VOLUME 2014, ISSUE 10

JULY 4, 2014

Island Manager's Comments

Introduction: Greetings and Happy 4th of July to all of you. This is my first FINS and I would like to introduce myself. My name is Gary Donohue and my wife Diane and I have been residents on Frye since September of 1998. I have served as an Executive Committee member for the past four years. We have grown to love this small, unique, recreational community over the past sixteen years and it was my motivation to apply for this position.

I first would like to congratulate my mentor Wayne Fournier on his 12 years of service. Wayne will stay on as appointed Treasurer and help me during my orientation period.

My main focus during the busy season is to keep our operations running smooth and efficient. I am blessed to be surrounded by an excellent staff in all departments.

I want you all to enjoy the events and festivities this weekend.

Gary

NIXLE: Our NIXLE system is up and running. This system will notify all subscribers of important / emergency notices in their selected areas via text, web, and email. The best part of this is that it is a free service to both the municipality and to residents as well. We can initiate notices to all Islanders that subscribe to the service. However, in order to access the notices you will be required to subscribe. You can subscribe by going to their website at www.nixle.com and following the prompts. A test notice was sent yesterday to those that have enrolled. I would encourage everyone to subscribe to this service. It is an ideal way to be notified of issues that may affect your time on the Island.

Charter Amendment: We have been publishing a proposed charter amendment that, if approved, will change the annual town meeting date from Columbus Day weekend in October to a date on or before the last Saturday in August. State statutes require that the vote on this amendment be by registered Frye Island voters only. However, there have been a number of people question whether members of the BIT (Board of Island Trustees) would be allowed to speak at a special meeting. The consensus was "NO" but I felt one last discussion with legal counsel was warranted. So I made that call yesterday morning. I knew that this vote had to be conducted by "secret ballot" but, somewhat to my surprise, I learned that the home rule statutes required that the vote be conducted by referendum. This means that there will be no special town meeting at all. Instead we will open polls and a secret ballot referendum vote will take place on Saturday July 19th at the Community Center. This will be a YES or NO vote. Yes to change the meeting date and no to leave it as is. The statutes allow us to open the polls as late as 10:00 AM but we cannot close them until 8:00PM. Because this is a referendum election, absentee voting will be allowed if you are a registered Frye Island voter and will not be able to attend in person. The proposed amendment is reprinted below. A majority of YES votes is required to pass the amendment and the total number of votes must be equal to or greater than 30% of the total votes cast in the last gubernatorial election. If this amendment passes, it will become effective January 1, 2015.

Fire Works: The fireworks have been scheduled for Saturday evening July 5th. They will begin as soon as the pyrotechnic technician feels it is dark enough for the display. In order for the office staff to participate in the activities planned for the weekend, the office will be closed all day Saturday July 5th. We will be open as scheduled on the 4th so if you need to conduct business in the office please plan accordingly.

Please remember discharging of Fire Works is illegal by ordinance and you will be charged!!

Pickleball: Pickleball, similar to tennis but different, is catching on in a lot of places around the country and here on Frye Island as well. I have been asked to mention that there will be a group of Islanders playing from 9AM to 11AM every Monday, Wednesday & Friday on the courts on Lancaster Loop (near the pool). Everyone is welcome to play whether you've played before or not.

Internet Access: A number of Islanders have inquired about possibility of getting internet access at the Community Center and we do have Wi-Fi there. It is presently a secure connection but if the Community Center is open, you can get the password from the person there in charge.

Meeting Reminders: The Frye Island Board of Directors has scheduled a meeting for 8:00AM on Saturday morning July 12th. The meeting will be held at the Community Center.

The next Executive Committee meeting has been scheduled for 7:00 PM August 15th at the Community Center.

The referendum election for the charter amendment will be held on Saturday July 19th, the polls will be open from 10:00AM until 8:00PM. The vote count, including the absentee ballots, will take place immediately following the closing of the polls. We will need volunteers to help man the polls and to count ballots after the polls close. Please call the office if you are interested.

Here We Go Again!

USS Zumwalt Day on Frye Island

After a one-year pause, a new ship is completing its construction at the Bath Iron Works, providing us with the opportunity to welcome its sailors for a day of R&R here on Frye Island. Sailors from three previous ships have all loved it, as have the Islanders who hosted them.

This ship is the first of a new class of destroyer, the USS Zumwalt, DDG 1000. It's half again as big as the older Arleigh Burke class, with half the crew, because of increased automation. It's really impressive, and it's commanded by no less than Captain James Kirk!

Save the date on your calendar, Saturday, August 9th, as we'll be looking for Islanders to help out.

As before, we will start with a welcoming ceremony and ballgame in the late morning, followed by a barbecue lunch and informal recreation in the afternoon, including swimming, boating and kayaking, golf, basketball, soccer, volleyball, and tennis. We will close the day by inviting groups of two to four sailors, as well as others with their young families, to the homes of Islanders for supper and relaxation. This has been the high point for many of the sailors in past years, who have been missing their own homes while on temporary duty in Bath.

Let us know if you are interested in hosting some sailors for supper, or in offering boat rides, partnering in golf or tennis, or contributing a pot luck dish for the noon barbecue. Please contact Dick Norris by e-mail at RichardCNorris@gmail.com, by telephone at 617-489-6997, or by using the signup sheets at the office.

