## Island Manager's Comments

I want to thank Public Safety and the many volunteers for a great job at the Fireworks display last Saturday evening. It was an excellent show.

**The Garden Club** is also doing a fine job of redoing the landscaping at the entrance to the Island, with a new look and the help of DPW.

**Special note:** On Saturday, August 2<sup>nd</sup> at 9 am, prior to the start of the softball tournament, there will be a special presentation at the ball field. We would appreciate a good attendance.

**Saturday July 19<sup>th</sup>** the office will be closed due to the election. The polls will be open from 10am to 8 pm for Frye Island registered voters. The results will be announced after the Select people ratify the count.

### Legality of Referendum Election (July 19, 2014)

I have read some emails and listened to some conversations regarding the Referendum Election. The email listed below from the Town's legal counsel explains the procedure clearly.

**From:** Kenneth M. Cole, III  
**Sent:** Thursday, June 26, 2014 11:49 AM  
**To:** 'wfournier@fryeisland.com'  
**Cc:** Lawrence R. Clough  
**Subject:** Charter vote

Wayne: Nice talking to you—we look forward to meeting with you and new manager, Gary Donohue. As to question re non-residents speaking at Town Meeting on Charter amendment, answer is it's not possible. As you know, on 2/3 vote of assembly, a non-resident is allowed to speak at a Town Meeting, however Charter amendments are governed by Maine's Home Rule Law (30-A MRSA 2101 et seq.) which requires voting by secret ballot referendum—see Section 2105 which requires use of the secret ballot provisions of section 2528 of Title 30-A even if not adopted by Town and so, since non-residents can't vote in referendum and with referendum there is no floor debate, answer is that their only input would be at selectmen's public hearing on the issue—note that per section 2104, at least 7 days after the hearing, municipal officers may order amendment to be placed on ballot at an election to be held at least 30 days after their order. **NIXLE:** Our NIXLE system is up and running. This system will notify all subscribers of important / emergency notices in their selected areas via text, web, and email. The best part of this is that it is a free service to both the municipality and to residents as well. We can initiate notices to all Islanders that subscribe to the service. However, in order to access the notices you will be required to subscribe. You can subscribe by going to their website at [www.nixle.com](http://www.nixle.com) and following the prompts. A test notice was sent yesterday to those that have enrolled. I would encourage everyone to subscribe to this service. It is an ideal way to be notified of issues that may affect your time on the Island.

**Internet Access:** A number of Islanders have inquired about possibility of getting internet access at the Community Center and we do have Wi-Fi there. It is presently a secure connection but if the Community Center is open, you can get the password from the person there in charge.

**Charter Amendment:** We have been publishing a proposed charter amendment that, if approved, will change the annual town meeting date from Columbus Day weekend in October to a date on or before the last Saturday in August. State statutes require that the vote on this amendment be by registered Frye Island voters only. However, there have been a number of people question whether members of the BIT (Board of Island Trustees) would be allowed to speak at a special meeting. The consensus was "NO" but I felt one last discussion with legal counsel was warranted. So I made that call yesterday morning. I knew that this vote had to be conducted by "secret ballot" but, somewhat to my surprise, I learned that the home rule statutes required that the vote be conducted by referendum. This means that there will be no special town meeting at all. Instead we will open polls and a secret ballot referendum vote will take place on Saturday July 19<sup>th</sup> at the Community Center. This will be a YES or NO vote. Yes to change the meeting date and no to leave it as is. The statutes allow us to open the polls as late as 10:00 AM but we cannot close them until 8:00PM. Because this is a referendum election, absentee voting will be allowed if you are a registered Frye Island voter and will not be able to attend in person. The proposed amendment is reprinted below. A majority of YES votes is required to pass the amendment and the total number of votes must be equal to or greater than 30% of the total votes cast in the last gubernatorial election. If this amendment passes, it will become effective January 1, 2015.

**Pickleball:** Pickleball, similar to tennis but different, is catching on in a lot of places around the country and here on Frye Island as well. I have been asked to mention that there will be a group of Islanders playing from 9AM to 11AM every Monday, Wednesday & Friday on the courts on Lancaster Loop (near the pool). Everyone is welcome to play whether you've played before or not.

**Referendum Election:** The referendum election for the charter amendment will be held on Saturday July 19<sup>th</sup>, the polls will be open from 10:00AM until 8:00PM. The vote count, including the absentee ballots, will take place immediately following the closing of the polls. We will need volunteers to help man the polls and to count ballots after the polls close. Please call the office if you are interested.

## Only Frye Island Registered Voters

**Meeting Reminders:** The next Executive Committee meeting has been scheduled for 7:00 PM August 15<sup>th</sup> at the Community Center.

## Here We Go Again! USS Zumwalt Day on Frye Island

After a one-year pause, a new ship is completing its construction at the Bath Iron Works, providing us with the opportunity to welcome its sailors for a day of R&R here on Frye Island. Sailors from three previous ships have all loved it, as have the Islanders who hosted them.

This ship is the first of a new class of destroyer, the USS Zumwalt, DDG 1000. It's half again as big as the older Arleigh Burke class, with half the crew, because of increased automation. It's really impressive, and it's commanded by no less than Captain James Kirk!

Save the date on your calendar, Saturday, August 9<sup>th</sup>, as we'll be looking for Islanders to help out.

As before, we will start with a welcoming ceremony and ballgame in the late morning, followed by a barbecue lunch and informal recreation in the afternoon, including swimming, boating and kayaking, golf, basketball, soccer, volleyball, and tennis. We will close the day by inviting groups of two to four sailors, as well as others with their young families, to the homes of Islanders for supper and relaxation. This has been the high point for many of the sailors in past years, who have been missing their own homes while on temporary duty in Bath.

