VOLUME 2015, ISSUE 16

Island Manager's Comments

Ferry Card replacements

Effective last Friday night, the Executive Committee voted to charge \$10.00 per replacement card. This season the administration has produced over 250 replacement cards during this season to date. If the cards have some value we are hoping that people will be more careful with them.

Squatters in the Marina

We discovered this week because of the DASH boat being issued slip# 98 for dockage, that people are using town owned marina slips without authorization or payment. This practice will not be tolerated. I have instructed Public Safety to provide me with a plan of enforcement. Either rent a slip or remove your watercraft from the Long Beach Marina.

Board of Selectmen Meeting

The Board of Selectmen will have a meeting on Sept 11, 2015 at 7PM at the Community Center.

Executive Board Meeting

The Executive Board will meet on September 18, 2015 at 7 pm at the Community Center.

Frye Island Inc. Annual Meeting

The Frye Island Inc. meeting will be held Saturday September 5th at 9 am.

Town of Frye Island Budget Hearing Meeting

The Budget meeting will be held immediately following the Frye Island Inc. meeting on September 5th.

The Annual Recreation Meeting

The Recreation Commission will hold their annual meeting on Sunday, September 6, 7pm, at the Community Center. There are open positions on the Recreation Commission for both regular members and ad-hoc members. New members and officers will be elected at the annual meeting. Everyone is welcome! Although we are looking for members of the Commission, there are a number of ways to help with recreation on the island. Volunteers are needed and greatly appreciated! Please attend the meeting or contact the current secretary, Betsy Gleysteen, at betsyg45@gmail.com for more information.

Eagle Scout Notice

Islander Sam Gleysteen, age 17, is a Life Scout working to obtain the rank of Eagle. He has applied to the Maine Scouting Pinetree Council to complete his Eagle Scout project to benefit the community of Frye Island. He wants to give back to the community that has given so much to him

and shaped the person he is today. Regardless of where he goes and what he does in life, Frye Island will always hold a special place in his heart as it does in the hearts of so many islanders. His proposed project is to install a Bocce Ball court in the rec beach fenced area. Bocce Ball is an activity that can be enjoyed by people of all ages, and it is Sam's hope that it will be used and enjoyed by islanders for years to come. If you would like to make a tax deductible donation to this project that would be greatly appreciated. Please contact the town office and reference Eagle Scout project. If you would be willing to help volunteer in the construction of the court, please contact Sam at [207-420-6461](tel:207-420-6461) (text or voice) or email ericg45@gmail.com. Thank you!!

Ferry Service FYI

The Ellie Corliss will be the lead ship this weekend. The Ferry Service has decided to keep the Leisure Lady on a restricted schedule due to engine issues. The ferry service will be shuttling, and run two boats only if the lines become too long.

Public Beaches

It has been brought to our attention that dogs are on the beaches during the day. Please obey the ordinance. No dogs are allowed on the beaches from 10am to 5 pm.

Please pick up after you use the Town's facilities. It only makes common sense to take out what you take in. It is very difficult to monitor all these beaches, but if we all take pride in our Island let us all help out.

Mailing Addresses

In October of 2014 I requested a new Zip Code from the USPS. The request was denied on January 7, 2015. At this point, please continue to use your lot numbers for your mailing address. We are presently working with the Postmaster in Windham to reach a logical solution.

Milfoil News

Frye Island volunteers should be proud of their accomplishment. Our battle to prevent further infestation has begun. I want to send out an invitation to all residents to become part of the Frye Island milfoil control team. Anyone wishing to become a supportive member please join in on the Frye Island Facebook group called FRYE ISLAND MILFOIL CONTROL TEAM. All can participate in many of the needs that will be organized in the years to come. People of all ages can help. We will need kayakers, snorkelers, divers, shoreline rakers, boaters, tenders. This group will be our means to communicate with each other and organizing our efforts. Pass the word to all. We need your interest. One of the specialties I would like to organize immediately is a snorkel group of kids. I am hoping to get a group of swimmer snorkelers to participate in a HUNT & SEEK EVENT!!. What we will be looking for are INVASIVE SNAILS that are being found in shallow areas of the marinas. The one who can gather up the most will be awarded with a PRIZE!

Let's make this fun for everyone.

