Town News

Island Manager's Comments

Greetings everyone: I would like to welcome everyone back to the Island. The weather should be nice so have a great weekend.

Long Beach Marina & Quail Circle Canal: The docks at the Long Beach Marina are being installed this weekend. They should be available for use next week. However, we still have Islanders on the waiting list so if you do not plan to renew your rental slip, please call the office so that we can assign your slip to someone on the waiting list. The fees for 2010 are the same as last year:

- Marina Equity Slips \$225.00
- Marina Rental \$900.00
- Quail Circle \$200.00

DON'T FORGET: These Yacht Club fees must be paid by the time the office closes on Saturday, May 29th or you could lose your spot.

Note: Proof of insurance must be presented when registering your boat as is the case with Motor Vehicles in accordance with the Yacht Club Policy.

If you are installing a dock at Quail Circle, please make sure you install it correctly so that it doesn't infringe upon your neighbors space. The center of the dock should be located at the numbered pipe and pointed at the corresponding pipe on the opposite side of the channel. In addition, it has been brought to my attention that some people at Quail do not secure the outboard (the end in the water) end of the dock and wave action and wind can cause the dock to swing into their neighbor's space. So, in addition to getting the dock in the right location, please consider this swinging potential when installing your docks.

Reminder: Parking for Quail Circle is at Quail Circle, the two areas on either side are intended as 5 minute pick-up, drop-off, so if you are taking your boat out for the day, please park accordingly.

SAD 6 Budget Meeting: The SAD 6 budget meeting was held Thursday evening. I would like to commend the SAD 6 budget committee for submitting a budget that is actually \$343,414 less than last year. With the economic situation in the State and the uncertainty of the State Revenue Sharing, I think the budget committee did a very good job holding down the costs. Oleg Svetlichny chaired the SAD 6 budget committee this year.

The referendum election to validate this budget will be held on Tuesday, May 4th. (The notice of this referendum election has been posted on the Town bulletin board). The polls will open at the Frye Island Community Center at 10:00 AM and will remain open until 8:00 PM. All registered voters can participate in this referendum election by voting in person at the Community Center, or by absentee ballot. A copy of the "Specimen Ballot" has been posted on the bulletin boards. In addition to the article to validate the budget, there is also an article to decide if the voters want to continue the budget validation process as it exists for 3 more years.

A *yes* vote extends the existing process for three more years.

A *no* vote will discontinue the budget validation referendum for at least three years and provide instead that the annual school budget be finally adopted at a meeting of the voters.

I will post the results of the meeting on the Town bulletin board and on our website as soon as they are available from SAD 6 so that you can review the results of the meeting.

Help: I will need poll workers for the Validation Referendum on Tuesday the 4th so if you can spare a couple of hours please call the office and Lisa will put you on the schedule.

Boat Registrations: I want to remind every one that Frye Island is enrolled in a state wide program administered by InforME called "Rapid Renewal" that allows Islanders to re-register their automobiles and trailers on line. InforME, in conjunction with the Department of Inland Fisheries and Wildlife, has also expanded their service to include the registration of boats. The Boat Registration Renewal service is available to registrants who have previously registered their boat and live on or primarily dock their boat at Frye Island. If you elect to register your boat(s) on line, you will receive a temporary registration form to print for immediate use. Your official registration and stickers will be sent to the address you specify and should be received within ten business days. To complete the online transaction, you will need the following:

- Owners name on the registration
- Boat Information, including Serial Number or Registration Number
- Credit/debit card (MasterCard, Visa & Discover)
- A printer, if you want to print a copy of your temporary registration

Board of Selectmen / EC Meeting
Saturday, May 15, 2010 at 9:00 AM
Community Center

The system will tell you what you owe for excise tax on the boat and the registration fees. InforME will then send the excise tax to a Frye Islands account and the registration fees to IF&W. The good thing is that you will be able to use a credit card for the transaction and InforME will absorb the credit card fees so the Island won't lose any revenue except for the agent fee of \$1.00 per re-registration.

All boat registrations are valid from January 1 through December 31 so you will be able to register your boat anytime after the first of the year.

I encourage everyone to try this system. I have used it a number of times and it works very well and it relieves some of the traffic in the office.

