## Island Manager's Comments

**Greetings everyone:** If this is the first weekend you have made it to the Island...Welcome.

### Long Beach Marina & Quail Circle Canal:

Currently, we have a very long waiting list of Islander's wanting a slip, so if you do not plan to renew your rental slip, please be considerate and call the office ASAP so that we can assign your slip to someone on the waiting list.

The fees for 2012 are the same as last year:

- Marina Equity Slips     \$225.00 \*
- Marina Rental             \$900.00 \*
- Quail Circle                \$200.00

**DON'T FORGET:** These Yacht Club fees must be paid by the time the office closes on Saturday, May 26th or you could lose your spot.

**Note:** Proof of insurance must be presented when registering your boat as is the case with Motor Vehicles in accordance with the Yacht Club Policy.

If you are installing a dock at Quail Circle, please make sure you install it correctly so that it doesn't infringe upon your neighbors space. The center of the dock should be located at the numbered pipe and pointed at the corresponding pipe on the opposite side of the channel. In addition, it has been brought to my attention that some people at Quail do not secure the outboard (the end in the water) end of the dock and wave action and wind can cause the dock to swing into their neighbor's space. So, in addition to getting the dock in the right location, please consider this swinging potential when installing your docks.

Reminder: Parking for Quail Circle is at Quail Circle, the two areas on either side are intended as 5 minute pick-up, drop-off, so if you are taking your boat out for the day, please park accordingly.

**Marina & Quail Stickers:** In order to monitor use of slips, all boats occupying any slip in Quail Circle and the Marina shall display a Sticker issued by the Town office at the time of the slip renewal, rental or other authorized slip use. The slip owner/renter is responsible for ensuring the sticker is placed in a visible location. The fee is \$5.00. There shall be an administrative fee of \$100 assessed to the owner having the slip assignment if a boat occupies the slip **without** a sticker. This fee shall not apply if the use is without the slip owner's knowledge or permission, although the owner of said boat will be subject to towing and storage charges/fees.

**E-Tickets:** I am going to repeat this again because I know that there are still a few Islanders that will be here for the first time this season.

Last year at the Town meeting, the Board of Island Trustees approved a three tier ferry rate structure. We implemented it this year. It provides the following:

A full discount rate for all property owners **that have established an "EZ Ride" account**. The owner of the account is the individual responsible for paying for the ferry passages. The account, once established, can be replenished by cash or check, or by an automatic transfer from the owner's bank account. Ownership of an account allows that person to access his / her account on line to review the account history and to purchase tickets at the discount rate.

1. A reduced rate for all tickets sold in the Administration Office. This rate is higher than the full discount rate but lower than the full price which is charged on the mainland. Frye Island property owners that do not establish an account will have to pay the office rate. For an example: A property owner with an account will be charged \$15.00 for a standard vehicle. A property owner without an account has to purchase ferry tickets in the office and will be charged \$25.00 for that same vehicle. If you own property on the Island I would suggest that you consider establishing an EZ Ride account.
2. The third rate is for all tickets purchased at the mainland ferry terminal. This rate for that same vehicle considered above would be \$35.00. The appropriate rate for all other non-standard vehicles would be based on the rate sheet which is available on the fryeisland.com website or in the office.

If you own an EZ Ride account the system will automatically send the email address that you provided on the application a notice when your account balance reaches the lower limit. This will prompt you to replenish your balance by either stopping in at the office or mailing a check payable to the Town of Frye Island. If you elected to replenish your account via a bank transfer, the system will notify you that this transaction has occurred. If you mail a check in to the office, please also include your lot #. In addition, the system generates a monthly statement showing balances and all transactions for your review. This notification and the statement are also sent to the email address that you provided.

---

When your EZ Ride account is established the system generates an email which is sent to the email address you provided. This is to verify that we have the correct email address. I have entered a couple incorrectly which I am sure is hard to believe. It also allows you to establish a password which is needed to access your account. Your EZ Ride ID card will not work until you have verified your email address and established your password. So, please do this as soon as you get the email. It will make it a lot easier for everyone concerned. Last year a glitch in the system allowed the EZ Ride cards to work even if the account was not validated but I think this has been fixed. We have had a few glitches with this process; primarily because of the layers of security that were added to this feature to protect the users. We continue to work at it but if you have any problems with this process please let me know at [wfournier@fryeisland.com](mailto:wfournier@fryeisland.com).

**Lake Level:** The lake level continues to inch its way up. Yesterday the level was at 264.89MSL which is about a foot lower than the same date last year. As long as it stays at this level, or higher, for the summer we should be all set

**Transfer Station:** As I mentioned before, we will be installing new compactors for the disposal of household trash and recyclables; one compactor unit for each. We are in hopes of having them operational soon.

In addition, the State of Maine requires that we license the transfer station. The license requires that we have an attendant at the transfer station whenever it is open and available. Therefore, we are going to have to stop using the path around the fence. We will be installing additional fencing to better secure the facility. This, no doubt, will be less convenient for all of us but we have no choice. When we get this implemented, we plan to increase the hours we're open to better accommodate the residents. I will keep you posted regarding our progress but you should consider this your warning. Your understanding and cooperation will really be appreciated.

**SAD 6 Budget Meeting:** The SAD #6 budget process has been a two step process since the State Legislature revised the law a few years ago. I suppose it is really a three step process. The first step is for the SAD#6 School Board to develop the proposed budget to present to the communities in the District. The first step for approval is the Budget Hearing. This will be held on Thursday evening May 31st at the Bonny Eagle Middle School in Buxton. At this hearing we go through the budget article by article. Any and all amendments are discussed and voted on. This is the only opportunity to modify the articles as proposed. All Frye Island registered voters are invited to attend.

