VOLUME 2015, ISSUE 7

JUNE 26, 2015

## Island Manager's Comments

Summer officially arrived on 6-21-2015. This means the child population will begin to climb for the next 8-10 weeks. Please drive carefully!!! I notice when walking some folks are driving too fast and need to be cognizant of our children, and other pedestrians.

Next weekend is the July 4<sup>th</sup> celebration. The Recreation department will have a listing of all events on the Island that weekend. After the golf cart parade, we will have a short dedication at the New Town Hall flagpole for Wayne Fournier. I urge all islanders to attend. Wayne served as your Town Manager for 12 years retiring June 30, 2014.

## Property Taxes

**Please remember Property Taxes are due June 30, 2015.**

## Ferry

There will be additional hours for the second ferry on Sunday morning during high season beginning June 28<sup>th</sup> and ending September 6<sup>th</sup>. The second ferry will start at 10:00am instead of noon.

## Park & Ride Appeal

The permit that was issued in April for the Park and Ride by the Planning Board for the Town of Raymond has been appealed by a group of aggrieved parties from both Raymond and Frye Island. I have requested our Webmaster to post this document for all interested parties.

## Transfer Station

Saturday 06/27/15: 10AM - 6PM

Sunday 06/28/15: 10AM - 6PM

Wednesday 7/1/15 10AM-6PM

As of 6/10/15, all brush brought to the Transfer Station shall not exceed 5 foot in total length. Brush longer than 5 foot will be turned away.

## Town Office Hours

The office will be open Tuesday thru Saturday from 9 am to 3 pm. Please take advantage of the available on-line services to help keep the line short in the office during high season.

If you have a brand new registration for a boat, car, golf cart or trailer, please try to come during the week when the office is not as busy. Call ahead to be sure you have all the proper documents and discuss with the office staff the possibility of an appointment time to complete the new registrations. A new registration can take more than an hour and you may be asked to leave copies of your documents for the registration to be completed and picked up later in the day or another day. **Please note the office will be closed Sat., July 4<sup>th</sup>, 2015.**

Please provide family, guests, and any vendors you have with one of the above tools for ferry passage.

## NIXLE

Our NIXLE system is up and running. This system will notify all subscribers of important / emergency notices in their selected areas via text, web, and email. The best part of this is that it is a free service to both the municipality and to residents as well. We

can initiate notices to all Islanders that subscribe to the service. However, in order to access the notices you will be required to subscribe. You can subscribe by going to their website at [www.nixle.com](http://www.nixle.com) and following the prompts. I would encourage everyone to subscribe to this service. It is an ideal way to be notified of issues that may affect your time on the Island

### **Code Enforcement Officer**

#### **John Thompson**

Office Hours Tues and Thurs 8:00 AM – 3:00 PM

### **Mailing Addresses**

In October of 2014 I requested a new Zip Code from the USPS. The request was denied on January 7, 2015. At this point, please continue to use your lot numbers for your mailing address. We are presently working with the Postmaster in Windham to reach a logical solution.

**Example: Town of Frye Island**  
**1 Sunset Road**  
**Frye Island, Maine 04071**

### **New Signs (E911 numbers)**

The DPW is presently installing the new numbers on Town property. Please do not move these signs after the installation. The signs are the property of the Town of Frye Island. These new NG 911 signs are standardized and placed a certain way at a designated height for a reason. Even though a sign has been installed, there may be some changes to your number as numbering issues get resolved.

### **Package delivery protocol**

All packages delivered by any courier service (UPS, FEDEX, etc.) will be delivered to the Post Office by 7 am the following day. You are responsible to track your own deliveries. If you have a package that is perishable, medicine, overnight delivery you have the right to free pedestrian passage to collect your package at the Ferry trailer once you track and it states delivered.

### **Fireworks**

The Frye Island fireworks display is scheduled for July 4<sup>th</sup> Saturday evening. Your **Contributions** for the show are greatly appreciated.

The fireworks will be off Long Beach on Saturday night the 4th at dusk. (8:45-9:15)

Reminder: if you have a boat in the Long Beach Marina in slip # 84 through #130 on the lake side or #67 through #131 on the causeway side, your boat **MUST BE MOVED** by 5PM to allow the pyro technicians the time to set up the display safely. Even if you don't have to move your boat and you are planning on viewing the fireworks from the lake, you must be out of the marina by 5 PM as well. The marina will reopen immediately following the fireworks display. In the event that poor weather postpones the event as it did last year a sign will be placed on the bulletin board.