Let us know if you are interested in hosting some sailors for supper, or in offering boat rides, partnering in golf or tennis, or contributing a pot luck dish for the noon barbecue. Please contact Dick Norris by e-mail at [RichardCNorris@gmail.com](mailto:RichardCNorris@gmail.com), by telephone at 617-489-6997, or by using the signup sheets at the office.

## General Store and Café

655-4256

Stuff! We have lots of it! Here's what's new down at the store.

We just received first delivery of some very special items, commemorative twin sized blankets/quilts and "antique" signs. The blankets are a 4x3 quilt style pattern of Frye Island and Maine memories. These are beautiful to look at and wonderfully soft to hold. We will retail these blankets/quilts for \$169 but are featuring an introductory price of \$150 for this weekend. Check them out at our Facebook page or in the store, hanging from one of the rafters. We also have extremely unique signs, commemorating the unique experiences that exist on the island and the lake. The signs range in size from 14x24 to 18x30. A wonderful addition to your lakehouse or a way to bring a piece of the island home with you. These are on display on the walls throughout the store.

We also have replenished inventory for some of our most popular novelty items, ornaments and household items from the Great Bay Pottery company and martini, wine and beer glasses etched with the Frye Island logo or the image of the island on Sebago Lake. Be sure to check out the new inventory before they are gone again!

The farmers' market continues this week and throughout the balance of July. The produce is wonderfully fresh and is sourced to the greatest extent from local Maine farms. Add some locally grown corn, sugar snap peas or some herbs to your home cooked meals. Yummy! When you come down, also be sure to check out our selection of items from Stonewall Kitchen, a local manufacturer of gourmet grocery items. We have stocked a number of items ranging from maple syrup to jams to salsas to spice up the dining experience.

This Saturday is Baxter Tap Takeover at the café. We will be featuring \$4.50 drafts of some of the best beer to come from the state of Maine. It's sure to be a good time! The beer will start to flow at 11:00am and continue until the Baxter is all gone! Be sure to come on down between 3pm and 6pm to meet a brewery representative and see what kind of swag they are giving away. I'm sure that you can pick up a Baxter bottle opener. J

If beer is not your thing (I can't imagine that!), be sure to check out the expanded selection of wine that we have available. The list of wines beyond our normal house wine can be found on the tabletop menu cards at each table. We hope that you are able to find something that you like! Specials keep rotating thru the menu and this past week it has been lobster. Lobster bisque, lobster club sandwich, lobster, lobster, lobster. We are in Maine. What would you expect?! Also back on the menu after a brief absence due to supply issues are clams. We should have enough to get us through the weekend but if you are having a real hankering for clams, be sure to come down sooner rather than later. And at the bar, be sure to check out the specialty frozen drinks to choose from to cool off from the hot and humid weather.

Saturday and Sunday are breakfast buffet days. Start your weekend day off with a meal ranging from fresh fruit, muffins, eggs, breakfast meats and more. And you can even top it off with a Mimosa or Bloody Mary. Also during breakfast and throughout the remainder of the day, our coffee bar is up and operational offering a range of lattes and other custom made coffees served from our bar. We whip up a wicked good peppermint mocha latte or a cookies and cream frappe!

And the fun never stops down at the café. Our summer activities are in full swing. Trivia completed its third round and the Savage Nomads are savagely out in front of the pack. In a battle for second place are "The Sixties" and "It's all Lianne's Fault". But it is a good time for all that participate. Wednesday karaoke played through despite the rain (again!) and will do so again this coming Wednesday. Come on down and see who future American Idol contestants are! Saturday night we feature live music from Alana MacArthur starting at 7pm and on Sunday we have Frank Limauro and his electronic keyboard starting at 5pm as well. The music has been great and we encourage you to come on down to be serenaded while you enjoy a meal, a cold drink or just an ice cream.

With regards to Tuesday nights and trivia, we will be trying out some ideas this coming week in an effort to better accommodate those customers who wish to dine with us but not play trivia as well as those who wish to play trivia but not dine. Please be patient with us as we attempt to arrive at a win-win solution!

With regards to our schedule, our hours for the coming week are as follows:

### Store Hours

|                    |        |        |
|--------------------|--------|--------|
| Monday thru Sunday | 8:00am | 9:00pm |
|--------------------|--------|--------|

### Café Hours

|                      |         |         |
|----------------------|---------|---------|
| Monday thru Thursday | 11:00am | 9:00pm  |
| Friday               | 11:00am | 10:00pm |

| Sunday               | 8:00am  | 9:00pm  |

And so let the good times on Frye Island roll! We look forward to seeing you down at the store and café.

Please be sure after boarding the ferry that you put your car in park and engage the emergency brake!

We have recently had too many on-board accidents because cars were left in neutral without the emergency brakes on. One car rolled backwards into a truck, and another rolled forwards into the car in front of it, causing damage to that car. Remember- it's car in park, engine off and emergency brake on please.

Thank You - Frye Island Ferry Crew

## Burgess Trail

Dear Frye Islanders,

For many years now, hikers, golf carts and snow mobiles have used the Burgess trail from Leisure lounge to Ridge Road. Just this year we have had speed demons threatening its use. The terminus of the trail passes through several private properties. Just last night a cart sped through at 3:30 am. Over the past two weeks we have had a Green Yamaha with a White roof, a black UTV and a white Yamaha with oversize knobby tires race through these properties at over 20 MPH. This is not legal on the road and certainly not on private property with young grandchildren playing!

Let's not ruin a nice ride and force the closure of access to this trail.
