farmer would like them to dam a small brook on his property. All that's left is to catch the little critters.

Police Activity: No report this weekend.

Have a safe and sunny weekend!
Wayne

TOWN OFFICE CHANGE OF HOURS
EFFECTIVE IMMEDIATELY

The Office will close on Saturdays from Noon to 12:30pm for lunch break. Please note that multiple transactions and registrations take time. Please schedule these before 11:45am and 2:45pm. Always bring your proof of insurance when registering your motor vehicle and your previous registration.

HELP WANTED

We are looking for an individual to perform general labor at the Golf Course. You must be at least 18 years of age and willing to work 35 – 40 hours per week. If interested, call the office at 655-4551 and leave your name and phone number.

Sebago Lake Levels

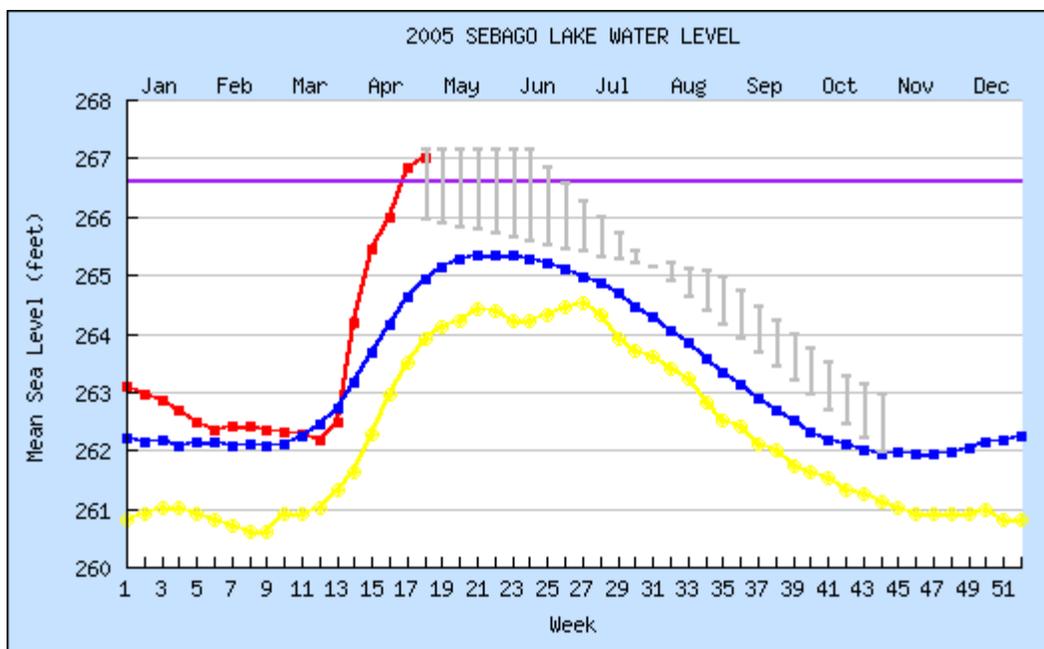

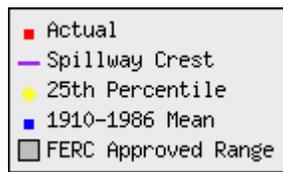

Below is a copy of information from the Portland Water District website detailing the water level in Sebago Lake; the link to find that page is on the pull-down menu on the Frye Island homepage, look under “About Frye Island”, “Lake Levels”, then “PWD”.

On the information below, take particular notice of the gray vertical bars. Those bars indicate the approved water level range for the May-October period. When PWD updates their graph, you will find how much the water level exceeded the recommended maximum in May.

Sebago Lake Water Level

S. D. Warren, a subsidiary of SAPPI, owns Eel Weir Dam which is stationed at the outlet of Sebago Lake and the headwaters of the Presumpscot River. They have controlled the outflow of Sebago Lake and the lake level since 1875, and have a Federal Energy Regulation Commission (FERC) license to do so.

