Town News

Island Manager's Comments

Greetings Everyone,

If this is the first visit to the Island this year, welcome back. Some of the information in these comments is repeated from previous FINS for the benefit of those who haven't been here this year.

Long Beach Marina & Quail Circle Canal: The docks at the Long Beach Marina have been installed. We have also reassigned some of the slips which are posted at the Marina and on our website. Both Long Beach Marina and Quail Circle are full and we have waiting lists for both sites so if you do not plan to renew your rental slip, please call the office so that we can reassign your slip to someone on the waiting list. The fees for 2006 are as follows:

- Marina Equity Slips \$225.00
- Marina Rental \$900.00 *
- Quail Circle \$200.00

*Slips 63, 65, 67, 69, 71 & 73 at Long Beach Marina are extra wide slips and will be charged an additional \$100.00 annual rental fee in accordance with the approved Yacht Club Policy.

Remember that your Yacht Club fees must be paid by the time the office closes on Wednesday May 31st or you could lose your spot.

If you are installing a dock at Quail Circle, please make sure you install it correctly so that it doesn't infringe upon your neighbors space.

Lake Levels: The recent rains have certainly been excessive for many people but it has been beneficial for the lake. The level has increased from an abnormally low level, for this time of year, of 263ft, 9 inches to a level of 265 ft, 10 1/2 inch. On May 19th last year, the lake level was at an elevation of 266 ft, 3 inches. The higher level now should make things a little better in the fall.

Ferry: We had a near miss on the ferry last week when the driver of a box truck inadvertently had his truck in reverse when he was supposed to be leaving the ferry. He wound up backing into a CMP pick-up truck. Luckily, he responded to the situation quickly enough to minimize the damage to the pick-up. However, it reinforces the need to pay attention when driving on and off the ferry. The box truck could have easily pushed the pick-up right off the ferry had the driver not responded as quickly as he did.

Golf Cart Safety: The State of Maine requires that a person must have a valid driver's license to drive a golf cart on Frye Island. The fact that an individual has a valid drivers license indicated that the driver has had some safety training and should be responsible enough to drive. A lot of Islanders are quite upset with this but it is the law and we will enforce it. A news story that I heard this week from the State of Michigan reinforces the need. It's reported that a 9 year old was driving a golf cart and ran into a 75 year old woman. The woman died and now the father of the child is being prosecuted for allowing the 9 year old to drive the golf cart. Let's all learn something from this tragic event and act responsibly enough to prevent a similar tragedy on Frye Island.

Fire Works: We have confirmed with the Pyrotechnics Company that Saturday July 1st will be the date for the Frye Island Fireworks Display. This is a non-budgeted event so we need your donations to make it happen. Many Islanders are donating to the fire works display in memory of Don Nolen a long time resident, volunteer fire fighter, and employee of Frye Island who passed away last fall. If you would like to donate in Don's name, please let the office know when you make your donation. A bench at the Fire Station will be dedicated in Don's memory during the 4th of July activities.

SAD #6: We have initiated a law suit in the Superior Court for Cumberland County challenging the constitutionality of the legislative action that denies the Town of Frye Island the opportunity to withdraw from a school district; a right that all other communities in Maine have as defined by the State Constitution. In addition, we challenge the exemption applied by legislative action that prevents the Town of Frye Island from using the student population as part of the formula for determining the amount of taxes to be paid to support education. **The Town has stated on many occasions, including at the last town meeting, that it is not the intention of this law suit to NOT pay toward the education of Maine students, but only to be treated as all other communities in the State are.** SAD 6 has filed a motion to intervene in this law suit even though our complaint is with the State of Maine. The court has agreed to allow their intervention. Our attorneys are now preparing documents for the Court.

I have received the school tax allocation for the 2006 / 2007 fiscal year from SAD 6. Frye Island's State valuation increased from \$69,200,000 in 2004 to \$90,600,000 in 2005. This will result in an increase in our local share of the school tax from 4.22% to 4.80% which in turn results in an increase of \$82, 466.38. This means that our school tax bill for 2006 / 2007 will increase from \$735,719 to \$818,185.

If this isn't bad enough, we already know that the State valuation for next year is over \$111,000,000. Very basically, the State valuation is based on the "fair market value" of Improved property (property with a dwelling) and is determined by an audit of the selling price of improved property sold on the Island during the selling period which is usually from July 1st of one year to June 30th of the next. With a similar school budget in 2007 / 2008, our school tax bill could be almost \$1,000,000.

Public Hearings: Don't forget, the first of two public hearing to discuss the future of the Growth Management Ordinance will be held this Saturday May 27th, at 9:00 AM at the Community Center. The second will be held on Saturday June 17th, same time and place. It seems the options being discussed are:

- to modify the way the process is administered from an ever increasing waiting list to some type of an annual lottery,
- to issue a certain number each year on a first come first served basis,
- or to rescind the ordinance all together. If you have an opinion and would like to comment please attend the meeting.

