Island Manager's Comments

Greetings Everyone,

Marina: For many years we have filled all of the rental slips in the Long Beach Marina and still had people on our waiting list. Last fall we contracted with Great Northern Docks to build 10 more standard boat slips and 5 smaller Jet Ski slips to accommodate those on the waiting list. These new slips were installed this spring. The intention was to allow as many Islanders as possible access to a boat slip. This year we have had a number of annual renewable renters give up their rental slips. I think the rising fuel costs is taking its toll. We have polled everyone on the waiting list and there were some who wished to stay on the list rather than rent at this time. Therefore, it appears as though we will have as many as 9 rental slips available. In addition, we will have 3 or 4 Jet Ski slips available. If any Islanders are interested in one of these rental slip please call the office.

Fuel Costs: The cost of ferry fuel continues to fluctuate and continues to be much above the \$2.75 that was budgeted. I have attached a graph showing our cost for fuel this season; and a chart showing budgeted and projected fuel usage and costs for your information.

Taxes: The second half of the 2008 property tax is due June 30th. Interest will start to accrue on July 1st for all unpaid taxes. In addition, in accordance with the charter, all delinquent property owners will be placed on the "not in good standing list" and will not be allowed to purchase or use discount ferry tickets.

Board Meeting: The next Board of Selectmen / Executive Committee meeting has been scheduled for 9 AM Saturday July 12th at the Community Center. The meeting previously scheduled for July 5th has been rescheduled because of the anniversary activities.

Administration Office: We have rearranged the space in the admin office to accommodate the Police Chief as well as the Code Officer and the Assessor. The Police Chief has taken the space previously occupied by the Code Officer and the Assessor. The Code Officer and the Assessor, both part time –seasonal positions will use new cubicles in the large space adjacent to the counter. We look forward to having these functions in a central location.

Have a safe week!

Wayne

Town of Frye Island Public Works Department – Transfer Station

Because of after hours illegal dumping inside and outside of the Transfer Station, the Public Works Department will be restricting after hours access to the transfer station.

Residents have been leaving televisions, computers, lawn chairs, used motor oil, paint, insecticides, tires, boat, automobile and jet ski batteries, wood, furniture etc. all so that they can avoid transfer station fees.

This illegal dumping is not fair to those taxpayers who go by the rules and pay their fair share. We all end up paying for your illegal dumping.

Starting this weekend (6-21-08) anyone caught inside the transfer station fence with anything other than bagged household trash shall be fined the maximum penalty allowed by state law.

The Public Works Department and the Frye Island Police Department will be aggressively monitoring the transfer station.

Failure to pay any fees or fines may affect you or your guests right to use or purchase discounted ferry tickets.

When the Transfer Station is closed, you may walk around the fence only with bagged household trash and deposit it in the back of the truck.

Need access during the week? Call ahead! Need help? Call ahead! Need to speak to me? I can be reached at Public Works (655-7493), Office (655-4551), and Ferry (655-4258)

Thank you,

John Crosby

CPR/AED

Fifteen Town employees from the Ferry, Public Works and the Golf Club have completed CPR and AED training.

The training was given by Frye Island Fire Chief Steve Persson.

Thanks, to Chief Persson for his time and expertise.

Thanks to the fifteen Town Employees who completed this training.

FISHER **(*Martes pennanti*)**

Description: The Fisher, or as it is sometimes called, Fisher Cat, is a big weasel. They average about three feet long, the tail is 13 to 16 inches long. They weigh as much as a big cat 5 to 12 pounds. The fisher is agile in trees and has a slender body that allows it to pursue prey into hollow trees or burrows in the ground.

Habitat: Fisher's live in the northern mountainous parts of North America. They prefer forested wilderness areas, although they will live near rural homes as well.

Diet: When dining out, Fishers choose a restaurant with a good selection of rabbits and porcupines. They will also hunt house cats and small dogs, so be careful letting your pets out if you live in a Fisher's habitat.

Reproduction: Breeding usually occurs in early spring a few days after parturition. Following a gestation of approximately 353 days, a litter of one to five (average three) young are born. Within a week the female has mated again. The extremely long gestation is accounted for by the fact that fishers experience delayed implantation. The fertilized egg will remain inactive for a period of ten to eleven months before development resumes.

Newborn young have very little fur covering them. The eyes open at about seven weeks of age. Young fishers remain in the den for about three months, after which they travel with the female until fall when the family breaks up. Fishers have lived 10 years in the wild.

Trivia: In the early 20th century, fishers were trapped almost to extinction. As a result, porcupine populations raged out of control and did considerable forest damage. Always remember that every animal serves a purpose. The Fisher doesn't really eat fish, it is named after the "fitch", or European pole cat.

Pool Information

The Pool is now open; the pool gates will be locked everyday at dusk.

