## Island Manager's Comments

### Invasive Aquatic Plant Management.

On May 15<sup>th</sup> I attended a meeting at the Lakes Environmental Association to become knowledgeable about the milfoil problems in the Lakes region. I was then asked to help organize all interested parties and surrounding Town Managers to get involved in a strategy to resolve this invasive problem.

Tuesday July 21 Roberta Hill Project manager for Maine Volunteer Lake Monitoring Program came to Frye Island to survey the three sites that are infested with milfoil. After the survey Roberta felt that our sites could be completely cleaned under the new DEP grant for 2015.

Wednesday July 22 I attended a meeting with surrounding Town Managers, Sebago Lake Action Cooperative, and the MVLMP. It was decided at the meeting that Frye Island will be one of the sites to be cleaned of milfoil in three major locations. Long Beach marina, Quail Circle marina, and the Channel at the turn of Leisure Lane heading South west. There will be a need for volunteers. I will update you as information of dates becomes available.

### Ferry Service FYI

The Ellie Corliss will be the lead ship this weekend. The Ferry Service has decided to keep the Leisure Lady on a restricted schedule due to engine issues. The ferry service will be shuttling, and run two boats only if the lines become too long. This week the Ellie Corliss broke down, fortunately it was just a water pump. Please be patient and schedule your trips accordingly.

Regarding new engines. I received an email from a concerned citizen about the costs for the engines.

The BOS/EXCOM approved up to 90,000.00 for this project. Here is the breakdown:

Two engines \$ 43608.00

Rebuild 2 transmissions \$ 7,000.00

Sea Trial \$ 500.00

Total 51,108.10 +/-

Installation and welding \$30,000.00 time and material.

Total cost approximately 81,108.00

The reason for the up to 90,000.00 is in case they find another problem while the work is being done.

### Milfoil Volunteers

Our Milfoil diver Larry Pillotte is in need of volunteers on Tuesday and Thursday from 10-3 pm at the Long Beach Marina. I want to personally thank those of you that have been helping with this effort. Larry's info: 603 398 0833 [divecon@juno.com](mailto:divecon@juno.com)

### Frye Island Board of Appeals

The Frye Island Board of Appeals will meet August 21, 2015. The meeting will be at the Community Center at 7PM.

### Mailing Addresses

In October of 2014 I requested a new Zip Code from the USPS. The request was denied on January 7, 2015. At this point, please continue to use your lot numbers for your mailing address. We are presently working with the Postmaster in Windham to reach a logical solution.

**Example: Town of Frye Island**

**1 Sunset Road**

**Frye Island, Maine 04071**

**New Signs (E911 numbers)**

The DPW is presently installing the new numbers on Town property. Please do not move these signs after the installation. The signs are the property of the Town of Frye Island. These new NG 911 signs are standardized and placed a certain way at a designated height for a reason. Even though a sign has been installed, there may be some changes to your number as numbering issues get resolved.

**Contact Information**

The Administration is trying to update the Island address book. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at [fitownclerk@fairpoint.net](mailto:fitownclerk@fairpoint.net). This will allow us to reach you with any pertinent information year round. Our last few mailings had many returns or bounce backs.

**The Fitness Center**

The progress on The Fitness Center is slow but moving forward. The Fitness Center is officially incorporated as a non-profit/mutual benefit and we have established a bank account so we can start renovations. Currently we are working to clear the rooms of belongings that have been stored there for many years, so patience is in order to allow time for those who need to relocate their belongings. After the space is clear, we will renovate including adding rubber flooring, opening the two rooms so they are joined, and adding lighting.

For those who have already pledged a donation, thank you for your generosity and please make your check payable to "The Fitness Center". You can deliver your donations to any of our board members, Alicia Vesprini, Ed Charrette, and Dave Lowe. If you haven't made a pledge, you can still donate to the cause. All donations will be going to renovating, adding equipment, servicing the equipment, and setting up The Fitness Center financially.

**FINS Submissions**

Friendly reminder that FINS articles should be emailed to [fitownclerk@fairpoint.net](mailto:fitownclerk@fairpoint.net) Wednesdays by 12 noon.

**Trail Maps**

The trail map is attached this week for those who have not picked one up. Volunteers are needed to help keep our wonderful trail system functioning. Organize a group to clear debris and do some weed whacking!

**FIFD COULD USE YOUR HELP!**

FIFD would like to welcome everyone back to Frye Island for another great season! We also want to remind you that if you would like to donate your returnable (deposit paid) bottles and cans to the fire department, you should drop them off at the FIFD shed at the transfer station, which is way over to the right before you get to the large trash and recycle containers. If purchased in Maine, that includes wine, soda, beer and water bottles and cans. Last year we redeemed your donations for \$928. We used this, plus some funds we had left over from prior years, to put on the 4th of July hot dog lunch and to buy a portable water tank to replace the old one that was no longer useable. The water tank is a great asset for the island, but the town budget wasn't able to fund it. Every little bit helps, and we really appreciate your donations!