If you are unable to attend either of these meetings, drop me an e-mail at wfourmier@fryeisland.com and I will see that the Board gets your comments.

There will also be a public hearing / presentation of the SAD #6 budget on Saturday May 27th at 11:00 AM in the Administration Building.

Voting: There will be a state-wide Primary Election on Tuesday June 13th. The Frye Island polls will be open from 10:00 AM until 8:00 PM at the Community Center. There will also be a vote at the same time on the SAD #6 budget. All Frye Island registered voters will be able to vote on the SAD 6 budget. In addition, all registered voters enrolled in the Democratic Party, the Republican Party, or the Green / Independent party will be able to vote for candidates in their respective parties. Sample ballots are posted at the Administration Office for your review. If you have any questions on the School or the Primary elections please call the office. Absentee ballots are now available in the office.

We also need volunteers to help at the polls during the day on the 13th and to count ballots after the polls close. If you would like to help out please call the office for more details and to sign up.

Taxes: We are approaching that time of year again when the second half of the taxes are due. You have until June 30th to pay before interest starts accruing. I realize that it is still a bit early but if I start reminding you now, maybe you won't forget.

Last but not least, I am pleased to announce that Paul White will be working for the Town full time beginning after the Memorial Day weekend. Many of you may know Paul as he has served as our Code Enforcement Officer, Building Inspector, and Local Plumbing Inspector on a part time basis for the past couple of years. In addition to performing these same duties, Paul is also going to serve as our Assessors Agent until he becomes certified at which time he will become our assessor replacing Richard Main who resigned this winter. Needless to say, Paul will be wearing many hats for us. I am sure everyone will give him all the cooperation he needs to be successful in these positions.

Thanks, and have a safe week!

Wayne

Handicap Parking

We now have a designated handicap parking spot located directly in front of the town office bulletin board.

Planning Board News

The Planning Board must update the Town's Comprehensive Plan, this year. The sections to be worked on include (in no particular order): Resident survey, Housing, Land Use, Water, Economics, Fiscal Capacity, Facilities and Services, Fire, Rescue, Police, Disaster and Emergency Planning, Recreation, Agriculture and Forestry, and Transportation. Please let any member of the Planning Board (or the office) know if you are available and interested in working in any of these areas. Although surrounding Towns have hired consultants (at \$30,000 - \$50,000) to do this, ours was done completely by volunteers. This is a separate committee, appointed by the Planning Board. Please volunteer.

The Planning Board needs one more member. Please let me or any member of the Planning Board (or the office) know, if you are interested. The BIT Executive Committee, which does the appointing, is developing a form to be filled out by interested parties.

The next Planning Board meeting will be June 10, at 8:30 am in the Community Center. The public is urged to attend.

Thanks, Marge Hommel, Chair, Town of Frye Island Planning Board

Frye Island Ferry Service

Please pick up a new 2006-ferry schedule at the office or the ferry trailer, and note any changes. Also, remember that the second ferry LEAVES THE ISLAND at 7 am Monday through Friday.

WE WANT YOUR INPUT

Please direct any ferry complaints, suggestions or compliments to John Crosby at 655-7493 or at fidpw@pivot.net

Ferry Tickets

We have been asking all our residents to please include on the back portion of your tickets (the section the cashier collects) – Property Owner Name and Lot #.

VOLUNTEERS WANTED

The ferry service is looking for a few good islanders to work as deck crew, boat captains or captains in training. Earn valuable ferry passes while helping your community. If interested call John Crosby at 655-7493 or email at fidpw@pivot.net

Are You On Time?

Did you miss the boat by seconds? Don't get mad, check the outside clock on the end of the ferry trailer, the ferry service strives to be an "on time" service and departs according to the "radio controlled" clock on the trailer. If the ferry is still within the slipway and the boat deck can accept an additional vehicle, without rearranging said vehicles, the captain will return to load you (this does not apply when two boats are running).

Contractors

The ferry will allow commercial vehicles to use the ferry during pre and post season weekends, (with some restrictions). Please get a new ferry schedule that lists these restrictions.

Remember that concrete trucks and oversize loads need to have prior clearance or they must wait until they can be transported without "bumping off of the ferry a property owner". Call the office to make arrangements.

Let us have a great season and thanks for your anticipated cooperation

Fire Department

Open Burning Law

The State of Maine requires a permit for all open burning.

In the more rural areas of Northern Maine permits may be obtained at the local Maine Forest Ranger Headquarters or at the ranger's residence. In areas of Maine that are not so rural, permits are obtained at the residence of the fire warden or at the municipal facility.

Here on Frye Island, permits are obtained at the Fire Warden or Assistant Fire Warden's residence.

Nothing shall prohibit a municipality from adopting ordinances specifying stricter criteria than the State's open burning laws for out-of-door fires.

THERE IS NO OPEN BURNING PERMITTED ON FRYE ISLAND.

Only permits for warming or cooking are issued provided that an adequate weather advisory has been dispatched to us from the state and that additional guidelines are met.