Marina bathrooms will be locked everyday at dusk and re-opened at approximately 7:30 am.

Conservation Update

Kiosk: A new kiosk has been erected on Small Frye Island on the end near the old fire barn and store. Only Conservation related material will be posted there. We want to thank our Public Works Dept., and especially Harry Holgersen, for the fine wood workmanship. A few items have already been posted.

Animal sightings: There were at least two alleged sightings of a black bear a few weeks ago but none lately. About fourteen fox have been seen including a mother and four little fuzzy "puppies".

The number of mice and squirrels seem to be much decreased, perhaps due to the increase in the fox population. There are the usual deer roaming around including a group of three. A brave grouse followed me closely, about 10-15 feet away, when I was clearing a trail near the golf course. If you see any interesting animals on the Island, other than humans, please notify me at ed02420@lycos.com.

Trails: Many, but not all, trails have been cleared of limbs, branches and leaves. Thanks to Andy Lapati and Bill Keup for helping to do the cleanup. The remainder of the trails will be cleared and a work-day is planned to connect two key trails on the undeveloped part of the golf course. Unfortunately, the clearing for the golf driving range obliterated one of the best trail links. The surrounding trails remain intact.

Guided walks: As in previous years, trail, bird and nature walks will be offered for those who are interested. Young children seem to really enjoy the trail and nature walks along with adults of all ages.

Ed Charrette

Thank you from the Marina Committee

The Marina Committee would like to thank the following individuals for their participation in the Quail Circle Marina Clean up Day on June 14th.

It was a lot of work for a small crew.

Thanks go to John Musorofiti, Kevin Musorofiti, Dick Welter, Larry Levesque, Tony Kurgan, Dave Bond, Fred Brownstein, his daughter Bryner, and grandson Andrew, and Peter Kurgan.

Special thanks to John Crosby and Eric from DPW for providing the necessary equipment and operator for the project.

Appreciation also goes to Tony Kurgan for providing all of the refreshments.

Safe Boating Tips

- The Frye Island Marina Committee recommends that all boaters take a boating safety course. The U.S. Coast Guard Auxiliary offers these nationwide. Even the most experienced boater can benefit from taking a course. Check your nearest “adult evening education” facilities in your school district. Also, The Boat U.S. Foundation for Boating Safety and Clean Water offers a free online course that may be taken from the comfort of your own home.
 - Registration-All motorboats of any size, including airboats and personal watercraft, must be registered in Maine or reciprocal state. State of Maine registrations may be processed at the Town Office, here on Frye Island. Any boat principally used in Maine should be registered in Maine. Out of State reciprocity is only good for 60 calendar days. This is a problem here on Frye Island and the Maine Wardens Service will be checking.
 - Milfoil/Invasive Plants Sticker-“A person may not place or operate a motor boat or personal watercraft on the inland waters of the State of Maine unless a current/valid lake and river protection sticker, issued annually, is permanently affixed to each side of the bow, above the waterline and approximately 3 inches behind the validation sticker.” These stickers are available at the Town Office on Frye Island.
New for 2008, a Maine registered boat will have a combined registration/invasive plant sticker system.
- A Maine Boating Laws and Rules booklet for 2008 is available at the Town Office.
- Most of the above information is available in electronic format at The State of Maine, Dept. of Inland Fisheries and Wildlife website:
http://www.maine.gov/ifw/laws_rules/word/boatlaws2008.doc
- Boaters must always consider the effects of the wash or waves created by their watercraft to piers, floats, shorelines, or property of others. The operator is civilly responsible for any damage incurred.
 - Boating Supplies: The following boating supplies checklist, may be used as a guide for the items that you should have with you on all boating trips. For boats 16 feet and over, you must have an additional throw-able device:
 - ❖ U.S. Coast Guard approved PFDs (personal flotation devices)
 - ❖ visual distress signaling device
 - ❖ anchor and line
 - ❖ bail bucket
 - ❖ flashlight
 - ❖ approved boating fire extinguishers
 - ❖ bell or whistle
 - ❖ paddle or oars
 - ❖ tool kit, spare parts
 - ❖ navigation charts & navigation equipment
 - Boating Operation-Safe operation of a watercraft depends on proper maintenance and preparation before, during and after use. The following items will assist you, the boater, and help assure you and your passengers of a safe trip:
 - ❖ full fuel tank
 - ❖ lights and horn working
 - ❖ weather & water conditions suitable
 - ❖ PFDs checked for proper fit
 - ❖ operator alert, ready, and sober
 - ❖ transom plug in, bilge bailed out/dry
 - ❖ fuel lines and tanks checked for leaks
 - ❖ all gear properly stowed and secured
 - ❖ propeller and lower unit free of debris
 - ❖ passengers briefed on emergencies
 - Watercraft may not be operated at a speed greater than “headway speed” while within a water safety zone (**200 feet of shore**), marina or approved anchorage. Headway speed is defined as the minimum speed necessary to maintain steerage and control of the watercraft while it is moving.

