Island Manager's Comments

SAD#6

I have been advised by our hard working school representative Mrs. Betsy Gleysteen that the school board has agreed to form a committee under the leadership of their Budget Advisory Committee to begin talks to negotiate with Frye Island on school tax relief. The SAD must report back to the Education and Cultural Affairs Committee prior to the return of the Legislative session in January of 2016 with their recommendations.

It is important to remember that the above committee voted unanimously that the SAD needed to negotiate a fairer and more equitable school tax for Frye Island.

I am also waiting for a date to meet with all the Senators and Legislators within the SAD to discuss a strategy for relief and also a futuristic approach for school taxes. July and August are difficult months for meetings due to vacation schedules. I am making every effort to get this work done prior to the close of the Island in November.

I will keep you posted of our progress.

Save Our Sebago

Last week I was asked to join the Board of Directors for the group "Save our Sebago". I have decided to accept this position because of the importance of Lake Level. I will also try to get this group to become more active in awareness of water quality and invasive plant.

Ferry Service FYI

The Ellie Corliss will be the lead ship this weekend. The Ferry Service has decided to keep the Leisure Lady on a restricted schedule due to engine issues. The ferry service will be shuttling, and run two boats only if the lines become too long.

Please be advised, the late run policy is posted on the back of the ferry schedule.

Milfoil Volunteers

Thank you to Bill Stevens, Eva and Dick House, Chrissy House, Phyllis House, Gary and Roxi Crabtree and Lucas Govert.

Our Milfoil diver Larry Pillotte is in need of volunteers any day from 9:00am-1:00pm, even for an hour, at the Long Beach Marina. Larry's info: 603 398 0833

Transfer Station

Saturday 08/08/15:10AM - 6PM

Sunday 08/09/15: 10AM - 6PM

Wednesday 08/12/15 10AM-6PM

Public Beaches

It has been brought to our attention that dogs are on the beaches during the day. Please obey the ordinance. No dogs are allowed on the beaches from 10am to 5 pm.

Information Booklets

The new information booklets are available with the FINS. Please only one copy per household. This is an excellent tool for all residents, and for people who rent their homes during the season.

Mailing Addresses

In October of 2014 I requested a new Zip Code from the USPS. The request was denied on January 7, 2015. At this point, please continue to use your lot numbers for your mailing address. We are presently working with the Postmaster in Windham to reach a logical solution.

Example: Town of Frye Island

1 Sunset Road

Frye Island, Maine 04071

New Signs (E911 numbers)

The DPW is presently installing the new numbers on Town property. Please do not move these signs after the installation. The signs are the property of the Town of Frye Island. These new NG 911 signs are standardized and placed a certain way at a designated height for a reason. Even though a sign has been installed, there may be some changes to your number as numbering issues get resolved.

Contact Information

The Administration is trying to update the Island address book. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at fitownclerk@fairpoint.net. This will allow us to reach you with any pertinent information year round. Our last few mailings had many returns or bounce backs.

Protecting Your Property Value: The Fight Against Milfoil

A program, jointly sponsored by the Conservation Commission, the Frye Island Garden Club and FII will take place

Thursday, August 20 at the Community Center

5:30 Potluck Dinner

6:45 Speaker, Roberta Hill, Project Manager

Maine Volunteer Lake Monitoring Program

One of the main reasons that people love to come to Frye Island is the wonderful water that surrounds us. We can walk on the sandy bottom without the squishy mud, algae, and plants that infect so many lakes. However, this, along with our property values, are threatened due to invasive aquatic plants. On Thursday, August 20, Roberta Hill, the marine biologist who surveyed our waters and Larry Pilotte, the diver who has been working diligently to clean out the milfoil, will present a program about these plants, what we can do to rid our waters of them and what we can do to prevent future infestations. Every islander should make an effort to attend this informative program.

As an added benefit, the program will be preceded by a Frye Island tradition – a potluck dinner. A sign-up sheet will be posted in the office. Each family will be asked to bring a casserole, salad, or dessert to serve eight. Water, lemonade, and coffee will be provided.

We understand that weekenders will not be able to avail themselves of this opportunity but the speakers were able to come only during the week.

