Town News

Island Manager's Comments

Greetings Everyone:

Town Meeting: The annual town meeting will be held on Columbus Day weekend, October 10. I have attached the final warrant for the meeting in this FINS.

We will be voting for 1 - 3 year term for selectmen at this meeting.

In order to run for selectman, a candidate must be a registered voter in Frye Island. John Nun, the incumbent, has decided to run for another three year term. There are no other candidates at this time.

Board of Island Trustees (BIT) Executive

Committee: There is 1 – 3 year term open on the BIT Executive Committee that will be voted on at the October Town Meeting. In order to be a candidate you must be a member of the Board of Island Trustees (See below). Bob Sutherland and Jim O'Connor have decided to run for the vacant position on the BIT Executive Committee.

- Jim O'Connor has been a Frye Islander since 1989. He lives, with his wife Sylvia, at 1054 Middle Beach Road during the summer and in Venice Florida during the off season. Jim has two daughters and five grandchildren that enjoy frequent visits to the Island. Jim served on both the FII Board and the MSC Board in the 1990's and has also served two terms on the Executive Committee since 1998. He is now retired from the Insurance industry. He "basically supports the idea that users should pay for services in direct proportion to their usage. He does not support shifting non-municipal costs to property taxes".
- H. Bob Sutherland is a graduate of the University of Miami in Ohio with a degree in Business, major in finance. Bob served in the Coast Guard and then spent over 40 years in sales and marketing in the New Jersey – New York area. Bob has been spending summers at Frye Island since 1965. He retired in 2006 and now spends his summers on the Island and winters in Heathrow Florida. He began his volunteer service while living in the new Jersey area and has continued that service on Frye Island. He has been a volunteer mate on the ferry, a member of the Planning Board and delivering packages to the post office. Bob believes the volunteer spirit has been the back bone of Frye Island and he hopes to continue this spirit to make Frye Island the best it can be.

Board of Island Trustees - Eligibility for

Membership: He or she must be a citizen of the United States, at least 18 years of age, and an owner or a spouse of an owner of real property located within the Town of Frye Island with a fixed home currently occupied by the person, maximum two people per fixed home.

Ferry Schedule: We have been asked to run the ferry a little later on Sunday but unfortunately because of staffing we will be unable to. The operators are already scheduled for 9+ hours Sunday and have to come back in early Monday.

Please note that we will be running two ferries both Sunday and Monday in anticipation of heavy traffic leaving the Island. Also note that there will be no second ferry at all after this weekend.

Raymond Cape Road: The Town of Raymond has begun work on the Cape Road. Expect delays when travelling to and from the Island and please use caution in the work area.

State Wide Referendum Election: There will be a state wide referendum election on Tuesday November 3rd. The polls will be set up at the ferry trailer and will be open from 10:00 AM until 8:00 PM. Sample ballots have been posted on both bulletin boards at the office. Absentee ballots are now available in the office. I will need ballot clerks and ballot counters for this election. If you will be in the area and can help please call the office.

Lake Level: I received a letter from SAPPI this week indicating their intention to lower the lake level an additional 2-1/2 feet by the end of November. We are now at a level of 263.5 feet MSL; this reduction will take the lake level to 261.0 feet MSL. In order to accomplish this SAPPI will be lowering the lake about 1/2 inches per day. This will affect heavy equipment toward the end of October but should not impact normal traffic unless you drive a real low vehicle. If so you may experience some difficulty on and off the ramps. In addition, if you leave your boat in until the end you may have some difficulty at the entrances to Quail Circle and Long Beach Marina.

Office Move: We plan to move the office to the ferry trailer on October 28th to get set up for the upcoming election and the winter season. In order to do this the office will be closed Tuesday, Wednesday and Thursday of that week. We will reopen at the ferry trailer for that final weekend. However, the only thing that we will be able to do on the final weekend is sell ferry tickets. If you have other business, (registering vehicles etc) please make sure you get it done no later than Saturday October 24th. Remember, you can re-register your automobiles, boats, and trailers on line.

Code Enforcement Officer: Thursday, October 22nd will be the last day the Code Officer will be on the Island this season. If you will be in need of his services please make sure that you see him before then.

FINS: The October 16th edition of the FINS will be the final edition of the season.

Contact Information: I am sure you have all heard about the break-ins last winter. One of the difficulties we had then was finding contact information to notify some of the victims. We still have a number of property owners that we have no contact information for other than "snail mail". I don't anticipate a repeat of last year but we are still lacking a lot of contact information. So, I will make another plea for phone and / or e-mail contact information. If we don't have your current phone or e-mail info please send it to me at wfournier@fryeisland.com. Thank You.