### **Variable Milfoil**

Presently the Long Beach Marina and two other sites in the Quail Circle area have variable milfoil. The Town has taken steps to construct a DASH machine (Diver Assisted Suction Harvester). Our diver Mr. Larry Pilotte has advised us that with this equipment he will remove three times the amount per shift. He is asking for volunteers to assist him with this worthy project.

Larry's comment: **Volunteers in helping with eradication of milfoil are greatly needed. Most of the work would be done on Tuesdays and Thursdays. Time frame 9:30am - 2:00pm. Assisting diver in bagging. Walking shoreline and picking up loose fragments. If you have kayak available, gathering floating fragments is needed. Creating a "milfoil team" will ensure to control this invasive nightmare.**

**Tel# 603 398 0833 email: [divecon@juno.com](mailto:divecon@juno.com)**

### **Contact Information**

The Administration is trying to update the Island address book. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at [fitownclerk@fairpoint.net](mailto:fitownclerk@fairpoint.net) This will allow us to reach you with any pertinent information year round. Our last few mailings had many returns or bounce backs.

I think I got ahead of myself last week when I said that summer was here. Hopefully this really is the weekend that summer will arrive as snow days have been made up and school is truly out. We are looking forward to seeing familiar faces and friends down at the store and café!

In the store, we are good to go. It seems like all nooks and crannies are filled with either clothing, novelties, beer or candy. If we find an available nook, we stock it! The one area we are still working on is fresh produce and our farm stand. Our plan is to be up and running midweek next week. When you come down to the store, be sure to look around to familiarize yourself with how we have things laid out and are using those nooks and crannies. If there is something that you cannot find in the store, please be sure to let us know. Also, there is a sale table(s) outside the store on the deck with some of our "oldies but goodies", discounted at 25% or more, where we have run low on size and color selection.

In the café we have the full menu up and running. You will find a number of new items on the menu as well as some of your familiar favorites. There are swordfish kebabs, lobster tacos and a rotating pasta dish. Also recently introduced are our corn fritters and a "chum burger", a delicious seafood burger patty made with fresh cod and shrimp. Sure to be a Frye's Leap favorite! And of course you will still find our pizzas, burgers, steak and chicken bombs and the Frye Island famous BLAT on the menu. To complement your meal we have a great selection of craft beers and wine as well. Be sure to ask your server about these. And then for your listening pleasure we are delighted to have the island's own Alana MacArthur, who plays easy listening music at the café on Saturday evening at 7pm. And on Sunday afternoon we have the island's very own piano man, Frank Limauro. Both of these are a real treat for the ears!

Our activities are launched as well (weather permitting). We do trivia on Tuesdays and karaoke on Wednesdays. Both of these events start at 7:00pm on their respective evening. Come on out and join the fun! Below you can find the store and café hours that are planned through Labor Day (subject to change).

**Store Hours (subject to weather):**

Sunday thru Thursday	8:00am	9:00pm
Friday and Saturday	8:00am	10:00pm

**Café (subject to weather):**

Monday thru Thursday	11:00pm	8:30pm
Friday	11:00am	9:30pm
Saturday	8:30am	9:30pm
Sunday	8:30am	8:30pm

We look forward to seeing you down at the store and café.

The Frye's Leap Team

**Meet the team!**

This week we are excited to introduce you to our most tenured employee, Chris Rogers. Based on his experience Chris plays a number of roles on our team, from stocking to working on the café floor as a server attendant. He also is a frequent host at our Tuesday night trivia and will occasionally croon a song or two at Wednesday night karaoke! Chris graduated from Mildred Elley Business School with a focus in business and hospitality. When he is not working he loves to travel, which gives him a great opportunity to practice one of his other passions, photography. If you have bought a postcard at the store, there is a good chance that it may have been one of Chris' photos! Chris' goals are to stay happy, healthy and active! Be sure to say hi to Chris when you see him at the café!

### ATTENTION ALL ISLANDER'S ..... SAVE THIS DATE!

On Saturday, July 25<sup>th</sup>, there will be a dinner followed by an auction at the Leisure Lounge. Anyone willing to donate appropriate items, please contact Nancy Fournier at [nancy4nier@gmail.com](mailto:nancy4nier@gmail.com) with item description and approximate value. We are hoping for lots of great donations. Some past favorites have been various golf related items, assorted baskets (wine, liquor, cheese, crackers, etc.), beach/water related items, gift certificates, a week's use of a vacation get-away....use your imagination and try to come up with something really unique! Watch for more details in the coming weeks....you do not have to sign up for the dinner to attend the auction. Time and dinner menu will be announced soon. These auctions have always been a lot of fun in the past and a great way to get out and meet some of your fellow Islander's! All proceeds will go towards improving your Frye Island golf course!

