## Island Manager's Comments

**Greetings everyone:**

**Water Distribution System:** We have resumed the installation of the new water distribution pipe on Ridge Road. We are hoping to complete Ridge Road this summer so that when we shut the system off this fall we will be able to tie into the line at the intersection of Independence and Birch that we ran last year. We will not make the cottage connections until we shut the water system off next fall. Please be careful and considerate when traveling in that area.

**Long Beach Marina / Quail Circle:** We still have a few Islanders that haven't paid their rental fees yet. We are making calls to these people, as we do every year, but if we are unable to contact these Islanders and collect the rental fee we will make these slips available to people on the waiting list.

**Internet / E-mail:** We were without our E-mail and internet connection for the most of the day Thursday, as was everyone with a Fairpoint connection. I am told they are having a problem with their server connection at the central office. It is now 5:30 PM Thursday and we still don't have our service, hopefully we will have better luck tomorrow.

**Primary Elections:** State wide primary election and referendum elections will be held this coming Tuesday June 8, 2010. The polls will open at the Community Center at 10:00 AM and close at 8:00 PM. If you are a registered Town voter, and enrolled in one of the recognized political parties (Democrat, Green, Republican) you will be able to vote for the candidates in the party you are enrolled in and on the referendum articles. If you are registered to vote in the Town, and are not enrolled in any of the recognized political parties, (Unenrolled), you will be able to vote on the referendum articles only. Absentee ballots are available now in the Town Office. If you will be unable to vote at the polls, please request an absentee ballot from the office.

**Boat Registrations:** I want to remind every one that Frye Island is enrolled in a state wide program administered by InforME called "Rapid Renewal" that allows Islanders to re-register their automobiles and trailers on line. InforME, in conjunction with the Department of Inland Fisheries and Wildlife, has also expanded their service to include the registration of boats. The Boat Registration Renewal service is available to registrants who have previously registered their boat and live on or primarily dock their boat at Frye

Island. If you elect to register your boat(s) on line, you will receive a temporary registration form to print for immediate use. Your official registration and stickers will be sent to the address you specify and should be received within ten business days. To complete the online transaction, you will need the following:

- Owners name on the registration
- Boat Information, including Serial Number or Registration Number
- Credit/debit card (MasterCard, Visa & Discover)
- A printer, if you want to print a copy of your temporary registration

The system will tell you what you owe for excise tax on the boat and the registration fees. InforME will then send the excise tax to a Frye Islands account and the registration fees to IF&W. The good thing is that you will be able to use a credit card for the transaction and InforME will absorb the credit card fees so the Island won't lose any revenue except for the agent fee of \$1.00 per re-registration.

All boat registrations are valid from January 1 through December 31 so you will be able to register your boat anytime after the first of the year.

I encourage everyone to try this system. I have used it a number of times and it works very well and it relieves some of the traffic in the office.

**E-Tickets:** I think we are finally getting close to being able to run some trials with the system. One of the major obstacles has been the ID cards. We have developed a credit card sized ID card; each with a unique barcode. We have three different types of ID cards, (EZ Ride, Employee & Commercial). We tried to make each type with a different background color for ease of identification but apparently the color was interfering with the scanner. We were not able to read the cards consistently. We finally went to an all white card with a black barcode and are now using a different color font for the three types of cards. These new cards have worked successfully in the tests we have run. I have decided to purge all of the accounts that we have in the system because of all of the starts and stops we have had. We are essentially starting from scratch again so I am re-entering the data into the accounts that we are going to use for the tests and will be re-issuing the ID cards. With any luck, we will be using these test accounts next week. Again, I appreciate your patience.

---

**Reminder - Board Meeting:** The next Board of Selectmen / Executive Committee meeting has been scheduled for Saturday June 12th. The meeting will be held at the Community Center and will begin at 9 AM. Copies will be made available at the meeting and can be sent electronically to those that want a copy. You can request the agenda by emailing me at [wfourrier@fryeisland.com](mailto:wfourrier@fryeisland.com)

Have a safe and enjoyable weekend!  
Wayne

## **USS Jason Dunham Day on Frye Island**

Planning is underway to host the officers and crew of the USS Jason Dunham on Frye Island during a Saturday in mid to late July or early August. Your views and interests in taking part would be appreciated.

This destroyer is presently completing construction and outfitting at the Bath Iron Works, prior to sailing in October to its home port in Norfolk, VA. The ship's officers and crew will be spending the summer in the Bath area, most of them far from their families, and would, no doubt, enjoy a day discovering the beauty, hospitality, and warmer inland water (!) of Frye Island. We welcome your feedback.

Ideas for the day presently include a welcome and softball game in the late morning, a barbecue lunch, and informal recreation in the afternoon, including swimming, boating, golf, basketball and tennis. We also hope to be able to close the day by inviting small groups of sailors (two to four people) to the homes of Island families for supper and relaxation.