Selectmen / Executive Committee Meeting: The next scheduled meeting will be held on Saturday October 17th at 9:00 AM in the Administration Office.

Have a great weekend and stay safe!

Wayne

Annual Town Meeting

Saturday, October 10, 2009 at 9:00 a.m.

Community Center

Note: Registration and coffee for the Town Meeting will begin at 8:15AM.

BOS/EC Meeting

Saturday, October 17, 2009 at 9:00 a.m.

Administration Office

Attention All Property Owners

As we quickly approach the end of our season here on the Island, this reminder goes out to all while closing up your properties for the season – **be sure to disconnect your waterline** from the Town System **and leave it disconnected** to avoid getting water in your piping when lines are abandoned.

Office Thank you's

To Theresa Bates for the yummy cookies.

Snowmobile Registrations

Snowmobile stickers have just arrived!

Any of these registrations **must be completed** by Saturday, October 24th.

There are several changes to snowmobile registrations this year.

1. The resident snowmobile registration fee is now \$40.00 plus agent fee valid from time of issue until the following June 30.
2. The nonresident snowmobile registration fee is now \$89.00 plus \$1.00 agent fee valid from time of issue until the following June 30. The 3-day registration is still available for nonresidents, the fee is \$44.00 and includes the agent fee, however, there is no longer a 10-day registration for nonresidents. Nonresidents are no longer required to pay Maine sales tax on machines purchased outside of Maine.
3. The same registration stickers will now be used on all snowmobile registrations (resident, nonresident season and nonresident 3-day).
4. Your sticker number is also your registration number. Display only the current registration sticker on both sides of your cowling when operating your machine in Maine. If you had been issued a registration number under the old registration system (such as ME-8543B), these numbers must be removed from the machine as they are no longer valid.

License Plates

We thought it would be interesting to see how many state(s) license plates containing Frye Island or of course something similar we have out there. Please send a picture of your license plate to the office. Wouldn't it be fun if we had all 50 states?

As of this edition of FINS; we have Ohio, 2 Maine, 2 New Hampshire, Pennsylvania, and new this week California and Connecticut

Update: We have California
Thank you Paul & Linda Flahive (Lot 1235)

We have Connecticut
Thank you Jim & Marion Frederick (Lot 295)

Feel free to send additional pictures, even if we have your state already.

Ferry News

Frye Island Garden Club News

Advice from the Maine Extension Service: The rain caused a lot of blight this year. The fungus lives in the soil so gardens should be cleaned out and diseased plants should be disposed of (not composted). Take this opportunity to cover your cleared garden with layered newspaper covered by mulch. The newspaper disintegrates and the soil will be ready for planting next spring.

When you ready your gardens for spring, please think about any divisions you can make and donate to the Garden Club for the 2010 Memorial Day Plant and Bake Sale. With the funds raised from that sale, spring and fall maintenance can be contracted again.

Frye Island Chapel

Services every Sunday 9:00 to 9:30 AM
In the Upper Room of the Community Center

All are welcome. Dress is casual.

You are cordially invited to attend our weekly **non-denominational** services, which are held every Sunday morning from 9:00 to 9:30 AM in the **upper room at the Community Center**. Communion is offered on the 1st and 3rd Sunday of every month. There is a coffee and snack hour following the service on the 2nd and 4th Sunday of each month.

Presiding Chaplains: Rev. Richard Petersen, PhD
Rev. A. Theodore Ekholm

ANNUAL HALLOWEEN PARTY FOR CHILDREN

Halloween Party
Sunday, October 11
2:00 p.m.
Community Center

The Recreation Commission will again be sponsoring a Halloween costume party for children on Sunday, October 11, in the Community Center. There will be treats for all, activities for the children and prizes for all. Plan now!

**WARRANT FOR THE ANNUAL MEETING
OF THE TOWN OF FRYE ISLAND
October 10 2009**

Cumberland, ss State of Maine

To: John Crosby, a resident of the Town of Frye Island, State of Maine.

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Frye Island, in the County of Cumberland, qualified by law to vote in Town affairs to meet at the Frye Island Community Center on Saturday, October 10, 2009 at 9:00 A.M. to act upon the following Articles.

Article 1: To vote by written ballot to choose a moderator to preside at said meeting.

