TOWN WIDE RECEPTION

Everyone is invited to a town wide reception to show our appreciation to Wayne Fournier on Saturday, August 23 from five to seven PM upstairs at the Community Center. Please sign up at the office or email Pat Karpacz (skarpacz@aol.com) so we can plan accordingly. The committee will provide iced tea and lemonade but you can BYOB if you prefer. In traditional F.I. style, everyone is asked to bring a finger food type snack to share.

Dinner / Dance Saturday August 23rd, Guest of Honor Wayne Fournier

The Frye Island Employees are sponsoring a dinner/dance at the Community Center for retired Town Manager Wayne Fournier. Tickets can be purchased at the Golf Club for \$20 per person. This includes a lavish 3 course dinner by a renowned Frye Island Chef. After dinner there will be music and dancing to the Classic Rock Band "Drive All Night" specializing in 60s, 70s and 80s music. This will be a BYOB affair. Menu is corn chowder, salad, and choice of pork loin or chicken breast and desert. Tickets are now on sale at the Frye Island Golf Club. An open cocktail reception will be held upstairs of the Community Center starting at 5:00 pm until 7:00pm. Immediately following the reception, ticket holders will go downstairs for dinner and dancing, so PLEASE purchase your tickets early as seating is limited (only ticket holders will be admitted to the dinner/dance). For information call Laura Crosby at the Golf Course at 655-3551.

Island Manager's Comments

Office Hours

The office will remain closed on Tuesdays except for Code Enforcement.

Volunteers: We have numerous openings for elected and volunteer positions. We are looking for folks to join the Planning Board. Contact the office if you have an interest.

Elected positions:

School Board Representative is needed for SAD6. This seat has been vacant for quite some time.

My position on the Executive Committee does not expire until October of 2016. I feel it is in the best interest that I step down after the October elections. This will require at least three candidates to fulfill the vacancies.

Tim McCarthy and David Bond terms expire in October. At this time only Tim McCarthy has decided to run for reelection.

Selectmen: Brian Walker's seat expires in October also. No candidates to date have taken out papers for this seat. You must be a registered voter in the State of Maine to run for this position.

Starting in the FINS after Labor Day weekend we will begin to post biography information on the candidates that decide to run for these different positions.

EMAIL SYSTEM

The Town's email system has not been functioning very well. Fairpoint Communications has been making changes in their system. If you have been sending email to the office with no reply. Please feel free to call us for information or problems.

Ferry Tolls

It has been brought to my attention that a few island residents are not replenishing their ferry accounts after they are triggered by email for a low balance. I urge all residents to add an "ACH" account for this purpose. It takes all the thinking out of the process. For those of you residents that refuse to do the automatic replenishment, it becomes your own responsibility to replenish by mail or a visit to the office. Presently we have Islanders who are in arrears in their responsible island residents and families.

Effective on August 1, 2014 there will be no passage on the ferry if your account balance is below your toll fare. The vehicle or passenger will be charged at Tier 3 rates with no exception.

The Captains, mates, and all other ferry employees have been advised of this change. I would also appreciate the islanders to treat our employees with the respect that they have earned and deserve. If anyone has a complaint about the policy change I am certainly willing to hear their thoughts.

NIXLE: Our NIXLE system is up and running. This system will notify all subscribers of important / emergency notices in their selected areas via text, web, and email. The best part of this is that it is a free service to both the municipality and to residents as well. We can initiate notices to all Islanders that subscribe to the service. However, in order to access the notices you will be required to subscribe. You can subscribe by going to their website at www.nixle.com and following the prompts. A test notice was sent yesterday to those that have enrolled. I would encourage everyone to subscribe to this service. It is an ideal way to be notified of issues that may affect your time on the Island.

Internet Access: A number of Islanders have inquired about possibility of getting internet access at the Community Center and we do have Wi-Fi there. It is presently a secure connection but if the Community Center is open, you can get the password from the person there in charge.

Have a Great Week

Gary Donohue

Everyone is welcome to play whether you've played before or not.

Frye Island Triathlon - The TriFrye

The Recreation Committee will hold an informal triathlon at 10am on August 30th. The event is open to participants of all abilities, including those who would prefer to kayak instead of swim.

The two transitions will be at Beach 6 but the event will start on Beach 5. The swim leg will be from Beach 5 to Beach 6 (1/3 mile), then there will be a 6mi bike ride around the island followed by a 3mi run.

There is no entry fee and participants are expected to time themselves. If the event is successful, the Recreation Committee may sponsor a more organized event next year.