If you are unable to come to the potluck dinner, you may still attend the program.

FINS Submissions

Friendly reminder that FINS articles should be emailed to fitownclerk@fairpoint.net Wednesdays by 12 noon.

The Fitness Center

The progress on The Fitness Center is slow but moving forward. The Fitness Center is officially incorporated as a non-profit/mutual benefit and we have established a bank account so we can start renovations. Currently we are working to clear the rooms of belongings that have been stored there for many years, so patience is in order to allow time for those who need to relocate their belongings. After the space is clear, we will renovate including adding rubber

flooring, opening the two rooms so they are joined, and adding lighting.

For those who have already pledged a donation, thank you for your generosity and please make your check payable to "The Fitness Center". You can deliver your donations to any of our board members, Alicia Vesprini, Ed Charrette, and Dave Lowe. If you haven't made a pledge, you can still donate to the cause. All donations will be going to renovating, adding equipment, servicing the equipment, and setting up The Fitness Center financially.

FRYE'S LEAP
General Store and Café
655-4256

Plenty of nice weather in the forecast! Fun in the sun during the day and some ice cream or a cold drink down at the café in the evening. Good times for all!

Lots going on down at the café! This weekend is our second tap takeover featuring beer from Sebago Brewing. Saturday should be a great day to come down and sample some of their fine beverages! We will be pouring their ever popular Frye's Leap IPA as well as Summer Simmer Down, Runabout Red Ale and Boathouse Brown. The event will go all day with \$4.50 Sebago pints and a brewery representative onsite during the afternoon pouring some samples and distributing SWAG! And then of course there is music on Saturday evening and Sunday afternoon and the ever popular Trivia and Karaoke on Tuesday and Wednesday. Come on down and have some fun with us! And be sure to check out our Facebook page, Frye's Leap General Store and Café, for events, changes in schedule and other announcements.

The farm stand is up and running, with new local inventory being brought in each Thursday. In addition to vegetables (some of them grown right here at the store garden!), we have a selection of cheeses, hummus and jams for you to choose from. Something yummy for everyone. In the store, one of our more popular items has been the spirit jersey, selling out soon after we receive inventory. More inventory has arrived from a new supplier so spirit jerseys are back in stock for the moment! There are also lots of other conventional items we strive to keep in inventory to satisfy your "fill in" needs, whether it is milk, eggs or pancake syrup. Whether you need something for the kitchen, a gift for a friend or family member or a treat for yourself, we hope that you are able to find something to your liking at the store.

We have launched a new takeout menu in order to help streamline our takeout activity. You can find this online at our website. And we have recently introduced a hot "grab and go" option in front of the café, a grill stand serving hamburgers and hot dogs in case you need a quick bite to eat on Saturday and Sundays.

At the café on weekends we are delighted to have the island's own Alana MacArthur, who plays easy listening music, on Saturday evening at 7pm, and Frank Limauro, the island's very own piano man, tickling the electric keyboard on Sunday afternoon at 5pm (if we can ever not get rain on a Sunday afternoon!). Both are truly a pleasure to listen to.

Below are our hours for the store and the cafe. These hours are subject to change based on weather conditions (i.e., bad weather may result in an early close or postponement of an event). On rainy days, please call ahead to confirm exact hours:

Store (subject to weather):

Sunday thru Thursday	8:00am	8:30pm
Friday and Saturday	8:00am	9:30pm

Café (subject to weather):

Monday thru Thursday	11:00pm	8:30pm
Friday	11:00am	9:30pm
Saturday	8:30am	9:30pm
Sunday	8:30am	8:30pm

We look forward to seeing you down at the store and café.

The Frye's Leap Team

Meet the team!

This week we introduce you to one of the young "veterans" on our team, Phil DiSalvo. Phil has been a member of the Frye's Leap team for six years and like many of our staff has worked his way up from the ice cream stand and stock. In working his way up from scooping ice cream, Phil has proven himself to be one of the most versatile members of our team, making pizzas in the kitchen, running expo, serving tables (one of our few male servers!) and working bar. There seems to be very little, if nothing, that Phil can't do! And when he is not holding down one of his many roles here at the café, Phil is busy with his other roles here on the island, providing lawn maintenance services and volunteering as an ambulance driver. The energy of youth! Phil is an avid sports fan and an accomplished athlete himself who enjoys playing golf in his free time. One of these days we are going to get him to play on the café softball team as opposed to with those "has beens"! Phil is from Glastonbury, Ct and attends the University of Connecticut where he will be a sophomore chemistry major with a focus on pre-med. Be sure to say hi to Phil when you see him out on the floor or behind the bar!