We would like to hear from those interested in participating, through offering boat rides, partnering in golf or tennis, taking some sailors home for supper, or contributing a pot luck dish for the noon lunch. Let us know of ideas you may have for the conduct of the day, and if you would like to help organize the event or help with the program itself. Please e-mail us at [office@fryeisland.com](mailto:office@fryeisland.com), with a copy to [DickNorris@aol.com](mailto:DickNorris@aol.com), or visit the office directly, there is a signup sheet.

## **Frye Island Public Works Transfer Station**

Please observe the new traffic pattern, ENTRANCE ONLY main gate Independence Way, EXIT ONLY South Beach Road. Thanks for your anticipated cooperation; we hope that this new traffic pattern will lessen main gate congestion.

Single Stream Recycling, It all goes in the container, EXCEPT, plastic bags and Styrofoam, PLEASE keep these items out of the container. A list of all approved items and not approved items are listed on the outside of the container. If you're not sure ask our new Transfer Station attendant Danny Bond.

## **Water Lines**

Installation of new water lines will continue starting Tuesday, June 1st. Work this season will be on Ridge Road, starting just beyond Leap View Circle. The new piping will be installed on the lake side of the street, and on the town-owned land between the property stakes and the edge of Ridge Road. Wherever possible, the Public Works crew will avoid decorative plantings, stonewalls and fences, however, it will be the owner's responsibility to remove any or all of these obstructions. When practical, the Public Works Crew will try and work around any of these obstructions that have been left in place; however, we will remove them if necessary to install the new water lines. Your cooperation and assistance will be greatly appreciated. The Town of Frye Island will not be responsible for any damage to property of others caused by the removal of any obstruction due to the installation of the new water line(s).

## Help

We are looking for an islander who can clean our HP Color Laser Jet 2600n printer. We will be using this soon for the Electronic ID cards.

### Safe Boating Tips

- Turn-off all electrical equipment when docking your watercraft after a days activities. When accidentally left in the “on” position, they could drain your battery. “Lock” your battery switch in the off position to avoid theft and as another way in which to save your battery life.
- Secure your watercraft covers tightly and with “pitch” to allow for rapid water run-off. This will prevent sagging and pooling of water and leaves, etc.; the primary cause for canvas wear and tears.
- Ensure dock bumpers/fenders are securely fastened to your watercraft and are strategically placed, so as to avoid damage to your watercraft. Dock lines should be of adequate size to safely secure your watercraft. They should be supple, free of unnecessary knots and fraying, and be in good usable condition. Dock lines need to be secure after dockage and be adequate in number. Dock lines should NOT run across docks, for safety reasons. Secure your dock lines before leaving your slip.

### Gasoline and Lawn Mowers

- Gasoline vapors are highly flammable. They stay on your clothing and **can ignite** if you light a match or cigarette.
- Store gasoline only in an approved container, outside, or in a building or shed not attached to the house. **NEVER** keep gasoline inside the home.
- Keep gasoline away from all heat sources such as smoking materials, pilot lights, and grills.
- **NEVER** fuel a lawn mower while it is hot. Give it a few minutes to cool off before refueling.
- Keep your hands and feet away from the mower while it is running.

### Burn First Aid

- **Stop, drop and roll** to extinguish a clothing fire.
- Cool a burn. For minor burns, run cool water immediately over the burn.
- **Dial 9-1-1** to access emergency help for more serious burns.

## **ADOPT A PROJECT**

As you may have heard, in addition to the remaining work on the Kitchen, we have a number of improvements we have to make to the existing building to bring it up to code. We'd like to get this work completed as soon as possible and are requesting the help of Islanders in that endeavor. The following list details the various work items that have to be completed. They vary from quite minor to quite extensive. We are hoping that we can get an individual knowledgeable in a work item that will agree to take on the responsibility to manage the work to completion. That may mean doing the work themselves, or calling on other volunteers to assist. The golf course will pay for all materials. We are hoping the labor will be donated.

1. Second floor stair requires twenty minute door at the top or bottom of the stair.
2. A second primary egress required from second floor card room.
3. The building is required to have a fire sprinkler system throughout the entire building.
4. A second means of egress required off the existing deck.
5. Guard rails shall be shown at 42" in height on deck and stairs.
6. Handrails required on both sides of all stairs.
7. Emergency lights and exit signs required.
8. Handicap ramp access required for Pro Shop
9. The 30" door into the Pro Shop has to be replaced with a 36" door.
10. A rotted piece of siding at the Pro Shop Entrance has to be replaced.
11. The electric operated garage door in the basement has to be replaced (size to be determined).
12. A fire suppressant system is required above the stoves.

Please contact Mark Thomas or Laura Crosby if you can volunteer. As you know, the course improves every year, and that is partially possibly through the unbelievable sweat equity we get from our volunteers. Thank you again in advance.

## BRIDGE

Bridge for fun - and not too much seriousness! Come and join some of the Island folks for a couple hours of bridge. Tuesdays beginning June 8 at 1:00 p.m. at the Golf Clubhouse is the usual time and place.

## Mah Jongg

Mah Jongg anyone?

