VOLUME 2014, ISSUE 11

JULY 11, 2014

## ***Island Manager's Comments***

It was unfortunate that the weather did not behave for the July 5<sup>th</sup> fireworks. As you all are aware, we experienced a lot of wind and a very rough body of water. We were advised by the pyro technic company that we should cancel and for everyone's safety we decided to reschedule.

I am now in my second week, and the learning curve will take some time.

I have decided to revert back to the regular ferry schedule, without shuttling, until it is proven to me that it is efficient. The schedule supplied and approved by the Select-people is now in effect.

**Ferry:** It has been brought to my attention that we have had several minor fender benders on the ferry in the last couple of weeks.

## **Please place your vehicles in Park and engage your Emergency Brakes!**

Let us all be careful out there and have fun!

Gary D.

**NIXLE:** Our NIXLE system is up and running. This system will notify all subscribers of important / emergency notices in their selected areas via text, web, and email. The best part of this is that it is a free service to both the municipality and to residents as well. We can initiate notices to all Islanders that subscribe to the service. However, in order to access the notices you will be required to subscribe. You can subscribe by going to their website at [www.nixle.com](http://www.nixle.com) and following the prompts. A test notice was sent yesterday to those that have enrolled. I would encourage everyone to subscribe to this service. It is an ideal way to be notified of issues that may affect your time on the Island.

**Charter Amendment:** We have been publishing a proposed charter amendment that, if approved, will change the annual town meeting date from Columbus Day weekend in October to a date on or before the last Saturday in August. State statutes require that the vote on this amendment be by registered Frye Island voters only. However, there have been a number of people question whether members of the BIT (Board of Island Trustees) would be allowed to speak at a special meeting. The consensus was "NO" but I felt one last discussion with legal counsel was warranted. So I made that call yesterday morning. I knew that this vote had to be conducted by "secret ballot" but, somewhat to my surprise, I learned that the home rule statutes required that the vote be conducted by referendum. This means that there will be no special town meeting at all. Instead we will open polls and a secret ballot referendum vote will take place on Saturday July 19<sup>th</sup> at the Community Center. This will be a YES or NO vote. Yes to change the meeting date and no to leave it as is. The statutes allow us to open the polls as late as 10:00 AM but we cannot close them until 8:00PM. Because this is a referendum election, absentee voting will be allowed if you are a registered Frye Island voter and will not be able to attend in person. The proposed amendment is reprinted below. A majority of YES votes is required to pass the amendment and the total number of votes must be equal to or greater than 30% of the total votes cast in the last gubernatorial election. If this amendment passes, it will become effective January 1, 2015.

---

**Fire Works:** The fireworks have been re-scheduled for Saturday evening July 12<sup>th</sup>. They will begin as soon as the pyrotechnic technician feels it is dark enough for the display

**Please remember discharging of Fire Works is illegal by ordinance and you will be charged!!**

**Pickleball:** Pickleball, similar to tennis but different, is catching on in a lot of places around the country and here on Frye Island as well. I have been asked to mention that there will be a group of Islanders playing from 9AM to 11AM every Monday, Wednesday & Friday on the courts on Lancaster Loop (near the pool). Everyone is welcome to play whether you've played before or not.

**Internet Access:** A number of Islanders have inquired about possibility of getting internet access at the Community Center and we do have Wi-Fi there. It is presently a secure connection but if the Community Center is open, you can get the password from the person there in charge.

**Meeting Reminders:** The Frye Island Board of Directors has scheduled a meeting for 8:00AM on Saturday morning July 12<sup>th</sup>. The meeting will be held at the Community Center.

The next Executive Committee meeting has been scheduled for 7:00 PM August 15<sup>th</sup> at the Community Center.

**The referendum election** for the charter amendment will be held on Saturday July 19<sup>th</sup>, the polls will be open from 10:00AM until 8:00PM. The vote count, including the absentee ballots, will take place immediately following the closing of the polls. We will need volunteers to help man the polls and to count ballots after the polls close. Please call the office if you are interested.

You've probably noticed the garden to the left of the Ferry Landing has been dug up this week. This is the start of our Ferry Garden renewal project.