We had a lot of great items donated by the Islanders and our auctioneer, Tom Sibley, did a great job moving everything along.

Also, a great big THANKS to Paul Lyons, our Grill Master, and his band of merry helpers, who put on the best Roast Beef dinner ever! We had over 75 people attending and there was not a negative comment to be heard...people were too busy eating the delicious roast beef! FIFD COULD USE YOUR HELP!

FIFD would like to welcome everyone back to Frye Island for another great season! We also want to remind you that if you would like to donate your returnable (deposit paid) bottles and cans to the fire department, you should drop them off at the FIFD shed at the transfer station, which is way over to the right before you get to the large trash and recycle containers. If purchased in Maine, that includes wine, soda, beer and water bottles and cans. Last year we redeemed your donations for \$928. We used this, plus some funds we had left over from prior years, to put on the 4th of July hot dog lunch and to buy a portable water tank to replace the old one that was no longer useable. The water tank is a great asset for the island, but the town budget wasn't able to fund it. Every little bit helps, and we really appreciate your donations!

Dogs at Large

The State of Maine has a leash law that states all dogs must be leashed or under voice command by the owner. The law is easy to understand and stated in a straight forward manner. However, the language “under voice command” is often

abused. If you let your dog out of the house and you are not with it, it’s not under voice command. If you are home and the dog is hanging around the yard and you’re in the house, it’s not under voice command. If you’re at a public beach and the dog is running and jumping on other beach users, it’s not under voice command.

The one thing I have learned in over 35 years of public service is that fear is a very real emotion. We are not all afraid of the same things. Some people are afraid of heights, spiders, water, flying, public speaking, snakes, enclosed spaces and the IRS. These fears are very real and adversely affect ones quality of life and enjoyment of the island. I ask all dog owners to consider this when taking your dogs out of the house.

Free Blood Pressure Check, First Aid

Frye Island EMS offers courtesy blood pressure checks during the high season to any one that would like to stop by. This service will be offered Monday through Friday from 10:00am to Noon at the Ferry landing next to the Post Office. Often the on duty EMT can be found within a short distance from the rescue, usually chatting with islanders in the area of the store or near the dock. The EMT will be in uniform just like the one in this photo so they can be easily identified. Please stop by and say hi to the EMT, they will be happy to take your blood pressure or assist you in any other way.

Also offered at no charge will be routine first aid. So for anyone that has an injury that needs attention, stop by the Rescue Barn and have the on duty EMT take a look at your situation, or **call 893-2810** for non-emergency, **911 for emergency** and we’ll come to you. As always, all patient care offered by Frye Island EMS will be at no charge, you will not get a bill. This is a service we are happy to offer to all islanders and visitors.

Thanks to all AVOC Drivers for a great month of July

I want to thank the volunteer ambulance drivers for a great month of July. Without the support and volunteerism from this group, the response time to medical emergencies would be much greater. Thanks all, John Nun, Bob Southerland, Dan Buttrick, Richard Soucy, Dale Frechette, Steve Kaplan, Harry Holgerson, Steve Amero, Tim McCarthy, Gerry Blackmore, Alex Carr, Wayne Fournier, Roger & Carol Stenz, John & Laura Crosby, Phil DiSalvo, Bob Ilich, Bob Defelice, Jack McKee and the Schaefers.

Brush, please inspect your brush. We no longer accept brush over 5ft long. Also, we have damaged our tub grinder to the tune of \$1,600, because pieces of metal are being left and tangled in your brush. The metal gets in the grinder and breaks moving parts. Please examine your brush and remove any metal, even metal hooks and hangers that were used for plants mounted on trees foul up the grinder.

The Trench Monkeys are still off on sabbatical and should be returning to the trenches next week.