To view Sebago Lake (Maine) water level data compared to historical water level information, select a year between 1989 and 2005. You may view the water levels in either graphical or tabular form.

\$4.00 Chicken Wings

Complimentary Popcorn

**SATELITE on our NEW 42" PLASMA
T.V. for your viewing pleasure**

2005 FIREWORKS

PLEASE make a tax free contribution of \$25 or more for this most popular patriotic event. Unfortunately, the July fourth fireworks did not make it past the budget cutting process so we must raise the funds. Your donation is tax deductible and can be made out to The Town of Frye Island with a notation that it is for the fireworks. Boaters and patriots show your colors - red, white, and blue!

by Ian McEwan |
| August 29 | THE ISLAND AT THE CENTER OF THE WORLD
by Russell Shorto |

7:30 PM. at the Community Center Library
All are welcome

A NOTE FROM CENTRAL MAINE POWER

Interruption of Service: The interruption will take place on June 7, 2005 between the hours of 9:00 am and 12:00 pm. The rain date is June 8 between the hours of 9:00 am and 12:00 pm. This will ensure the safety of crews moving a house on Frye Island. Most likely only the shorefront lots between 263 to 1993 will be affected. We'll complete the work as quickly as possible to minimize the inconvenience for you. If you have any questions, please contact Scott Miller, Line Supervisor at 1-800-565-0121, ext. 222-5105. Thank you for your patience.

A NOTE FROM THE RECREATION COMMISSION

The Rec Commission had their first meeting of the year and we are busy planning some new and familiar activities. We are pleased to announce that Nicole Wagner will be returning as Recreation Director and will be opening the Community Center beginning the week of June 20.

The Recreation Commission is looking for someone to run the Annual Labor Day Dinner Dance which will not happen unless someone steps forward. Also we are looking for talent and assistance for the Variety Show this summer. In addition we are looking for ideas for Adult Education and we are wondering if someone on the island would be interested in leading us in an evening of star gazing. Please send your ideas to Annie Charrette: anniecharrette@yahoo.com. Thank you.

REMINDER: If you or your organization wishes to use any room in the Community Center, you must fill out an application. There is no charge for town sponsored organizations. This helps prevent double bookings and allows the office to have official information when inquiries are made. Thanks in advance for your cooperation.

Frye Island Garden Club

The Garden Club plant sale held on Saturday was a high success. The money raised will be used to purchase and install Rugosa roses to beautify the island side of the ferry landing.

A hearty thank you to all the people who donated baked goods, also to those who made craft items, to the many loyal workers, to those who withstood the rain to make plant selections and to those who worked behind the scenes and our many loyal buyers. It takes many people to make this sale a success. We also wish to thank the SUN for its rare appearance.

Winners of the raffle were: Bird house, Maria Stevens; Trivet basket, Nancy Perry and the Planter, Natalie Oxman.

Garden Club meetings are the first and third Saturdays of the month at 9am at the Community Center. Our next meeting will be June 4th. We will meet at the CC for a short meeting and then tidy up the plantings at the CC and ferry landing. This is done amid much chatting and humor. Please bring along garden tools.

The following meeting will be held June 25 (rather than the 18th). At this meeting, we will be making memento stepping stones with items of your choice (which you supply) such as shells, sea glass, fossils, etc. So plan ahead.

Meetings are open to all and we encourage new members. Membership is free.

BOAT BUILDING and RACING CONTEST

For the 3rd year in a row, Frye Island families will have a chance to show their boat designing, building and racing skills when they enter the 3rd of July contest at Recreation Beach.

Open to residents of Frye Island and their extended families – at least one of the boat builders must be a child 16 years of age or under.

Hancock Lumber and Red Mill are among the lumber companies who will provide the materials. Each team will receive the same materials:

- 2 sheets of ¼ inch lauan plywood, 4' x 2'
- 4 8 foot long 2 x 4's
- 1 pound 3 penny galvanized nails
- 4 tubes construction adhesive

Only these materials can be used to build the boat. Your own paint or decorations (or cloth if you make a sailboat) may be added.