We will resume our Mah Jongg games at the Golf Course Club House. The times will be:

Mondays @ 9:30am and

Fridays @ 12:30pm

These days and times can be revised. Please bring your game - if you have one.

## IT'S JUNE -- AND THE 4TH OF JULY CAN'T BE FAR BEHIND!

The Recreation Commission is sponsoring another fun Golf Cart Parade to celebrate our country's birthday! It will begin at the Community Center at 11:00 am on Saturday, July 3rd and end up at the Fire Barn with hot dogs and drinks furnished by the Fire Department. Start planning now for a creative golf cart decoration. If you don't have a golf cart, decorate your house and cheer the parade on! Flag waving is encouraged.

## Frye Island Chapel

Services every Sunday 9:00 to 9:30 AM  
In the Upper Room of the Community Center

*All are welcome. Dress is casual.*

You are cordially invited to attend our weekly **non-denominational** services, which are held every Sunday morning from 9:00 to 9:30 AM in the **upper room at the Community Center**. Communion is offered on the 1<sup>st</sup> and 3<sup>rd</sup> Sunday of every month. There is a coffee and snack hour following the service on the 2<sup>nd</sup> and 4<sup>th</sup> Sunday of each month.

## Book Group Selections for 2010

### FICTION

- July 5 **THE WET NURSE'S TALE** by Erica Eisendorfer - The author will be present to give us insight into her work.
- Aug. 9 **THE GUERNSEY LITERARY & POTATO PEEL SOCIETY** by Mary Ann Schaffer
- Aug. 30 **UNCLE TOM'S CABIN** by Harriet Beecher Stowe

### NON-FICTION

- July 26 **THE ZOO KEEPER'S WIFE** by D. Ackerman

All Frye Islanders are invited to join us on these selected Monday evenings 7:30 PM in the Community Center Library.

## ADOPT A PLANTER

It's the beginning of a beautiful season. The planters on Beach 6 are waiting to be adopted. Would you and/or your children be interested? A hose is nearby for watering. The planters look so cheerful on the way to swim, tan, or watch the sunset.

## **4th of July Frye Island Road Race 1 mile, 5 mile & Marathon**

The Recreation Department will be hosting its annual walk/run on Sunday, July 4th. The race starts promptly at 10am at the Community Center. Please arrive 30min early to allow time to register and select a T-shirt. There will be a \$5 entry fee and commemorative shirts will be available for \$10. All proceeds from the race will be used to fund recreational activities on the Island.

This year we will be offering online pre-registration at <http://www.thecharrettes.com/walkrun.html>. We hope this will streamline the registration process and reduce lines. Of course, we will still be offering on-site registration for friends and family who've dropped in unexpectedly for the weekend.

If you pre-register by Friday night, you can simply report to the pre-registration table pay and pick up your bib and (optional shirt).

The 1 mile course goes down Highpoint Dr, right on Sunset, up White Way to Independence Way and then right on South Beach Road.

The 5 mile course runs from the Community Center, down Highpoint, right onto Sunset, left onto Leisure, past the marina, then left onto Ridge and back to the Community Center.

This is the third year we'll be offering a marathon option. The marathon course will be 4 loops along the 5 mile course (before the other races begin), then the 1 mile fun run and lastly the 5 mile race. The marathon runners will be self-starting and self-timing and should begin their run at whatever time allows them to arrive at the start of the 1 mile race at 10am.

If you live along the course and could offer to host a water stop, please let me know. I'd also welcome any help people could provide with race preparation, registration and timing.

Thanks.

## **Garden Club**

"What terrific community support - Many many thanks to all of you who made this year's Plant and Bake Sale and Auction a big success!

To those who donated items for Auction and bought chances, items for miscellany shelves, benches from Scott Wilson, baked goods, as well as new plant divisions to those who helped set up the space: Mimi Nun, Pat Karpacz, Phil Perry, Steve Comley, Bob LaDow, and Andy Lapati, to our Horticultural experts: Judy Comley, Claire LaDow, Rita Lapati, and Mary Ann Niles, to our transport providers: Nancy Perry, Mary Ann Niles, and Talli Sutherland, to our Chief financial officer: Sylvia O'Connor with help from Mary Deming to our auction team: Claire LaDow and Pat Karpacz

- For those who bought chances on auction items - the items and winners were:
- Birdhouses by Bob LaDow won by Tim McCarthy (golf theme), "Cappy" Capobianco (garden club theme), and copper-topped by Mimi Nun and Cindi Welsh
- Lighthouse service for 12 from Mimi Nun and FI walking stick by Mary Deming won by John Masayda
- Garden stone and rocking stool from Sylvia O'Connor won by Donna LaRoche
- Quilt hanging from Mary Ann Niles won by Susan Gardner
- Garden Club painted pots won by Nancy Perry

THANK YOU ALL for supporting the Garden Club in its efforts to keep the common Island spaces pretty!

Reminder: It's not too late to adopt a planter at Beach 6 - great family activity!"