The SAD 6 Budget Committee has proposed a budget for the 2012 – 2013 fiscal year of \$42,700,742 which is \$1,292,992 (3.12%) more than last year's budget. After this hearing the final budget must be validated at a referendum election by all of the Towns in the school district. This validation referendum election will be held on Tuesday June 12 at the Community Center. The polls will open at 10:00AM. Absentee ballots are now available. The proposed budget has been posted on the Town bulletin boards for your review.

**Primary Elections:** State wide primary election and SAD #6 validation referendum elections will be held on Tuesday June 12, 2012. The polls will open at the Community Center at 10:00 AM and close at 8:00 PM. If you are a registered Town voter, and enrolled in one of the recognized political parties (Democrat, Green, Republican) you will be able to vote for the candidates in the party you are enrolled in and on the referendum article. If you are registered to vote in the Town, and are not enrolled in any of the recognized political parties, (Unenrolled), you will be able to vote on the referendum article only. Absentee ballots are available now in the Town Office. If you will be unable to vote at the polls, please request an absentee ballot from the office.

**Executive Committee Meeting:** The next Board of Selectmen / Executive Committee meeting has been scheduled for Saturday May 19th. The meeting will be held at the Community Center and will begin at 9 AM. Have a safe week!

Wayne

The “Trench Monkeys” are back!

Harry “Papa” Holgersen, Steve “Stumpy” Kaplan, Tim “Jedi” Knight

Please drive carefully in the construction zone; the monkeys are short and hard to see.

Work continues on the Transfer Station compactors, we hope to have them up and running in the next two weeks.

Thanks to Pete and Nanci Salinger for their donation of a new microwave for the Transfer Station Shack.

### ***Illegal Parking***

In the very near future you will be seeing handicap parking spots at Long Beach Marina. These spots are reserved for island residents and visitors who truly need them.

Now I know there are several people on the island that have blue handicap placards either on their registration plate or hanging from their rearview mirror. These designated parking spots are for people who have a hardship with mobility. Please use your good sense and leave the parking spot for beach visitors who truly need it. So for the person who chooses to save a few steps and not park in the upper parking lot and parks in the designated handicap parking spots, a parking ticket can be expected. I plan on running this for a few weeks to give everyone the heads up and hopefully gain a level of voluntary compliance.

Thought for the week;

“One out of four people in this country is mentally unbalanced. Think of your three closest friends; if they seem OK, then you're the one.”

### ***Unlicensed Golf Cart Operation***

Again, last October the town voted to add to the golf cart ordinance a provision that gives authority to summons people who allow unlicensed operation of a golf cart. Typically, we stop a kid driving a golf cart without a license and their typical response is “my parents said it was ok” I honestly don't have it in me to give a ticket to a 14 year old kid for doing what their parents said was ok. On the other hand, I don't know what some parents are thinking. I'm going to let my kid play in traffic on a motorized golf cart on the same roads construction equipment and full size vehicles operate on. Often complaints are made about island speed, especially in the area of the ferry landing. So let the kid take the golf cart to the store for an ice cream, makes zero sense to me.

## Recreation Department

Welcome back to Frye Island. This season promises to be a very busy one for the recreation department. The Community Center will be open Sunday – Saturday 10am-4pm. Extra evening hours have also been added. The center will officially open on July 1, 2012. Until the high season begins the center will be opened on some weekends from 10am-1pm. The first weekend will be Memorial weekend. We will also be opened during the ice cream social.

Due to the fact that the Community Center is being used more we have established a calendar so that we can eliminate double bookings of the same area. Everyone who plans a meeting or event must fill out an application to reserve an area. This can be done in the town office. The request will then be forwarded to the town manager and be approved by him. It is then sent to me and I will make sure the area is available and then will notify the individual on the status of their request. This procedure will be followed by everyone who plans a meeting or event. Thank you in advance for your cooperation.

I have had some people contact me in regards to employment and activities. If you would like to contact me by e-mail, my address is as follows: [Peteach1@verizon.net](mailto:Peteach1@verizon.net) In the subject area please use: Frye Island Recreation

CELEBRATION OF LIFE FOR DON HADLEY

Sunday, May 27<sup>th</sup> – 7:00 pm, Cocktail Beach

Bring your own chairs

(or at the Community Center, in case of rain)

Long time Frye Island resident Don Hadley passed away on February 3 in Myrtle Beach, SC, at the age of 83. Don was a 40+-year Frye Islander who lived many summers here with his wife Maggie and daughters Lynn and Laurie and their families. His daughter Lynn says that when they first arrived in 1965, there was no Sunset Road and no Leisure Lane on the west side of the Island. They actually had to boat to Cocktail Beach, and walked through the woods to pick out the spot for their first home, the Frog House that many will remember, which was built the following year.

Don was known and respected by many Islanders as a true gentleman and a wise counselor. After his retirement, he took on a second career as real estate developer, and together with his partner, Tom Oliver, built and sold many spec homes on the Island. Don was an FII Board Member for many years, served as Real Estate Vice President, and later as a real estate broker with Krainin Real Estate. He was instrumental in the development of the Marina and many other Island projects. After building his and Maggie's long-planned dream home on the Duck's Head, Don's favorite construction project was the lighthouse on Duck's Head point.

Please join Lynn and Joe Dudics and the Island real estate community for a celebration of his life and remembrances on Sunday, May 27, at 7 pm. Parking at Cocktail Beach is limited, so golf carts are suggested if you have them. There will be a champagne toast; please bring your own beverage if you prefer something different or stronger. Please, if you wish to share remembrances and if you're attending please RSVP to Maggie Krainin - [maggie@krainin.com](mailto:maggie@krainin.com)