There are no other types of open burning allowed, including campfires or bonfires either on private or public property.

The state issues what is referred to as a Class Day on a daily basis. Class Days are assigned by number depending on the moisture in the fuels on the ground, the amount of moisture we have received, wind conditions, and general weather conditions.

Class Days are grouped into five (5) categories.

Class 1 is when there is very little potential danger.

Class 2 is when there is some danger.

Class 3 is when there is danger present.

Class 4 is when there is moderate danger.

Class 5 is when there is extreme danger of fire threat.

The issuing of any permit or permission for allowable burning depends on the following criteria:

Forest fire danger (Class Day)

Time of day and season of the year

Temperature, humidity, wind speed and direction

Type of burning proposed

The length of burning period

The presence or availability of sufficient force and equipment to control the burning

Experience and capability of the permittee in the safe use and control of the burning

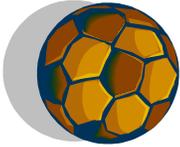

If a permit is issued, the burning must be conducted according to the terms and conditions of the permit and may not create a nuisance.

Any person who engages in out-of-door burning in violation of this article, or who fails to comply with any stated permit condition or restriction commits a Class E crime. In addition, if the State proves that while in violation that person's out-of-door fire resulted in fire suppression costs to municipal or State Government, the court, as part of any sentence imposed, may order restitution to be paid to the government entities incurring the suppression costs.

When bringing an action under this article, the State shall, to the fullest extent permitted by law, seek restitution of fire suppression costs incurred by state government entities relating to the violation.

Please remember that if you are issued a permit, you are responsible for the fire and the proper extinguishment of the fire when you are done. Do not leave a fire unattended or let the fire burn itself out.

If you have any questions concerning open burning and permitting for out-of-door fires in the Town of Frye Island, please contact the Town Fire Warden/Fire Chief Stephen Persson or Captain Paul Bourque.

Delicious baked goods

Yes folks - it's that time again!!! Time for our annual Memorial Day weekend plant sale!!! We hope to make this the biggest and best one yet.

Also, if you have any wonderful items for us to raffle - it would be greatly appreciated. So far, our list for raffle includes a gothic cathedral birdhouse, which can be seen at the office. We also have a \$25.00 gift certificate from Plainview farms and assorted other "goodies" so, come on down!!!

Plants can be dropped off on Friday afternoon or after 8:00 am on Saturday. Please label with name and growing conditions.

Baked goods can be dropped off on Saturday morning after 8:00 am.

Frye Island Chapel

2006 SEASON: 5-28-06 THROUGH 10-08-06

Chaplains for the 2006 season are:

Rev. Richard Petersen, Phd. and Rev. Ted Ekholm

Weekly non-denominational religious services are held at the Community Center every Sunday from 9:00 to 9:30 AM through October. All are welcome! Dress is casual.

SUNDAY MASS SCHEDULE BEGINS

We will begin the Sunday Mass schedule earlier this year. BUT, Father John tells me he has been transferred to Utica, NY and may be leaving as soon as the second week in July. However, he is hoping he can hold off moving until the end of the summer! We will have to wait and see what happens. As of now, he said he will come to the Island for Mass on the following Sundays. Beginning Memorial Day Weekend: Sunday, May 28th June 4th (NO MASS)

June 11th, June 18th, June 25th and July 2nd. All these Masses will be at 5:00 PM each Sunday at the

Community Center Chapel.

We look forward to seeing you there!

Boat Building and Racing Contest

This is the 4th year!!! Frye Island families will again have a chance to show their boat designing, building and racing skills when they enter the 2006 4th of July contest at Recreation Beach.

Open to residents of Frye Island and their extended families – At least one of the boat builders must be a child 16 years of age or under.

Hancock Lumber and Red Mill are among the lumber companies who will provide the materials. Each team will receive the same materials:

- 2 sheets of ¼ inch lauan plywood, 4' x 8'
- 4 8 foot long 2 x 4's
- 1 pound 3 penny galvanized nails
- 4 tubes construction adhesive

Only these materials can be used to build the boat. Your own paint or decorations (or cloth if you make a sailboat) may be added.

Teams may pick up their supplies on the Island on Saturday, June 24 at the old fire barn next to the Post Office. The finished boats will be judged a week later and families will race their boats after the judging. Judges will make awards for such things as best construction, originality, painting, creativity, sleekness, patriotism, etc. Every team is a winner!!!

For a registration form, call Mary Deming, 655-4133. A \$30 fee is required when registering with the form. \$25 will be returned when you enter your boat on the 4th of July weekend for judging and the race.

New this Year! Tony Torra, contractor and winner, with his son, of the construction award and speed races in the 2005 contest, has offered to teach a boat building seminar. June 24. All families registered are welcome to attend and pick up some pointers from Tony.

Teams will be accepted in the order they are registered.

SUNDAY, JUNE 11 - Deadline For Registering