**New Town Hall**

THANKS TO: Ernie Wrzesinsky (several days) painting, Frank Limauro, Lorraine Wrzesinsky, for painting. Thanks to Tom Sibley and Tony Heimann for molding work. The building is looking great inside!

Thanks to Deb Edwards, Heather Salinger and Cal Crosby for their work in the Transfer Station, its slightly cooler there than on the ferry (see below).

The Trench Monkeys are still on painting, carpentry and brush grinding, after next week they should be back on the Lancaster Loop waterlines.

**Ferry**

Both ferries had a tough week, experiencing mechanical problems, our Ferry crews and DPW employee Eric Berube with help from mechanic Rick Rivard of Mosquito Hill Garage have been doing a great job under trying circumstances keeping the fleet going. THANKS TO ALL!

NOTE, Wednesdays ferry deck temperature was 122 degrees!

Summer weather! Hot and humid! Come on down to the store and café for a cold drink, some ice or some ice cream to cool off. It provides at least temporary relief. ☺

Down at the café we have lots going on, whether it is Tuesday trivia, Wednesday karaoke or tap takeovers, always something fun. Trivia has been a big hit once again this summer and we continue to work on finding a way to accommodate everyone who wants to play. Unfortunately at some point we just run out of space but we continue to try and problem solve for this. As for trivia results, last year's defending champions The Sixties are in a tight race with the FI Lakers. Who will claim the championship this year? The drama!!

As for tap takeovers, we have our next takeover scheduled for Saturday August 8<sup>th</sup>. We will be featuring Sebago brewing, with their ever popular Frye's Leap IPA in addition to Summer Simmer Down, Runabout Red Ale and Boathouse Brown. The event will go all day with \$4.50 Sebago pints and a brewery representative onsite during the afternoon pouring some samples and distributing SWAG!

The farm stand is up and running, with new local inventory being brought in each Thursday. In addition to vegetables (some of them grown right here at the store garden!), we have a selection of cheeses, hummus and jams for you to choose from. Something yummy for everyone. In the store, one of our more popular items has been the spirit jersey, selling out soon after we receive inventory. More inventory has arrived from a new supplier so spirit jerseys are back in stock for the moment! There are also lots of other conventional items we strive to keep in inventory to satisfy your "fill in" needs, whether it is milk, eggs or pancake syrup. Whether you need something for the kitchen, a gift for a friend or family member or a treat for yourself, we hope that you are able to find something to your liking at the store.

We have launched a new takeout menu in order to help streamline our takeout activity. You can find this online at our website. And we have recently introduced a hot "grab and go" option in front of the café, a grill stand serving hamburgers and hot dogs in case you need a quick bite to eat on Saturday and Sundays although this Saturday we will be setting up shop at the softball tournament. Woo-hoo! Softball!

At the café on weekends we are delighted to have the island's own Alana MacArthur, who plays easy listening music, on Saturday evening at 7pm, and Frank Limauro, the island's very own piano man, tickling the electric keyboard on Sunday afternoon at 5pm (if we can ever not get rain on a Sunday afternoon!). Both are truly a pleasure to listen to. We hope that the weather cooperates this weekend so that we can enjoy their fine music! Below are our hours for the store and the cafe. These hours are subject to change based on weather conditions (i.e., bad weather may result in an early close). On rainy days, please call ahead to confirm exact hours:

**Store (subject to weather):**

Sunday thru Thursday	8:00am	8:30pm
Friday and Saturday	8:00am	9:30pm

**Café (subject to weather):**

Monday thru Thursday	11:00pm	8:30pm
Friday	11:00am	9:30pm
Saturday	8:30am	9:30pm
Sunday	8:30am	8:30pm

We look forward to seeing you down at the store and café.

**The Fullerton's, September 12,**

Frye Island Police and EMS will be hosting an open house at the Recreation Center on September 12th from 7:30pm to 10:30pm. This will be a get together for all islanders to come and enjoy the music provided by the Fullerton's, a country/blues band from the Greater Portland area. This event is also a great opportunity for us to say thank you for your support. Admission FREE, BYOB. Hope to see lots of you there!

**Dogs at Large**

The State of Maine has a leash law that states all dogs must be leashed or under voice command by the owner. The law is easy to understand and stated in a straight forward manner. However, the language "under voice command" is often abused. If you let your dog out of the house and you are not with it, it's not under voice command. If you are home and the dog is hanging around the yard and you're in the house, it's not under voice command. If you're at a public beach and the dog is running and jumping on other beach users, it's not under voice command. The one thing I have learned in over 35 years of public service is that fear is a very real emotion. We are not all afraid of the same things. Some people are afraid of heights, spiders, water, flying, public speaking, snakes, enclosed spaces and the IRS. These fears are very real and adversely affect ones quality of life and enjoyment of the island. I ask all dog owners to consider this when taking your dogs out of the house.