The plan incorporates plants native to this zone, deer repellent, drought tolerant, low maintenance, and colorful from spring when the season starts to fall when it closes. They will be labeled so you know what the plant is should you want to try something similar on your property.

The planting date is set for Friday, the 18<sup>th</sup>. Keep that in mind when parking to wait for the ferry! The two trucks and crew will be here mid-morning leaving mid-afternoon.

## Here We Go Again!

## USS Zumwalt Day on Frye Island

After a one-year pause, a new ship is completing its construction at the Bath Iron Works, providing us with the opportunity to welcome its sailors for a day of R&R here on Frye Island. Sailors from three previous ships have all loved it, as have the Islanders who hosted them.

---

This ship is the first of a new class of destroyer, the USS Zumwalt, DDG 1000. It's half again as big as the older Arleigh Burke class, with half the crew, because of increased automation. It's really impressive, and it's commanded by no less than Captain James Kirk!

Save the date on your calendar, Saturday, August 9<sup>th</sup>, as we'll be looking for Islanders to help out.

As before, we will start with a welcoming ceremony and ballgame in the late morning, followed by a barbecue lunch and informal recreation in the afternoon, including swimming, boating and kayaking, golf, basketball, soccer, volleyball, and tennis. We will close the day by inviting groups of two to four sailors, as well as others with their young families, to the homes of Islanders for supper and relaxation. This has been the high point for many of the sailors in past years, who have been missing their own homes while on temporary duty in Bath.

Let us know if you are interested in hosting some sailors for supper, or in offering boat rides, partnering in golf or tennis, or contributing a pot luck dish for the noon barbecue. Please contact Dick Norris by e-mail at [RichardCNorris@gmail.com](mailto:RichardCNorris@gmail.com), by telephone at 617-489-6997, or by using the signup sheets at the office.

### ***The 2014 Fireworks***

The 2014 fireworks have been re-scheduled for Saturday evening, July 12<sup>th</sup> at dusk.

**Reminder:** This year, like all others, we will have to move some of the boats out of the Marina for the fireworks. The boats to be removed are slip numbers:

**SLIP(S) #84 THROUGH #130 LAKE SIDE  
AND SLIP(S) #67 THROUGH #131 ROAD SIDE**

### ***FIREWORKS PARKING AND ROAD SIGNS***

No parking signs will be posted going to the Marina *working back from the Marina road* along Leisure and Birch. So depending on where you are coming from the postings will be on the left side. The small marina parking lot will only be used for Handicapped parking!

## General Store and Café

655-4256

The summer is now in full  
a good time will be had by all!

**Scheduling note. Saturday  
closing at 7:30pm. Thanks for  
regularly scheduled programming...**

We had our first farmers' market last Thursday and it was very well received. Based on this response, we plan to hold the farmers' market each Thursday through at least the end of July. Stop by and see what we have to offer from local Maine farms. When you come down, also be sure to check out our selection of items from Stonewall Kitchen, a local manufacturer of gourmet grocery items. We have stocked a number of items ranging from maple syrup to jams to salsas. Wanting to do a little something different for an early evening happy hour? We have an assortment of dip mixes and crackers to augment your selection.

Of course you know about the great beer selection that we have. When you want to try something new, we have a selection of 22oz beers from Stone Brewing, Clown Shoes and Southern Tier that are available in the store. Treat yourself to something different! And if you are a wine drinker, please be sure to see our expanded selection of wines to choose from.

In the café, we have increased our selection of wines with "premium" wines available by the glass or the bottle, in addition to the house wines that we continue to offer. We would like to provide a range of choices, similar to what we do for craft beer, for our wine drinking clientele. Feel free to make suggestions if there is something that you would really like to see us carry. Specials keep rotating thru the menu and lately we have had several yummy salads as a cooler option while we make it through the hot and humid weather. I expect this trend to continue for the immediate future. And I would also expect that we will see something come in off the smoker this weekend. Maybe some brisket on Sunday! And at the bar, be sure to check out the specialty frozen drinks to choose from to cool off from the hot and humid weather.

