Island Manager's Comments

Note: The office will be closed from 9:30 am – Noon Saturday 9/20/14 due to a Board of Selectman meeting. If you have office business please come at 8am until 9:30am or 12pm until 3pm. Thank you.

Planning Board Public Hearing, September 20th at 9:00am at the Community Center.

BOS/EXCOM meeting, September 20th following the completion of the Planning Board meeting at the Community Center.

BOS/EXCOM meeting, September 27th at 8 am at the Community Center.

Town Meeting, 10/11/14. Registration begins at 8:00am, meeting starts at 9:00am.

Selectmen position

There is one Selectman seat up for election. You must be a registered voter of the Town of Frye Island to run for this position. To date we have one candidate.

Biography of Selectman candidate

Dale Frechette is seeking his first term as Town Selectman. He is self-employed in the excavation business and joined the island community just three seasons ago. He and his wife Beth have two children, a daughter, Michaela and son Boone. They live in Harrison, Maine. Beth is a Registered Nurse at Stephens Memorial Hospital in Norway, Maine. Michaela is a Licensed Esthetician, and Boone works in the family business with Dale.

Dale feels he is a good listener and has worked well with Code Enforcement, DPW, and other Town leaders to help the island community grow. Dale has made many friends on the island and would like to be a voice for everyone and their concerns.

Executive Committee

There are three seats on the Executive Committee up for election. Two seats are for a 3 year term, and one seat is for a one year term.

The qualifications are as follows.

1. US Citizen
2. 18 years of age

3. An owner or a spouse of an owner of real property located within the Town of Frye Island with a fixed home currently occupied by the person, maximum two people per fixed home.

Biographies of Executive Committee candidates seeking three year terms

Tim McCarthy is seeking his second term. Tim with his wife Mary and two children have been members of the Frye Island Community since 1996. Tim has been employed in the computer industry for 35 years, holding many senior management positions during his career. In addition to a busy professional life, he has served on the Frye Island Marina committee for 12 years with 5 years as the Chairman. Tim also serves on the Frye Island Board of Appeals with 5 years as Chairman. He also serves as an EVOC volunteer ambulance driver.

Tim is also the captain of the Beach 5 softball team with 2 championships. The McCarthy family resides at 159 Leisure Lane. During the off season the family resides in Hampton, NH. Tim believes one should pay back their time to an environment such as the island, given the amount of pleasure it provides.

Harry "Jay" Ledgard has also taken out papers to run for Executive Committee. Jay, his wife Perri, and their two children Zach and Devynn have resided at 801 Beachview Drive for 13 years. During their time on Frye Island they have enjoyed the beaches, boating, and have made many lifelong friends. Jay looks forward to serving the Island in every way possible. He currently serves on the Board of Appeals and the Marina Committee.

In his professional life he serves as the Vice President of Sales for Century-Tywood in Holliston, MA. Jay believes that with his business experience and open minded thought process he can be very constructive in a well balanced approach for the future of Frye Island. Jay wants to assure that Frye Island remains the special place we all have grown to love. He believes this can be accomplished with planned growth while maintaining the Island's unique character. In the off season his family resides in Sterling MA.

Bob Burbank is seeking the three year term on the Executive Committee. Bob has been the Town Manager for Andover, CT for the past 9 years. He believes in efficiency in government. During his terms the tax rate has had no increase for five years and has been lowered in the last two years. He obtained and administrated more than \$2 million in federal and state grants for his town. Before serving as town

manager he served on the Andover Planning and Zoning Commission as Chairman for 10 years, and the local Board of Education. Bob believes this experience will be beneficial to the town and the Executive Committee. He also served on the Frye Island Board of Directors in the early 90's. Bob had 20 years as a Fortune 500 Company Sales Manager and ran his own title searching business for five years.

Bob has been on the island since 1968 when his parents built. In 1975 he purchased the home from his mother. Since then Bob and his wife Marie have raised three sons and one daughter, spending each summer on the island. Now added to this group are their spouses and five grandsons who equally enjoy their summers on the island. Bob will be retiring in the near future and intends to move his residence to the island during the summers.

