Island Manager's Comments

Greetings Everyone,

Referendum Election: This will be the final notice for the SAD 6 referendum election. This vote will be held on Tuesday July 24th at the Community Center. The polls will open at 10:00 AM and close at 8:00 PM. Absentee ballots are available in the office for those registered voters that are unable to get to the polls in person.

Meetings: The following meetings have been scheduled:

- Planning Board, Saturday, July 21 @ 9:00 AM at the Community Center
- Board of Selectman / Executive Committee on Saturday, August 4th at 9:00 A.M. at the Community Center.

These meetings are open to the public.

Bingo: As I mentioned last week, we have applied to the State of Maine to reorganize Frye Islanders Corporation as the non-profit operator of Bingo. This was our best option as this was the organization that ran the program in the past. We were told that this process would take about a week (+/-). Then I will be able to re-apply for the BINGO license (Different State Department). Hopefully we will be able to get this going before the season runs out and our volunteers abandon ship. I have not yet received notification from the State.

Milfoil: There has been some milfoil identified at Quail Circle and also at the Long Beach Marina. We have a permit from the Department of Environmental Protection to remove it. The stipulation is that the removal has to be done by people certified by them to remove milfoil. Larry Pilotte, a certified diver, has been doing Frye Island for a number of years and will be here again this year to continue this project.

Marina: I have received a copy of the application that was submitted to the Department of Environmental Protection for dredging the inlet to the Long Beach Marina. This was done about 5 years ago with a "Permit by Rule" from the DEP. This year we were required to get a full permit and contracted with Main-Land Development Consultants, Inc. to prepare the permit application for us. Main-land did the initial work when the Marina was developed. The plan is to do the dredging after the Island closes in the fall when the water level is lower and the boats have been removed if we can wait that long. We would like to accomplish this with as little impact on the boaters as possible.

Transportation Committee: I have turned the Naval Architect loose to assist the Transportation Committee in their efforts to develop an acceptable plan for the long term operation of our ferry service. He will perform the following:

- Examine the ferry operation and the report prepared by the Transportation Committee
- Analyze the structure of the existing ferries and determine their useful life
- Identify possible changes to the existing vessels to improve safety and capacity.
- Investigate the cost and capacity of new vessels including a passenger ferry.

We will all be waiting anxiously for his report.

Fire Works: We have received a few more donations for the 4th of July fireworks display; however, we are still short by \$659.00 so if you haven't contributed, we will gladly accept your donations.

Water System: Last week I mentioned some of the deficiencies in the water system and I want to remind everyone that the Executive Committee passed an emergency policy at its meeting on Saturday July 7th restricting the hours for outside watering. The policy is as follows:

The watering of lawns, from the town water supply system, is only allowed between the hours of 10:00 PM and 05:00 AM. The washing of cars is limited to the hours between 10:00 AM and 02:00 PM.

Please help all of your fellow islanders by abiding by this new policy.

Walking Trails: A number of people have asked for maps of the walking trails. A map is available on the fryeisland.com website by going to Documents > Town Documents > Island Maps. You can print one of these maps for your use. We can also print one for you at the office if you do not have computer access on the Island.

Frye Island vs. the State of Maine: In case you missed it, the Cumberland County Superior Court has ruled in favor of the State and SAD 6. Our suit challenged the constitutionality of the legislative action that denies the Town of Frye Island the opportunity to withdraw from a school district; a right that all other communities in Maine have as defined by the State Constitution. In addition, we challenged the exemption applied by legislative action that prevents the Town of Frye Island from using the student population as part of the formula for determining the amount of taxes to be paid to support education. The Town has stated on many occasions that it is not the intention of this law suit to NOT pay toward the education of Maine students, but only to be treated as all other communities in the State are. This decision was not a total surprise. Our attorneys felt that it would probably take a decision from the Supreme Court to over rule the Legislature. The Board of Selectmen / Executive Committee voted to appeal this decision to the Supreme Court and our attorneys have done so. I will let you know as we proceed.

Have a safe and enjoyable week!

Wayne

Town Wide Assessment Review:

The review of all real property on the Island will take place during the months of July, August, September and part of October. The review will require access to the property for an exterior and interior analysis. To accomplish this task the plan is to divide the Island by Tax Maps. The Island has three tax maps (60, 61 and 62). You can identify your tax map by either checking the wall map in the Assessor's Office or by checking your tax bill. Property/Lots appearing on: Tax map 60 will be reviewed in July, Tax Map 61 will be reviewed in August, Tax Map 62 will be reviewed in September.