Article 2: To vote by written ballot to elect one person to a three year term to the Board of Selectmen. **(Town Voters only)**

Names in Nomination
John Nun

Article 3: To vote by written ballot to elect one person to a three year term to the Executive Committee. **(Board of Island Trustees only)**

Names in Nomination
H. Robert Sutherland
James O'Connor

Article 4: To see if the Board of Island Trustees and the voters of the Town of Frye Island will vote to appropriate **\$112,899.00** from non - tax municipal revenues; and raise and appropriate an additional **\$843,537.00** from property taxes for municipal services and **\$1,408,272.00** for non-municipal services for 2009. *(This total for municipal services includes \$74,024.00 which will be deposited into the "Water Reserve Fund" for the purpose of updating the municipal water system).*

The Board of Selectmen / Board of Island Trustees Executive Committee recommends approval of this warrant article

Article 5: To see if the Voters of Frye Island will vote to raise by taxes and appropriate an additional \$8,946.00 to provide police coverage 7 nights per week during the "high season".

*Approval of this article will add \$0.0852 (8.52 cents) per \$1000.00 of valuation to the tax rate.
(Example: \$100,000 cottage / \$1000 x \$0.0852 = \$8.52 additional tax.)*

The Board of Selectmen / Board of Island Trustees Executive Committee recommends approval of this warrant article

Article 6: To see if the Voters of Frye Island will vote to raise by taxes and appropriate an additional \$8,750.00 to have police coverage during the winter.

This would provide a minimum of 20hours per week during the week days with the Police Chief providing additional coverage on the weekends.

*Approval of this article will add \$0.0834 (8.34 cents) per \$1000.00 of valuation to the tax rate.
(Example: \$100,000 cottage /\$1000 x \$0.0834 =\$8.34 additional tax.)*

The Board of Selectmen / Board of Island Trustees Executive Committee recommends approval of this warrant article

Article 7: To see if the Town will vote to authorize the establishment of a **Long Term Transportation Capital Reserve Fund**. Funds accrued in this reserve to be designated for long term capital improvements to the Ferry Service.

The Board of Selectmen / Board of Island Trustees Executive Committee recommends approval of this warrant article

Article 8: To see if the Voters of Frye Island will vote to raise by taxes and appropriate the sum of \$105,724.00 to be used to fund the **Long Term Transportation Capital Reserve Fund**. *(Explanation...It is a well know fact that the existing ferries, gantries and facilities are aged and will be in need of expensive renovation and /or replacement at some time in the future. These costs are expected to be in the millions. Having unsuccessfully applied for grants and stimulus money to fund these improvements it is obvious that the Town will have to raise the funds without financial assistance. It is the executive committees' intention to spread this cost equally among all cottage owners; therefore, the committee plans to increase the assessing factor for an improved lot by \$10,000 for every home on the Island. There are presently 496 homes on the Island. By approving this article and applying this factor, each cottage will pay an additional \$213.15 which will be accrued in this reserve for future needs).*

The Board of Selectmen / Board of Island Trustees Executive Committee recommends approval of this warrant article

Article 9: To see if the Voters of Frye Island will vote to establish semi-annual tax payments for 2010. The first payment of 1/2 the taxes owed to be due and payable on December 31st 2009 and the second half to be due and payable on June 30, 2010.

The Board of Selectmen / Board of Island Trustees Executive Committee recommends approval of this warrant article

Article 10: To see if the Voters of Frye Island will vote to set the highest interest rate allowed by law for all overdue taxes.

The Board of Selectmen / Board of Island Trustees Executive Committee recommends approval of this warrant article

Article 11: To see if the Town will vote to authorize and direct the Selectmen and Treasurer, at their discretion, to sell by sealed bid or public auction and convey by quit claim deed, any real estate acquired from tax sources by the Town, or to convey the property to the prior owner upon payment in full of all taxes, interest and charges incurred by the Town. Selectmen reserve the right to reject any and all bids.

**The Board of Selectmen / Board of Island Trustees Executive
Committee recommends approval of this warrant article**

Article 12: To see if the Town will vote to authorize the Selectmen and the Treasurer, on behalf of the Town and any of the Town's departments, to accept gifts, real estate, donations, and other funds, including trust funds that may be given or left to the Town, and to grant the Selectmen the further authority to expend such sums of money as they deem necessary from these donations or for their designated purposes. These expenditures may be reflected outside of the Town's approved budget.

**The Board of Selectmen / Board of Island Trustees Executive
Committee recommends approval of this warrant article**

Article 13: To see if the Town will vote to authorize the Selectmen and the Treasurer to accept and expend, on behalf of the Town, any Federal or State funds received in the form of grants during its fiscal year.