Biographies of Executive Committee candidates seeking one year term

John Schutz is seeking his first term on the Executive Committee. Frye Island has been his family retreat for the last 30 years. His kids spent their summers here; scooped ice cream, made pizza and went on to bigger jobs at the golf course and the road crews. They now work in Boston but always return years later with their kids. John presently serves as the Chairman of the Frye Island Board of Appeals.

After a career in industry he retired in 2005 from Cabot Stains and Paint where John was President and CEO. He currently chairs the board for a tuition free boys grade school in Lawrence, Massachusetts. John's wife Carol was a public school teacher in Lawrence, she has also retired.

For 30 years he feels the island has given his family great joy. John has come to respect the fine people who have given so freely of their time and believes it is now his duty to do the same. John's goal serving on the Executive Board would be to contribute to the great team currently in place with a focus on island safety and protecting the value of our homes. John resides at 1677 Ridge Road and in the off season North Andover, MA.

Deliveries of FedEx and UPS packages.

All packages are moved by volunteers to the Post Office with a guaranteed availability no later than 7 am the following day. If you have an urgent package delivery and it has been tracked as delivered, you have the right for pedestrian passage at no charge.

NIXLE: Our NIXLE system is up and running. This system will notify all subscribers of important / emergency notices in their selected areas via text, web, and email. The best part of this is that it is a free service to both the municipality and to residents as well. We can initiate notices to all Islanders that subscribe to the service. However, in order to access the notices you will be required to subscribe. You can subscribe by going to their website at www.nixle.com and following the prompts. A test notice was sent yesterday to those that have enrolled. I would encourage everyone to subscribe to this

service. It is an ideal way to be notified of issues that may affect your time on the Island.

Ferry Account Application

Once again I strongly urge all users to open an ACH account at the office. The attached application with the Option 2 section completed, as well as a voided check can be brought to the office or mailed in.

Office Hours

The office will remain closed on Tuesday's for training. Code enforcement will be open.

Sad News

Our condolences go out to the family on the passing of longtime islander Janice Lenehan on September 7, 2014. Donations may be made in her memory to the Wounded Warrior Project, P.O. Box 758517, Topeka, Kansas 66675 or please plant a tree or shrub in her memory.

Public Works

When leaving for the season disconnect your waterline from the street valve, leaving the valve in place. This will facilitate the blowing out of the town's waterlines in November.

Public Safety

Fire Barn: 207-655-8618

Emergency: 911

Non-Emergency Police Dispatch: 207-893-2810

Free Blood Pressure Check, First Aid

The Towns EMS continues to offer free blood pressure checks. This service will be offered Monday through Friday 10:00am to Noon at the Ferry Landing Rescue Barn next to the Post Office. Please stop by and say hi to the EMT's that are working on the island.

Also offered at no charge will be routine first aid. So for anyone that has an injury that needs attention, stop by the Rescue Barn and have the EMT's take a look at your situation, or **call 893-2810** for non-emergency, **911 for**

emergency and we'll come to you. As always, all patient care offered by Frye Island EMS will be at no charge, you will not get a bill. This is a service we are happy to offer to all islanders and visitors.

New NG 911 Addresses Coming Soon

The Island's new address system mandated by the State is complete and will be released soon. What this means to an island home owner is that we will no longer be recognizing traditional lot numbers as a residence address. The island will be transitioning to the more traditional numbering system we all are familiar with at our mainland homes, with even numbers on one side of the street and odd numbers on the other side of the street. The lot number we are all accustomed to will not change, it will just no longer be your address. The anticipated roll out for this will be this fall. This information will be included with your tax bill. The new address system will be given to the phone company to be input after the island closes this Fall 2014, and will be in full effect when we all return to the island in the spring of 2015. The new street number placards will be purchased by the Town and will be uniform for every residence. Installation of the numbering system is under consideration by the Board as to how to smoothly facilitate the change.