Each lot may not require an interior review, but in the event a review is necessary and not made a card will be left on the property, usually on the door knob. Contact information will be on the card. Otherwise feel free to call the Assessor's office and leave times that are good for you. If your property is rented please leave word with the renter for permitting access.

07/24/07 MSAD #6 REFERENDUM

On June 12, the District voters approved the total school budget of \$38,899,021 dollars. However, one funding article, Article 4, failed by 51 votes. The best explanation of this anomaly is the language of Article 4. (incidentally, it is the second time that the District finds itself in this predicament.) Therefore, the voters are asked to vote on Article 4 once more. To appreciate what Article 4 entails, allow me to place it in the context of the total budget.

(see table below)

Article 2: State/Local EPS Funding Allocation	\$19,687,658 – State Funds \$15,628,464 – Local Funds	Article passed on June 12 referendum
Article 3: Non-State Funded Debt Service	\$604,029 – Primarily bonds	Article passed on June 12 referendum
Article 4: Additional Local Funds	\$1,578,870 – Local Funds	Article failed on June 12 referendum by 51 votes
Carry Forward & Miscellaneous Revenue	\$1,400,000 – This is like Using Fund Balance in Municipal budgets.	Budget Committee and School Board voted to include this money to reduce the 07-08 tax burden
Article 5: Total School Budget Summary	\$38,899,021 – Sum of all Above numbers.	Article passed on June 12 referendum

What is exactly in Article 4?

Because State contributes only 95% of its share of EPS funding in 2007-2008, there is a shortfall of \$1,429,552 dollars. That is almost the whole amount of Article 4. The remaining \$129,318 dollars of Article 4 represent the needs of programs (e.g. transportation and student activities) not adequately covered by the EPS. Therefore, Article 4 funds are an essential part of the budget. The language problem, in my opinion, is that Article 2 speaks about “total” cost of education and Article 4, unfortunately, speaks about “additional” funds. (The state bureaucracy refuses to use simple English in referendum articles!) The Board reduced the Article 4 amount by \$20,000 by deferring some expenses. You are asked, therefore, to vote on the new amount of \$1,558,870 dollars. The future is now in your hands. If Article 4 passes this time, this would end the confusion. A negative vote would unnecessarily delay the work that has to be done in preparation for the next school year. In this case, the Board may decide to have a third referendum (referendums do cost money) or have a district budget meeting.

Kind regards,
Oleg Svetlichny, Lot 13

P.S. A copy of the Power Point presentation on Article 4, prepared by the Superintendent, is available for your perusal in the office. It contains many details that might be of interest to you.

Recreation Chairperson: Andrea Sansonetti

Garden Club

Another garden tour has been planned for the Garden Club's meeting on Saturday, July 28th. The tour will take place at the home of Rich and Denise Horne-Kaplan, 1624 Ridge Road. One of the special features of this charming garden is a solar powered fountain.

The work hour scheduled for July 18th had to be cancelled because of rain and will not be rescheduled for this month. However, President Nancy Perry requests that we individually find time to go to either the Community Center garden or the gardens at the ferry landing and weed the beds and dead-head the plants. Let's keep these gardens looking crisp and clean!

Evidence of deer damage on one of our Hosta plants reminded us that we were due for another spraying of BOBBEX. If you need to replenish your supply of BOBBEX, phone Claire, 655-7730.

YOGA Classes

Also, if you have any interest in a preteen/teen yoga class (Ages 11 and up), please call Amy.

THE PLACE IS NAMED!

The contest to name the area on Sunset Road drew 172 entries. Judges to choose the winner of the Sebago Gardens gift certificate were Ed Charrette, chair of the Conservation Commission, Nancy Perry, president of the Garden Club and Barbara Hannah, designer of the Community Center gardens and gardener extraordinaire. The name will be:

SMALL FRYE ISLAND. The judges liked the double meaning attached to the name -- a small island symbolic of the natural beauty of Frye Island and a place for children (small fry) to play and enjoy nature. There were two winners with identical entries: Susan Allison of Island Road and Nancy Savoie of Doreen Lane. Each will get a \$25 gift certificate for Sebago Gardens. The judges awarded an Honorable Mention to 11 year-old Abbey Hirsch who not only entered a name but accompanied it with a painting of the island. The name she submitted was Little Bridge Circle. She will receive a certificate for an ice-cream cone at Frye's Leap store. Congratulations to the winners and thanks to all of you who entered the contest. We hope all of you will enjoy Small Frye Island.