## Fireworks Are Illegal On Frye Island

In 2011 the legislature voted to legalize fireworks in the State of Maine, the Governor signed the bill making it law. I'm still trying to wrap my head around this one. Fact; the most heavily forested state in the country, which is largely protected by volunteer fire departments now has to worry about people blowing things up in the often dry Maine woods.

During the October, 2011 Town Meeting, the Town voted to adopt a Town Ordinance making the use of fireworks illegal within the Town. This was done for several reasons, mainly to reduce the risk of personal injury, protecting the community of Frye Island from excessive fire danger, and the inconsiderate noise that not many people enjoy. Problem area in the past have been the Beach 3 & 5 areas, Long Beach and the area of the ballfield. Just a heads up, if anyone is caught illegally blowing off fireworks, they will be charged with a violation of the Towns fireworks ordinance. There will be no warning.

## Free Blood Pressure Check, First Aid

As high season gets closer the Towns EMS service will be offering courtesy blood pressure checks. This service will be offered Monday through Friday 10:00am to Noon at the Ferry Landing Rescue Barn next to the Post Office. Please stop by and say hi to the EMTs that will be working on the island this summer.

Also offered at no charge will be routine first aid. So for anyone that has an injury that needs attention, stop by the Rescue Barn and have the on duty EMT take a look at your situation, or **call 893-2810** for non-emergency, **911 for emergency** and we'll come to you. As always, all patient care offered by Frye Island EMS will be at no charge, you will not get a bill. This is a service we are happy to offer to all islanders and visitors.

## Free Boater Safety Course

Frye Island PD has schedule a boater safety course through the Maine Warden Service for Saturday, July 11<sup>th</sup> from 8:00am to 2:00pm. This course will cover all mandatory instruction for minors wishing to operate a watercraft as well as routine safety tips for all ages. The course will be held at the Fire Department and has a maximum attendance of 20 students. Please sign up at the Town Hall office.

## CPR Course

I have rescheduled the CPR course for Saturday, July 18<sup>th</sup> from 8:00 to Noon at the Fire Department. This course is open to the public and is intended to meet the needs of **Non First Responders**. I have a maximum class size of 12 students with preference given to Recreation and Golf Department employees. I encourage any islander wishing to attend to sign up in the Town Hall.

**Public Safety**  
**Fire Barn: 207-655-8618**  
**Emergency: 911**  
**Dispatch: 207-893-2810**  
**Dave Bond, Fire Chief**

The Town of Frye Island does not allow outside fires of any kind except by permit only. By long standing tradition, however, the Town has allowed outside fires “for warming and cooking” in an approved device such as a chimenea or other screened enclosure without obtaining a permit. Bonfires and campfires on beaches are strictly prohibited. As of June 1<sup>st</sup>, we have had some rain and the fire danger has dropped somewhat. Outside fires as described above will be allowed for the time being. Please check the FINS weekly or the FI Facebook page for updates. Please exercise extreme care with any outside fire. Thank you.

**FIFD COULD USE YOUR HELP!**

FIFD would like to welcome everyone back to Frye Island for another great season! We also want to remind you that if you would like to donate your returnable (deposit paid) bottles and cans to the fire department, you should drop them off at the FIFD shed at the transfer station, which is way over to the right before you get to the large trash and recycle containers. If purchased in Maine, that includes wine, soda, beer and water bottles and cans. Last year we redeemed your donations for \$928. We used this, plus some funds we had left over from prior years, to put on the 4th of July hot dog lunch and to buy a portable water tank to replace the old one that was no longer useable. The water tank is a great asset for the island, but the town budget wasn't able to fund it. Every little bit helps, and we really appreciate your donations!

**July 4, 2015 Fire Barn Hot Dog Lunch**

Come one, come all, to the community hot dog lunch, July 4 at noon at the Fire Barn! Brought to you by your volunteer fire department and funded by your generous contributions of returnable bottles and cans at the FIFD shed at the transfer station!

FIFD T shirts for children and adults will be for sale during the lunch. We hope to see everyone there!