Teams may pick up their supplies on the Island on Saturday, June 25 at the old firebarn next to the Post Office. The finished boats will be judged July 3 and families will race their boats after the judging. Judges will make awards for such things as best construction, originality, painting, creativity, sleekness, patriotism, etc. Every team is a winner!!!!

Tentative schedule for the Sunday, July 3rd event:

1 PM Judging of boats at Recreation Beach
Official picture taking of family teams with their boats

1:30 Start of races

- RACE 1 1 adult, 1 child – Each boat races individually and is timed
- RACE 2 2 adults – Each boat races individually and is timed
- RACE 3 2 children – Each boat races individually and is timed
- RACE 4 1 adult, 1 child, maneuverability, individually, timed
- RACE 5 2 adults, maneuverability, individually, timed
- RACE 6 2 children, maneuverability, individually, timed
- RACE 7 FREE FOR ALL – NO JUDGING

PARADE OF BOATS – Families who entered the contest in 2003 and 2004 are invited to bring their boats and join in this parade of boats with the 2005 families.

For register form, call Mary Deming, 655-4133. \$30 fee required with form. \$25 will be returned when you present your boat July 3rd for judging.

SUNDAY JUNE 12 – DEADLINE FOR REGISTERING.

**Town of Frye Island
Public Works
Transfer Station**

In order to insure we comply with “*Universal Waste Disposal Procedure*” – we must control access to the Transfer Station. Starting this season the Transfer Station gates will be fully closed and locked when the Transfer Station is not attended. If you are inside the Transfer Station when the gates are locked and the attendant is not present you are TRESSPASSING. Also if you leave trash or other items in front of the gate or over the gate you are LITTERING (of which, if caught is a minimal fine of \$100.00).

Fees will be charged for some items. Bagged household trash and sorted recyclables may be deposited at no charge. To deposit all other items you must display a current resident sticker on the vehicle transporting the disposable items to the transfer station. Only property owners in good standing will be issued these stickers.

All fees and operating rules were approved by the 2004 October Town Meeting after several public hearings. A disposal fee must be paid for these items before they can be off-loaded at the transfer station. As a reminder, the approved fee schedule has been printed with this news. Transfer station hours of operation are as follows.

Low season operating hours;

Saturdays 10am to 3pm

Sundays 12 noon to 5pm

Holiday weekends, closed Sundays, open Monday, 8am to 12 noon

If you need access to the Transfer Station Monday through Friday (between 8am to 3pm) Please call the Public Works Garage at 655-7493 or the office at 655-4551 for an appointment. (Advance notice is greatly appreciated.) We will need your name and island phone number.

Thank you,
Your Public Works Department

Note: There is no longer curbside trash pickup. For those interested in hiring a private source, the “Trashy Women,” (who previously picked up trash curbside) would be interested. They can be reached at 998-3128.

THANK YOU – THANK YOU - THANK YOU

Thank you to Paul Lyons for another delicious (sold out) dinner. Also thank you to Joe Braga and Jim Kuiken for their help on the grill. Thank you to Lorraine Lyons, Margaret Miner, Sue Nisula, and Rose Braga for preparing the rest of the meal as well as setting up and cleaning up.

Thank you Margaret Miner for planting all the flowers in the window boxes and planters at the clubhouse. Your flowers are always beautiful.

Thank you Janet Hill and Vic Solimini for the yummy fudge and desserts you brought to the dinner.