**Free Blood Pressure Check, First Aid**

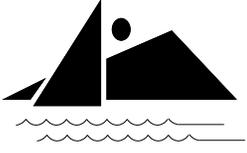

As high season gets closer the Towns EMS service will be offering courtesy blood pressure checks. This service will be offered Monday through Friday 10:00am to Noon at the Ferry Landing Rescue Barn next to the Post Office. Please stop by and say hi to the EMTs that will be working on the island this summer. Also offered at no charge will be routine first aid. So for anyone that has an injury that needs attention, stop by the Rescue Barn and have the on duty EMT take a look at your situation, or call **893-2810** for non-emergency, **911 for emergency** and we'll come to you. As always, all patient care offered by Frye Island EMS will be at no charge, you will not get a bill. This is a service we are happy to offer to all islanders and visitors.

## Frye Island Trail Map Information

The trails run thru Town owned property, Conservation areas, easements between privately owned lots and occasionally on lightly traveled Town roads. Please do not pick wildflowers or uproot plants.

Trails on the map are indicated by number, name and level of difficulty. They are marked at each end with signs or colored streamers

The island is about 3 miles long and 1 mile at its widest and covers about 1000 acres. The trails on the undeveloped back nine of golf-course are approximations. There are some minor changes in elevation except for #12, the Chestnut Trail, which is very steep and needs to be descended very cautiously.

CAUTION. - Stay on the trails to avoid contact with poison ivy and ticks which may be carrying Lyme Disease.

**Trail #1. Timber.** Easy. Starts in Paddock Circle and joins an old access road that ends on Leisure Lane across from Beach 2, between lots 13 and 14.

**Trail #2. Rec Beach.** Easy. Starts across from Small Frye Island and enters a large meadow with chimney of the burned down rec hall. One arm leads to a fine beach called Rec Beach and to the right is a short road that leads to Ridge Road diagonally across from Trail #3.

**Trail #3. Old Camp.** Easy to moderate. Starts across from the driveway of Lot #1695 and runs parallel to Ridge Road until it runs behind the house on Lot #1874 and then across a wet area on to a short old road. It crosses the road to Leapview Circle and connects to #4, the Back Nine Trail.

**Trail #4. Back Nine.** Easy to moderate. This open-forested area is a pleasant walk with occasional deer sightings. It descends a hill that requires some caution and goes slightly uphill and crosses a lane that has been cleared for water lines. At the intersection beyond this juncture there is a sign that points to the Golf Clubhouse and the path to the left crosses a clear-cut area that is being developed into a driving range. This branch of the trail will be

obliterated when the driving range is completed and then the #5 Front Nine Trail will be reached by passing near the Clubhouse and going behind the hitting area of the driving range.

**Trail #5. Front Nine.** Easy. See above and map. This trail runs parallel to the fairway of the 1st hole until it ends at a golf-cart trail. Turn left at this point and walk until you reach either of two paths on the right. Both paths lead to the Potts' Trail.

**Trail #6. Burgess.** Easy. This is the name of the golfcart trail as described above.

**Trail #7. Potts'.** Easy. Turning onto the first right leads to a sign directing you to Twinview Circle, or going to the left, and eventually reaching an old road that ends on Ridge Road. A shorter and less confusing route is to continue straight on the Burgess Trail and take the path between the homes on Lot #1847 and Lot #1849 back onto Ridge Road.

**Trail #8. Azalea Lagoon.** Easy. Starts at the boat ramp at Long Beach Marina and runs along an old access road beside a placid lagoon without boat docks and it ends dead-ends in a peachful

mossy area on the edge of a Hemlock-Hardwood Pocket Hummock Swamp. This trail is w in the early spring, but it is usua passable.

**Trail #9. Indian Lookout.** Easy. This short trail leads to a clearin with a picnic table and an excel view of the lake.

**Trail #10. Katherine's'.** Easy. Starts across from the entrance Long Beach Marina trailer park area and continues along an easement between house lots until it reaches Harbor Lane. At this point, a left turn followed b a quick right onto Harbor Road leads to a pleasant walk all the to Leisure Lane across from Lot Beach 9, between Lots 237 and A right turn on to Harbor Lane l to the entrance to the Juniper-t Trail on Birch Road.

**Trail #11. Juniper-Knoll.** Easy. The entrance is obliquely across Birch Road where it meets Hart Burgess Lane. It runs gently uphill until a sharp right turn leads to Knoll's Circle and bearing slightly left leads to Juniper Circle.

**Trail #12 Chestnut.** Difficult. This very steep trail begins in Chestnut Circle just before the turn-around. After two areas of steep descent it ends at Birch R close to where it joins Leisure L
