## **Island Manager's Comments**

Greetings Everyone:

It's been a quiet week on the Island, so there's not much to report.

I do want to note, however, that a Board of Selectman/Executive Committee Meeting will be held at 9 AM this Saturday at the Community Center. This is a public meeting and open to any comments or concerns regarding the budget or other Town issues.

## **Office Clerk**

I regret to announce that Nancy McEnaney has accepted a new position as a secretary in the Gorham Maine School System. We thank her for her contribution to Frye Island and wish her the very best in this new position. Nancy will be leaving on Friday August 19.

Now we need to find a replacement. We are considering trying to accomplish this as a seasonal position. If there is an Islander that would be interested in training for this position or if you know of anyone that might be interested, please let us know. As a minimum we need someone to assist us for the remainder of the season. See "Office Help Wanted," below, for details.

Have a safe and sunny weekend!

*Wayne*

## **Office Help Wanted**

The Town of Frye Island is seeking Seasonal Office Help. Applicants must be proficient in Microsoft Word, Excel and be willing to learn new software. Hours are Tuesday through Saturday. We seek someone with excellent organizational skills, as well as good judgment who is detail- and customer service-oriented. Send resumes to Town Manager, 1 Sunset Road, Frye Island, ME 04071 or email [office@fryeisland.com](mailto:office@fryeisland.com).

The Town of Frye Island is an Equal Opportunity Employer.

## **Public Works Notices**

The DPW would like to remind all Islanders that there is a \$100 fine for leaving trash in beach barrels or at the gates to the Transfer Station. One individual has been caught and the fine is forthcoming.

As part of the water system work, the Public Works Department will be visiting every cottage to locate each water valve and identify it with a blue painted stake. Please do not disturb these stakes once they are in place.

In addition, Portland Water District has donated oil/gas spill kits for the Marina. They will be chained at two gangways for emergency use only. **Please do not tamper with or disturb these kits.**

## **Making Frye Island Proud**

The Fire Department would like to thank Andrew Blunt (8), Allison Blunt (10), Cara Lutz (8), and Jennifer Lutz (11) for donating the August 11 (a very hot day) proceeds from their lemonade stand to Frye Island Fire Department.

The funds raised will be used to help purchase pediatric defibrillator pads at their request for rescue equipment. It is very refreshing to find youngsters who are understanding and respectful of the efforts and dedication of the Frye Island Volunteer Fire Department. Thanks also to all who contributed.

## **Goodbye from Nancy**

As you know, I am moving on to a job with the Gorham School System. I have enjoyed my time here working for the Town of Frye Island and will miss all the great people I have worked with, as well as the ones I have met through my job. I wish you all well. Have a great end of summer!!!

*Nancy McEnaney*

"the doughnut man") for the doughnuts; and the Meserveys for the lemonade Coolatas for the crew. We appreciate your thoughtfulness.

## Spotlight on the Ferry: Tim Norwood

Hi, my name is Tim. As a Windham native, I grew up boating, fishing, swimming, skiing, and snowmobiling on Sebago Lake. When I'm not slinging chains, chocks, and cables on the Frye Island ferry, I work as a dispatcher, the 'radio voice' of Downeast Energy. My third job is lighting up the sky with fireworks shows as a pyrotechnician for PDK Pyro.

My true passions in life are alpine skiing - the steeper and deeper the better - and my 10-year old Springer Spaniel 'stunt dog,' Mudslide, who swims and dives much better than I do, although he hasn't quite mastered driving the boat yet. Maybe next year...

# ***Growth Management Ordinance Questionnaire***

---

August 2005

The Town of Frye Island Land Use Ordinance, Chapter 101, Article V – Growth Management Ordinance, Section 10. Review Procedure, requires this ordinance to be reviewed by the Board of Selectmen to assess the efficacy of the ordinance. Results from this questionnaire will be used by the Board of Selectmen in determining the need for amendments to the ordinance.

- 1. Do you believe there is a need for a limit on new dwelling units? Please explain.**
  
  
  
  
  
  
  
  
  
  
- 2. Have the building limitations affected you? If so, how?**
  
  
  
  
  
  
  
  
  
  
- 3. Based on your experience with the ordinance, can you recommend any changes?**
  
  
  
  
  
  
  
  
  
  
- 4. Currently there are 120 lot owners on a waiting list for a building permit. 15 building permits are issued from the list each year. Some lot owners have experienced hardship by being forced to build before they are ready. Do you feel this is fair? If not, can you suggest a better way?**
  
  
  
  
  
  
  
  
  
  
- 5. The ferry, roads, and water system are just a few parts of the Island infrastructure that have been cited by the ordinance as reasons for the limited building. Can you suggest solutions that will help protect the rights of all lot owners?**

Please submit responses to Paul White by email ([pwhite@fryeisland.com](mailto:pwhite@fryeisland.com)), by fax (655-3422) or by mail (Code Enforcement Officer, 1 Sunset Rd., Frye Island, Me. 04071) before September 1, 2005.

## **Women Golfers – What's the Best You Can Score?**

Did you ever walk off the course with what you thought was a pretty good game, but felt that the score didn't reflect your play because you lost your ball in the second hole pond? The next round had you scoring incredibly well on the second, but your putting was off on some other holes? What could your best possible score be on this course?

Here's a chance to find that out: just sign up for the Women's Ringer Box, and a chart will be updated with the best score for each hole, thus providing you a "best possible total" score. See the sign-up chart on the glass sliding door in the clubhouse. Let's all put in \$3.00 so we can award the winner at the end of the season luncheon. Scorecards will be picked up in the Women's Ringer Box each Sunday after the scramble and new Scoring Chart will be posted each Sunday evening. Questions. ...call Laura Davis (655-7267)