This change in numbering is an important improvement for a number of reasons. This will facilitate quicker response from your Police, Fire and EMS Departments. This will also allow island addresses to be input within phone company software so emergency dispatch centers can give accurate address locations to emergency personnel for emergency situations. And last but not least this change will finally make sense of our address system.

Fire Department

Thank you to the Frye Island Volunteer Fire Dept. Association for the donation of a brand new 2100 gallon portable folding water tank.

This critical piece of firefighting equipment replaces the existing older tank and allows us to have an uninterrupted water supply in the event of a serious fire.

The revenue collected from islanders who donate their bottles and cans to the Fire Department helped fund this purchase.

Thank You!!

Garden Club

THINK SPRING!!!

It may be difficult to think about spring when winter is yet to come but the Garden Club is busy planning their Plant and Bake Sale. It will take place on the Saturday of Memorial Day weekend, May 25, from

9 to noon. Why do you need to plan now -- because if you live on Frye Island, you are a member of the Garden Club and we need your help. We need raffle items, baked goods, seedlings from your garden and your presence to support the sale. Think spring and plan now to help your Garden Club.

Bobbex: Protect your plants from hungry deer. Call Nancy Perry at 655-5221 to get your Bobbex (concentrated form only).

Have you noticed these little white signs around the island?

A little history is in order. When Leisure Living went bankrupt, all of the unsold lots were deeded over to Frye Island, Inc. Since then, some of those lots have been sold and some (mostly unbuildable lots) have been put into conservancy. This serves a double purpose: 1) paring down the number of lots so as to comply with the court order to limit building to 750 lots and 2) to retain the natural woods of the island. The Conservation Commission has been given the responsibility to assure that these areas are left in their natural state and keeping Frye Island green.

TRUNK OR TREAT

We are going to have a new twist on the Halloween party for the kids this year on Oct 12th.....Trunk or Treat... decorate your golf cart or trunk of your car for Halloween and gather at the Rec parking lot and form a circle of participants . The kids will come around the parking lot to trick or treat to you. Let's show the kids a fun party and you will get to see all the kids in their costumes!

We will have some cookies and cider for all that participate! I would like the kids to come to the Rec Center for a few games and the Trunk or Treaters to arrive at 4:15 to get set up! If you look on the internet you will find lots of hints on how to decorate your cart, trunk, or truck. Don't forget the CANDY!

Frye's Leap

General Store and Café

Here we go!

The big wind down into the fall season continues. But we are still here at the store and café and hope that you find some time to come down and see us!

The café remains open on weekends with full service starting Friday at 2:00pm and ending Sunday at 6:00pm. On Saturdays we have college football on in the bar and pro football on Sundays. Come on down and have another Frye's Leap IPA or Switchback Ale before the season is done-done. We are still buying beer so that we still have beer to serve! And remarkably, we still have most of the menu available, although this may be the last weekend that this is the case. Our hours for full service at the café are as follows:

Café Hours

Friday	2:00pm	8:00pm
Saturday	11:00am	8:00pm
Sunday	11:00am	6:00pm

As for the rest of the week at the café, we do a limited takeout service starting at noon. Takeout will be available from noon until 2pm each weekday. And at the store, given how quiet things are, our hours are 8:30am until 2:00pm Monday thru Thursday. Inventory continues to thin but we are trying to keep some basics in stock. The hours for the store in the coming week will be:

Store Hours

Friday	8:30am	8:00pm
Saturday	8:30am	8:00pm
Sunday	8:30am	6:00pm
Monday thru Thursday	8:30am	2:00pm

Ice Cream hours for the fall weekends will be limited and inconsistent. Our ice cream staff are all busy at school so we will open as staff are available. When staff are not available, we have a selection of 12oz. hand packed containers from the ice cream stand with many of your favorite flavors that are available in the store on a grab and go basis. You can still satisfy your sweet tooth craving!

We look forward to seeing you down at the store and café one of these lovely Fall days!