THANK YOU – THANK YOU - THANK YOU

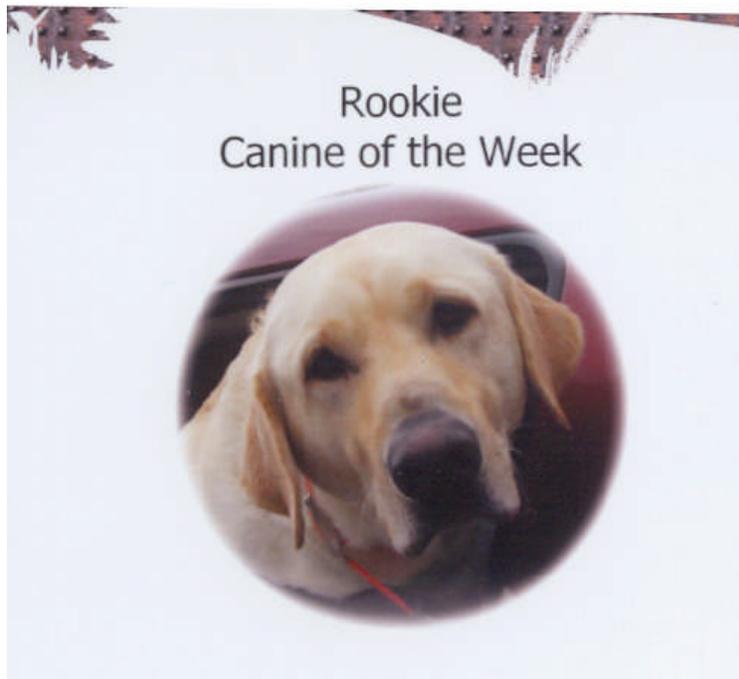

Ferry News

We hope you all had a happy Memorial Day weekend. Over all it was safe and smooth for the Ferry System. We had a couple of close calls with people on cell phones, this has been an ongoing concern for the administration and crew because it is SO HAZARDOUS. Please be respectful of the ferry crew and other passengers and avoid getting tied up on your phone until you get to your destination. We WILL NOT load / unload you as long as you are on your cell and people who ignore directions from the Captain / Mate will be considered driving to endanger and will be reported to the police. We are serious about safety – yours and ours. Thanks for doing your part. The other concern is people speeding on the access road and then charging the stopline in an attempt to board the ferry. This is not only very dangerous, but also everyone must be checked in by a ticket agent before boarding. Our ferry has the fastest turnaround time of any ferry system and waiting is a fact of life on an island. Relax and you'll be on your way before you know it.

Thank you to Mark Manning for the sodas for the crew and the Garden Club for all the cookies. We appreciate everyone's thoughtfulness.

Have a happy week!
The Ferry Crew

"Rookie"

Spotlight on the Ferry

Captain Ross Graham

Here we are, another year working for the Frye Island Ferry System. I started in 1991 as a Mate and then made Captain. I have seen a lot of people come and go. I enjoy seeing the people of Frye Island every new season. I will be celebrating my 40th year Class Reunion from Bridgton High School this August. I was able to travel while in the U.S. Coast Guard. Boston, Cape Cod, Newfoundland, Alaska, Hawaii, Maine, Cuba, England, Spain, Florida, and some I don't remember. Also while in Boston, my paths crossed with Captain Bill Mulkern who was also in the Coast Guard at the time. I still work at Shawnee Peak in the winter, with Jim Wolf, Charlie Scribner, and Karyl Langill. I still enjoy gardening and am still married to Patti - my incredible wife.

FRYE ISLAND CHAPEL

Weekly Non-Denominational Religious services are held at the Community Center every Sunday Morning from 9:00 am to 9:30 am. ALL ARE WELCOME! Dress is casual.

Guest Chaplain: Rev. Richard Petersen

Season: Sunday May 29th through Sunday October 9th, 2005.

NEED GOLF LESSONS

Ron Vaillancourt, PGA Golf Professional, will be giving golf lessons on Monday and Tuesday mornings here at the Golf Course.

Ron is a resident here on Frye Island and has been a Golf Professional for over 35 years. His specialties are as a teaching pro.

Lessons will be by appointment. Call 655-2313.

Rates: ½ hr lesson \$35.00

1 hr lesson \$60.00

LADIES OF THE LAKE LUNCHEON