November Election

Congressman Tom Allen (Candidate for U.S. Senate) has sponsored a grant on behalf of the Town of Frye Island through the Federal Highway Administration for future funding of the ferry service and its equipment. Please support his candidacy.

Heavy Equipment

Please try to give the ferry office at least one day's advance notice on heavy equipment and cement trucks so we can schedule accordingly.

Fire Department

Fire Barn: 207-655-8618

Gasoline and Lawn Mowers

- Gasoline vapors are highly flammable. They stay on your clothing and **can ignite** if you light a match or cigarette.
- Store gasoline only in an approved container, outside, or in a building or shed not attached to the house. **NEVER** keep gasoline inside the home.
- Keep gasoline away from all heat sources such as smoking materials, pilot lights, and grills.
- **NEVER** fuel a lawn mower while it is hot. Give it a few minutes to cool off before refueling.
- Keep your hands and feet away from the mower while it is running.

Burn First Aid

- **Stop, drop and roll** to extinguish a clothing fire.
- Cool a burn. For minor burns, run cool water immediately over the burn.
- **Dial 9-1-1** to access emergency help for more serious burns.

Activities & Recreation

Recreation Chairperson: Andrea Sansonetti

Recreation Dept. Schedule

This week's schedule will be posted at the Community Center.

Garden Club

On Saturday, June 28, the program for the Garden Club will be "**Making Conservation Work in your Garden-
-from Rain barrels to Moss.**"

Ed Charrette will demonstrate how he applied this topic within his own garden. All interested islanders are invited to meet at the Charrette home, 79 Leisure Lane, at 9:00 AM.

Claire La Dow reports that the deer are still very active on the Island, and she has ordered more **BOBBEX**. To purchase this effective deer repellent, phone Claire 655-7730.

Frye Island Chapel

Established 1988

You are cordially invited to attend our weekly non-denominational services, which are held every Sunday morning from 9:00 to 9:30AM in the upper room at the Community Center. Communion is offered on the 1st and 3rd Sunday of every month. There is a coffee and snack hour following the service on the 2nd and 4th Sunday of each month. **All are welcome.** Dress is casual.

Presiding Chaplain: Rev. Richard Peterson, Ph.D
Rev. A. Theodore Ekholm

FRYE ISLAND BOOK GROUP 2008

The following titles will be discussed on these dates.

June 23 **SEA GLASS** by Anita Shreve

July 14 **THE PROFESSOR AND THE MADMAN**
by S. Winchester

Aug. 4 **THE LIGHTHOUSE** by P.D. James

Aug. 25 **WATER FOR ELEPHANTS** by S. Gruen

Meetings are at 7:30 PM in the Community Center.

All are welcome.

START PLANNING NOW FOR PARADE!

On Saturday, July 5, at 10:00 a.m. (assemble at Community Center at 9:30) the 10th Anniversary Parade will begin. We are encouraging all Frye Islanders to strut your stuff by decorating golf carts, bicycles, tricycles, garden tractors or by walking. **The Bonny Eagle band from S.A.D. 6 will participate.** There will be special sections for the garden club and dog walkers. If you want a special section reserved, i.e. golfers, boaters, tennis players, book club, family, or neighborhood, contact Nancy Perry at 655-5221 or pnperry1221@verizon.net or if you have any questions or suggestions. This will be a participant's parade so come join the fun!

Parade Route: The parade route is 1 ½ miles long. You are welcome to join or leave it at any point. We will head down High Point toward Sunset from the Community Center. We will turn left on Sunset and proceed down to Leisure Lane. We will turn right on Leisure Lane and follow it to Timber Road. We will go the length of Timber past the ball field to where it connects with Leisure again. We then follow Leisure back to Sunset and the ferry landing where the ceremony will take place. The route is fairly shady but you may want to bring water if it is hot.

We encourage everyone to **decorate their homes** for this celebration but we especially would like to see decorated houses along the parade route.

Representative John C. Robinson, our representative in the Maine legislature, will be our honorary parade marshal.

Remember, **two lucky children will get to ride in the fire engines** (accompanied by one parent). See Raffle information for details.

Garden Club: Garden Club members will be distributing packets of wildflower seeds. We hope you will sow these along your roadside or any sunny spot and help to beautify Frye Island!

Attention 10 year olds: We would like you to march as a group as a visual symbol of our 10 year history. Contact me if you will do this.

Plan now for a weekend of fun and celebration. Contact me if you have any questions or suggestions.