The 2014 Fireworks

The 2014 fireworks are scheduled for Saturday evening, July 5th at dusk.

Reminder: This year, like all others, we will have to move some of the boats out of the Marina for the fireworks. The boats to be removed are slip numbers:

**SLIP(S) #84 THROUGH #130 LAKE SIDE
AND SLIP(S) #67 THROUGH #131 ROAD SIDE**

FIREWORKS PARKING AND ROAD SIGNS

No parking signs will be posted going to the Marina *working back from the Marina road* along Leisure and Birch. So depending on where you are coming from the postings will be on the left side. The small marina parking lot will only be used for Handicapped parking!

Party! It is Fourth of July hoo!

Once again we have some new This time we have added a

manufacturer of gourmet grocery items. We have stocked a number of items ranging from maple syrup to jams to salsas. Wanting to do a little something different for an early evening happy hour? We have an assortment of dip mixes and crackers to augment your selection. Be sure to check this out over by the coffee station. We have also augmented our selection of frozen gelato in the dairy case based on the great response that we have had so far to this offering. The gelato is made by Gelato Fiasco, a Portland based manufacturer of gelato. Their products are icy good!

One of the items that we mentioned last week that we want to bring to your attention again is that we have added pre-packaged deli meats from Dietz-Watson. This is the same manufacturer that you find at the deli counter in your grocery store. We have packages of roast beef and sandwich pepperoni that are approximately 1 lb each and packages of turkey breast that are approximately 2 lbs. These can be found in the cooler near the dairy products. Also be sure to check out our selection of fresh vegetables. We have a nice selection of produce to augment your salad and complement your meal.

Of course you know about the great beer selection that we have. When you want to try something new, we have a great selection of 22oz beers from Stone Brewing, Clown Shoes and Southern Tier. Treat yourself to something different! And if you are a wine drinker, hopefully you have already seen our expanded selection of wines to choose from.

One final note about the store. If you need some Fourth of July trinkets or some sparklers to help celebrate the day, you can find them at the store!

In the café, the increase in the wine selection appears to be a hit with a number of folks opting for a "premium" glass or even a whole bottle. Be sure to ask about our improved selection and feel free to make suggestions if there is something that you would really like to see us carry. Specials keep rotating thru the menu and lately we have had several salads as a cooler option while we make it through the hot and humid weather. I imagine that we will see some more of that this weekend in addition to some more Texas style smoked brisket from "Chef Boy R Dave". In the bar we have lots of things going on with the onset of the summer season. Also in an attempt to beat the heat we will be sure to have some specialty frozen drinks to choose from to celebrate the holiday weekend.

Saturday and Sunday are breakfast buffet days. Start your weekend day off with a meal ranging from fresh fruit, muffins, eggs, breakfast meats and more. And you can even top it off with a Mimosa or Bloody Mary. Now that is putting icing on the cake! Also during breakfast and throughout the remainder of the day, our coffee bar is up and operational offering a range of lattes and other custom made coffees served from our bar. We whip up a wicked good peppermint mocha latte or a cookies and cream frappe! Be sure to check them out. And if you come in during the breakfast hour, enjoy a small specialty drink and a muffin from the bar for \$5. A hot steaming deal!

And don't forget about the fun down at the café! All of our summer activities are launched, including our first round of trivia completed this past Tuesday. How about them Sixties! On Saturday nights we feature live music from Alana MacArthur starting at 7pm and this Sunday once again we are pleased to have Frank Limauro entertain us with his keyboard and selection of "golden oldies" starting at 5pm. Last week Frank convinced me to channel my inner Frank Sinatra and sing along with him for a song. Who knows, maybe this week it will be Engelbert Humperdinck that I channel! You certainly would not want to miss that! J

And looking out a couple of weekends, we will have the Baxter Tap Takeover on Saturday July 19. \$4.50 drafts of some of the best beer to come from the state of Maine. It's sure to be a good time! Be sure to come on down between 3pm and 6pm to meet a brewery representative and see what kind of trinkets they are giving away. But the beer will pour all day, or until it's all gone!

With regards to our schedule, **please note that we will be closing early on Saturday July 5th at 7:30pm. Thanks for your understanding.** With regards to the balance of our schedule, our hours for the coming week are as follows:

Store Hours

Monday thru Sunday	8:00am	9:00pm
With exception of Saturday July 5th	8:00am	7:30pm

Café Hours

Monday thru Thursday	11:00am	9:00pm
Friday	11:00am	10:00pm
Saturday July 5th	8:00am	7:30pm
Sunday	8:00am	9:00pm

And so let the good times on Frye Island roll! We look forward to seeing you down at the store and café.

The Frye Island Volunteer Fire Department is once again collecting returnable bottles and cans at the Transfer Station. If you wish to donate your bottles and cans, the transfer station attendant will direct you to the proper location, which is to the far right upon entering the facility. Proceeds from the bottles and cans go towards funding the Frye Island Firefighters Association to help defray the cost of community events such as the Fire Department Open House and Hot Dog Picnic held over the July 4th weekend. The Hot Dog Picnic will be held this year on Saturday, July 5th immediately following the parade, at the Fire Station on Fairway Lane. All are welcome.