Saturday and Sunday are breakfast buffet days. Start your weekend day off with a meal ranging from fresh fruit, muffins, eggs, breakfast meats and more. And you can even top it off with a Mimosa or Bloody Mary. Also during breakfast and throughout the remainder of the day, our coffee bar is up and operational offering a range of lattes and other custom made coffees served from our bar. We whip up a wicked good peppermint mocha latte or a cookies and cream frappe! Be sure to check them out. And if you come in during the breakfast hour, enjoy a small specialty drink and a muffin from the bar for \$5. A hot steaming deal!

And the fun never stops down at the café. Our summer activities are in full swing. Trivia completed its second round and the Savage Nomads are back and savage! Wednesday karaoke played through despite the rain and some early technical difficulties and will do so again this coming Wednesday. Come on down and see who future American Idol contestants are! This Saturday night we will feature live music from Alana MacArthur starting at 5pm (in light of our early close) and on Sunday we will have Frank Limauro and his electronic keyboard starting at 5pm as well. The music has been great and we encourage you to come on down to be serenaded while you enjoy a meal, a cold drink or just an ice cream.

On a more serious note regarding the café activities, we recognize that we have a challenge with the growing popularity of Tuesday night trivia and not being able to accommodate all customers who would like to dine with us on these evenings. We apologize for this and are working on several possible solutions to address this going forward. Thanks for your patience and understanding in the meantime.

Back to the fun stuff and looking out to next weekend, we will have the Baxter Tap Takeover on Saturday July 19. \$4.50 drafts of some of the best beer to come from the state of Maine. It's sure to be a good time! Be sure to come on down between 3pm and 6pm to meet a brewery representative and see what kind of trinkets they are giving away. But the beer will pour all day, or until it's all gone!

With regards to our schedule, **please note that we will be closing early on Saturday July 12<sup>th</sup> at 7:30pm. Thanks for your understanding.** With regards to the balance of our schedule, our hours for the coming week are as follows:

### Store Hours

Monday thru Sunday	8:00am	9:00pm
<b>With exception of Saturday July 12<sup>th</sup></b>	8:00am	7:30pm

### Café Hours

Monday thru Thursday	11:00am	9:00pm
Friday	11:00am	10:00pm
<b>Saturday July 12<sup>th</sup></b>	<b>8:00am</b>	<b>7:30pm</b>
Sunday	8:00am	9:00pm

And so let the good times on Frye Island roll! We look forward to seeing you down at the store and café.  
Amy and Dave Wagner

Director of Public Works & Ferry Service

The Trench Monkeys are making quick progress (short streets) and are now on upper North Beach Road, please be aware that there will be road closings.

Ferry: in case you didn't notice we had a few people on the island last weekend. Your ferry crews worked very hard in hot weather and thunder storms to move you all back and forth, with a couple of ferry breakdowns and a few medical emergencies thrown in. GREAT JOB FERRY CREWS!

Transfer Station: We had a banner weekend at the Transfer Station with both the trash and recycle dumpsters full to capacity, on top of that it was extremely hot. Thanks to Deb and Trish who work there in what I call "The Desert of Frye Island" (it's always hot and dusty there)

New Town Hall, work is progressing, we have all of the trusses installed and are starting to plywood the roof, Thanks to the truss crew who worked two different days to complete the trusses, THANKS to, Ernie Wrzesinsky, Jay Freshwater, Ron Cedrone, Tony Torra, Charlie Schaefer, Tom Sibley, Pat Bixby, and Boris Rotar. Did you know? Tom Sibley brings his entire crew to work on the new Town Hall when time allows on his own projects. THANKS TOM!

NEXT WORK DAY, This Saturday at 8:30 am, we will be closing in the gable ends and completing plywood sheathing.

## **Sunday Afternoon Mixed Scramble Returns**

For many years we used to have a "mixed scramble" on Sunday afternoons at 1:00 PM.

It was very popular and provided a great opportunity for the guys and girls to play a relaxing 9 holes of golf in a scramble format. It created lots of laughs and was a great way to expand friendships.

We'll give it a try this Sunday. If you are interested we'll meet at the clubhouse at 12:45 to make up teams.

Hope to see you there.