Boat Parade

The Marina Committee will be sponsoring a boat parade to be held on Friday July 4th at 10:00 am Rain or Shine!). If you would like to colorfully decorate your boat with red, white, and blue please muster outside of the Long Beach Marina at 9:30am and celebrate our 10 years as a Town. If you have any questions please feel free to contact Tim McCarthy on Island at 655-3058.

4th of July Frye Island Road Race 1 mile & 5 mile Walk/Run and (new this year) MARATHON!

The Recreation Department will be hosting its annual walk/run on Sunday July 5. The race starts promptly at 10am at the Community Center, so please arrive 15-30 minutes early to allow time to register and select a T-shirt. There will be a small entry fee and commemorative shirts will available at slightly above cost. All proceeds will be used to fund recreational activities on the Island.

The 5 mile course runs from the Community Center, down Highpoint, right onto Sunset, left onto Leisure, past the marina, then left onto Ridge and back to the Community Center. The 1 mile course goes down Highpoint Dr, right on Sunset, up White Way to Independence Way and then right on South Beach Road.

This year, in addition to the 1 miler and 5 miler, we will be adding a marathon in memory of Dennis Stafford – ***The Dennis Stafford Memorial / Frye Island Marathon!*** The course will be 4 loops along the 5 mile course (before the other races begin), then the 1 mile fun run, then the 5 mile race. The marathon runners will be self starting and self timing and should begin their run at whatever time allows them to get to the start of the 1 miler race at 10am.

Please contact Ted Charrette either via phone (781-259-1773) or email (Ted.Charrette@alum.mit.edu) if you can help with registration, timing, marking the course, manning water stations or simply cheering the athletes on or along the course.

F.I.'s 10th Anniversary Celebration

If you would like to help decorate the island, see Phil Perry and Judy Comley.

The next meeting of the Celebration Committee is Sunday, June 22 at 10 AM. at the Community Center. All interested workers are welcome. Teens, this includes you. Email Chairperson, Pat Karpacz for details.

Phone numbers and email addresses are in the Island Directory.

Fundraising

The FI 10th Anniversary Committee is fundraising for our celebration! And, we need your help!

We are hosting a silent auction at the ice cream social on Friday, July 4th - 5:30 PM at the Community Center and are looking for donations.

Do you have any Hostess gifts? Novelty items? A special piece of FI history? Furniture? Wine, for a wine basket? Toys – games – puzzles? Or prints – sketches – paintings? We'll even take a re-gifted gift!

If you have any of these items and you would like to donate them to help us in this celebration please email Raini at landronaco@msn.com or call her at 603-817-5866.

WIN A RIDE ON A FIRE TRUCK!

We are raffling off a ride on one of the fire trucks for the 4th of July parade which will be held Saturday, July 5th.

\$1 per raffle ticket or 6 tickets for \$5

Tickets can be purchased at the store starting this weekend. The winner will be drawn at the ice cream social.

(For safety reasons, a parent must accompany the winning child on this ride.)

NOTE: Schwann's has offered to donate a % of all sales on 07/05/08 to our town to assist in our fundraising!

Please support Schwann's and FI on that day.

Saturday Mid-Morning Ladies Scramble

Back by popular request is the ladies' scramble. If you are a beginner through intermediate golfer, this is for you. Though there is some prize money, the game is really intended to be fun. By establishing a scramble format, all levels of ability are able to contribute, so please consider participating in this weekly event.

Time: 11:00 on Saturday morning

Please sign in by 10:45 so we can determine teams

Contact Laura Davis at 655-7267 if you have questions.

Sunday Morning Scramble

Every Sunday morning, tee off at 8:00am, sign up starting at 7:30am.

The Sunday Scramble on June 15th was cancelled due to the weather.

Ladies Saturday Afternoon Scramble

Saturday, June 14th Results

Winner \$15.00 – Lorna Priestley

No Ladies Scramble this week, due to the June Invitational Tournament. Hope to see all of you next Saturday.

Club Championship

Now is the time to seize your opportunity to become a Frye Island Golf Club Champion. There will be both Men's and Women's Champions. The top eight scorers in the Qualifying Round will play each other in a single elimination match play tournament. To play in the Qualifying Round, you must check in at the Pro Shop and announce to the Staff that the round you are playing is your Qualifying Round (the Staff will initial your card). You must play your round with at least one Member in accord with the USGA rules of golf with local rules included. You may play the two 9-hole rounds separately, but each round must be initialed by the Staff and accompanied by a Member. Upon completion of the 18-hole round, return the scorecard to the Staff. Good luck to all participating golfers.

- Qualifying Round must be completed by July 7.
- Quarterfinal Match must be completed by July 28.
- Semifinal Match must be completed by August 18.
- Final Match must be completed by September 1 (Labor Day).