**The Board of Selectmen / Board of Island Trustees Executive
Committee recommends approval of this warrant article**

Article 14: To see if the Town will vote to authorize the Selectmen to expend such sums of money as they deem necessary from the Designated Reserve Funds for their designated purposes. These expenditures may be reflected outside of the Town's approved budget.

**The Board of Selectmen / Board of Island Trustees Executive
Committee recommends approval of this warrant article**

Article 15: To see if the Town will vote to amend the Town Land Use Ordinances to incorporate the following Maine State Department of Environmental Protection requirement for docks.

Land Use Standards

Town of Frye Island Cumberland County State Of Maine

Chapter 101 – Ordinance for Piers, Docks, Wharves, Bridges and Other Structures and Uses Extending Over or Below the Normal High-Water Line of Sebago Lake or Within a Wetland.

GENERAL REFERENCES

State Of Maine, Chapter 1000: GUIDELINES FOR MUNICIPAL SHORELAND ZONING ORDINANCES

Table of Contents

Section 101-1 Title

Section 101-2 Purpose

Section 101-3 General Rules

Section 101–III–17. Definitions:

Piers, Docks, Wharves, Bridges and Other Structures and Uses extending over or beyond the [normal high-water line](#) or within a [wetland](#):

A. **Temporary:** Structures which remain in or over the water for less than seven (7) months in any period of twelve (12) consecutive months.

B. **Permanent:** Structures which remain in or over the water for seven (7) months or more in any period of twelve (12) consecutive months.

101-1 Title.

Piers, Docks, Wharves, Bridges and Other Structures and Uses Extending Over or Below the Normal High-Water Line of Sebago Lake or Within a Wetland.

101-2 Purpose.

To replace bulleted (numbered) language in “Town ordinance 101–III–15.C” with language in “101-3 General Rules” of this document, thus allowing the town of Frye Island to comply with State Mandated Regulations, which became effective July 1st 2009, without making them more restrictive for our town.

101-3 General Rules.

- (1) Access from shore shall be developed on soils appropriate for such use and constructed so as to control erosion.
- (2) The location shall not interfere with existing developed or natural beach areas.
- (3) The facility shall be located so as to minimize adverse effects on fisheries.
- (4) The facility shall be no larger in dimension than necessary to carry on the activity and be consistent with the surrounding character and uses of the area. A temporary pier, dock or wharf in Sebago Lake shall not be wider than six feet for non-commercial uses.
- (5) No new structure shall be built on, over or abutting a pier, wharf, dock or other structure extending beyond the normal high-water line of Sebago Lake or within a wetland unless the structure requires direct access to Sebago Lake or wetland as an operational necessity.
- (6) New permanent piers and docks on Sebago Lake shall not be permitted unless it is clearly demonstrated to the Planning Board that a temporary pier or dock is not feasible, and a permit has been obtained from the Department of Environmental Protection, pursuant to the Natural Resources Protection Act.
- (7) No existing structures built on, over or abutting a pier, dock, wharf or other structure extending beyond the normal high-water line of Sebago Lake or within a wetland shall be converted to residential dwelling units in any district.
- (8) Except in the General Development Districts and Commercial Fisheries/Maritime Activities District, structures built on, over or abutting a pier, wharf, dock or other structure extending beyond the normal high-water line of Sebago Lake or within a wetland shall not exceed twenty (20) feet in height above the pier, wharf, dock or other structure.

NOTE: New permanent structures, and expansions thereof, projecting into or over Sebago Lake shall require a permit from the Department of Environmental Protection pursuant to the Natural Resources Protection Act, 38 M.R.S.A. section 480-C. Permits may also be required from the Army Corps of Engineers if located in navigable waters.

Article 16: To see if the Board of Island Trustees will vote to incorporate the following changes to the Frye Island Ferry Service User Rates for the 2010 season:

	Heavy Equipment Trailers		
	One Rear Axle	100.00	50.00
	Two Rear Axle	150.00	100.00
	Three Rear Axle	200.00	150.00
T	Dual Wheel Pick-Up	60.00	30.00

The heavy construction trailers were not addressed in the previous fee schedule and therefore it is proposed to add them. The dual wheel pick-ups were charged \$50 & \$100 but they actually only take up approximately 2 spaces hence the proposal to reduce the cost to \$30 & \$60.

The Board of Island Trustees Executive Committee recommends approval of this warrant article option.

The Municipal Officers of the Town of Frye Island

John Nun, Selectman: _____

Mark Thomas, Selectman: _____

James Kuiken, Selectman: _____