Please help us by registering at <http://tinyurl.com/TriFrye> if you would like to participate in the event or if you can help with event logistics or safety (especially kayaking or canoeing along the swim leg).

Frye's Leap

General Store and Café

655-4256

Online ordering! No need to call the store to place your take out order. Visit us online at www.fryesleap.com and click the link in the upper left corner of the page to place your order online. Your order goes direct into the kitchen, lickety-split! Pay for your order online with a credit card and all you need to do is sign the receipt when you come in to pick up your order. Be sure to check it out.

This coming Thursday, August 28, will be the last day of the summer that we will have our farmer's market available with a selection of fresh produce. Be sure to stop by and get some fresh vegetables before they are gone – gone – gone!

In the store we are entering the “wind down” time of year where certain items will not be replenished as they are sold out. We will continue to stock the basics such as dairy products and bread up to the end of the season but other items will become limited. We apologize in advance for any inconvenience that might cause. Despite entering the wind down phase there are a few things that we recently replenished as we move towards the fall season, a selection of fleece outerwear and more flannel pajamas. Something to help take the chill off a fall Frye Island evening!

In the café, fall seasonals are here. To our selection of Bonfire Rye from Sebago Brewing, Pumpkin UFO from Harpoon, and Smashed Pumpkin from Shipyard, we have added Oktoberfest from Harpoon as well. This Saturday we will be hosting one of our final two events of the season, a tap takeover with Sebago Brewing. We will have four Sebago Beers on tap, the ever popular Frye's Leap IPA, Bonfire Rye, and we will also be tapping for the first time this year at the café Runabout Red and Simmer Down, Sebago's summer seasonal. All Sebago drafts will be \$4.50 and we will have a brewery representative on site to discuss with you the finer points of their beers and also hand out a little swag. Swag is always good!

The following weekend, on Friday August 29, we will have a limited seating beer tasting highlighting beers from two west coast brewers, Rogue and Uinta. Rogue is one of the most innovative craft brewers in the US and Uinta makes an outstanding selection of beers, several of which we have had on tap over the last two seasons. We will have 3 beers from each brewery and the craft beer specialist from our beer supplier on hand to explain the differences in the beers that will be sampled. In addition to the beer, we will have a selection of food to complement the beer. Tickets for this limited seating event can be purchased at the café for \$25.

Moving on to the other activities at the café, this coming week will be the last week for our weekday events, Tuesday night trivia and Wednesday karaoke. Trivia completed its eighth round and the Savage Nomads remain in first although some ground was lost to “The Sixties” as “It's All Lianne's Fault” stumbled and fell back into third place. One more week to determine trivia dominance on the island! And of course we will be looking for more future American Idol contestants next Wednesday at karaoke, weather permitting.

We continue to have live entertainment at the café, featuring J.C. on guitar and vocals Saturday night, and the island's own Frank Limauro on the keyboards for your late Sunday afternoon listening pleasure.

With regards to our schedule, our hours for the coming week are as follows:

Store Hours

Sunday thru Thursday	8:00am	9:00pm
Friday and Saturday	8:00am	10:00pm

Café Hours

Monday thru Thursday	11:00am	9:00pm
Friday	11:00am	10:00pm
Saturday	8:00am	10:00pm
Sunday	8:00am	9:00pm

Looking ahead beyond the Labor Day weekend we will remain open in the café with a limited menu Friday, Saturdays and Sundays. We will continue to serve as long as the weather looks good, we have food in the coolers, beer in the bar and customers that come down to see us. We will be publishing fall hours in next week's FINS article.

And so for the time being, let the good times on Frye Island continue to roll as we approach the Labor Day weekend! We look forward to seeing you down at the store and café.

Early Reminder: Annual Golf Membership Meeting: Sunday, August 31 @ 11:00 a.m.

Please join us for our annual membership meeting at the Leisure Lounge. During this meeting we will review the 2014 season and discuss potential areas of improvement for 2015. In addition, we will welcome ideas for increasing revenue for the club which can be utilized for some of the improvements being discussed. During the meeting we will also elect (or re-elect) members onto the Golf Committee as we have a few members of the committee whose term is expiring at the end of the season. If you are interested in helping to drive to direction and initiatives for the Golf Club please consider putting your name in for election to the golf committee (nominations will be solicited during the meeting). Feel free to reach out to an existing golf committee member to see what joining the committee entails.

We look forward to seeing you there. –Golf Committee