E-Tickets: We are well into the testing and training phase of the e-ticket system and as was expected we have a few glitches to work out; but this is not unusual with system start ups. That being said, we are accepting applications from Islanders to set up EZ Ride accounts. If you go to the Frye Island web site, click on the "FERRY" tab and go to "eTicket information" you will find an explanation of the system and two application tabs; one "Account Application" and one "User Application". The account application should identify all of the account holder information as well as the method you want to use to replenish the account. If you select option 2- "direct debit from bank checking account replenishment"; please include a voided check and a check to establish the account (Min. \$150.00) with the application. Please also include your lot # and street address. We will notify you as soon as we have processed the application and when your ID card is available. You should also complete a "User Application" form for everyone that you authorize to charge to your account. Make sure that the account holder signs all of the applications. Without the signatures we will not be able to process the applications. We will continue to test and train this week and next and we hope to implement the system on a limited basis next week. As soon as we are comfortable with the operation we will increase the usage. I appreciate your cooperation as we work through the start-up process.

Reminder - Board Meeting: The next Board of Selectmen / Executive Committee meeting has been scheduled for Saturday May 15th. The meeting will be held at the Community Center and will begin at 9 AM.

Have a safe week!

Fire Department

Fire Barn: 207-655-8618

Open Fires

Open fires in a screened enclosure designed for such use or a chimeneas are permitted with the following conditions:

It must be used only on an acceptable permit required burn day within the state. (A permit will not be necessary to use the device but it must be a day in which burning is allowed).

The device must be on sand or dirt in a wide open area to prevent any spread of fire. It must be placed away from any structure and CAN NOT be situated on a porch, deck or other similar area. It must be continuously monitored by an adult. A fire hose or bucket of water must be nearby. The fire department has the authority to extinguish any fire that constitutes a hazard.

A camp fire is not permitted or is any burning of slash, leaves, branches or tree trunks. A person using one of these devices accepts full responsibility for their action if a mishap occurs.

The Forest Service determines the class day every morning. They broadcast this information over the radio to notify all the fire departments. The Frye Island Fire Department gets this information over their portable radios. In addition, local fire departments, like Raymond, give out this information in their morning radio announcement. They give the class day and whether or not permits will be issued. If conditions are extremely dry or if there are high winds, there probably will be no permits issued. A call to the Raymond Fire Department dispatcher or asking one of our own members should give you the answer.

Class Days are grouped into five (5) categories.

Class 1 is when there is very little potential danger.

Class 2 is when there is some danger.

Class 3 is when there is danger present.

Class 4 is when there is moderate danger.

Class 5 is when there is extreme danger or fire threat.

Frye Island Public Works Transfer Station

Please observe the new traffic pattern, ENTRANCE ONLY main gate Independence Way, EXIT ONLY South Beach Road. Thanks for your anticipated cooperation; we hope that this new traffic pattern will lessen main gate congestion.

Single Stream Recycling, It all goes in the container, EXCEPT, plastic bags and Styrofoam, PLEASE keep these items out of the container. A list of all approved items and not approved items are listed on the outside of the container. If you're not sure ask our new Transfer Station attendant Danny Bond.

Thanks to our spring opening volunteers, Cappy, Commodore Dave Bond, and Pete and Nanci Salinger. Sorry Willie and Pete! In the winter newsletter I mistakenly left off of my thank you list, Town employee Willie Campbell and volunteer Pete Salinger, THANKS GUYS!

We had a great opening this spring, an early start with great weather, with a lot of hard work, Thanks to everyone on the DPW. Eric Berube, Rich Purtell, Jeff Snow, Bob Houde and Willie Campbell.

Ferry Service

The Ferry Crew did a great job, with the help of the DPW, they hauled and splashed both ferries, the ferry crew painted both boats, cleaned both engine rooms, painted the ferry trailer, the winch house and the old Fire Barn. Cleaned and mulched the trailer area and the Ferry Road. And of course our Miss Patti planted flowers at the trailer and the Transfer Station and cleaned the trailer.

Thanks to Crew Members, Ross and Patti Graham, Buddy Collins, Lynn Gagnon, Brandon Goding, Jim Jones, and Jeremy Giasson
Thanks to all of you!

Have a great 2010 season!