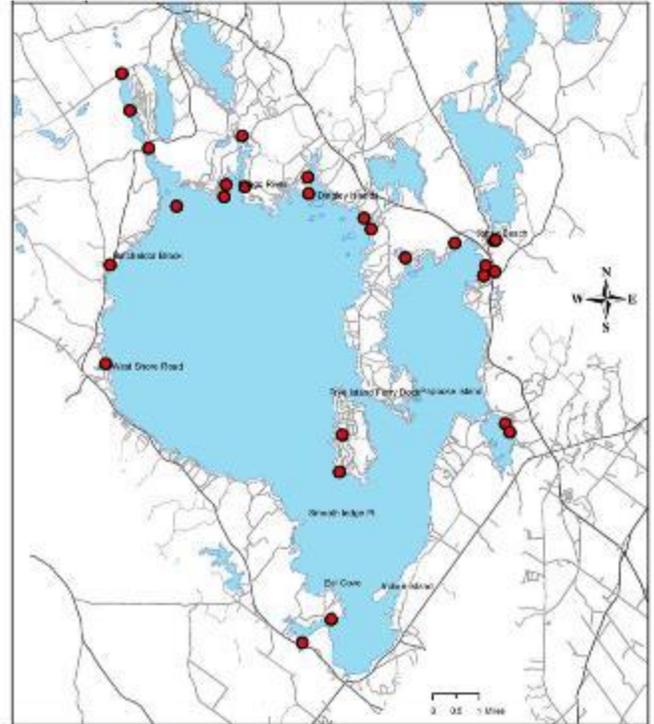

Any suggestions to future events, please contact me via email or JOIN our Facebook group. Email address divecon@juno.com. Thank you Laurent (Larry) Pilotte
WE WILL MAKE A DIFFERENCE

Manager Comment on Milfoil

I have added a map showing all residents where Milfoil is present on Big Sebago. Now that the LEA has done such a great job and cleaned this problem out from Long Beach Marina, Quail Circle, and Moose Lagoon, please be careful not to boat in these infested areas and help protect Frye Island.

Here is a link to see some of the cleanup in action. <http://youtu.be/zKYCcaiTFiQ>

2014 Milfoil Survey

- Variable leaf milfoil (*Myriophyllum heterophyllum*) (dark color) present

Throughout the year, the Portland Water District's milfoil management experts identified several other possible invasive plant infestations in Sebago Lake. Some reports have had to be more "back-alley" while others are new colonies of variable leaf milfoil, previously unknown to the Water District. In 2014 survey colonies were reported:

The following have placed their names in nomination:

Volunteers Needed Frye Island Board of Appeals

The Frye Island Board of Appeals is looking for new and additional Board Members. This is an ideal committee to learn more about our island operations and to contribute to the process that allows our island to run smoothly. Please contact the Town Manager, Gary Donohue.

FYI

Did you know that Maine has unincorporated municipalities called Plantations and Territories? They do not have school systems. They simply pay tuition to other towns to send their students to their schools.

A MEETING ABOUT PLANTATIONS IN MAINE

If you are interested in exploring how Plantation organization might affect Frye Island, please come to a meeting at 3 PM on Sat. Aug.29 in the Community Center Library.

The Fitness Center

The Fitness Center would again like to thank those who have pledged a financial donation and those who would like to donate to the opening of The Fitness Center (you can give your pledge check to any of our board members Dave Lowe, Ed Charrette, or Alicia Vesprini). Whatever you have to donate is greatly appreciated, we understand so many of us still have tuitions to tackle!! Financial donations will be used to add weights and equipment that has not already been donated. Remember that the only ones benefitting from your donations are the people using The Fitness Center. One of our goals for this year is to have the floors in and ready for donated cardio equipment so that this equipment can be serviced prior to opening next year. Yes, it would have been great to have it this year, but we are still undergoing remodeling and getting our financials and insurance in order.

Recreation Fundraiser Bob Marley

Thanks to Bob Marley for a very funny show last Sunday night at the Community Center. Thank you to Ellen McKee for organizing the event. The event raised \$530.00 for the Recreation Department.

Thanks to all of the volunteers that worked on the Leisure Lounge Roast Pork Dinner last Saturday. What a nice meal put out by Paul Lyons, Mike Daigle, John Kett, Wayne and Nancy Fournier, Mark and Bobbi Thomas, Stephanie Adams, Stefanie Hartman, Donna Bates and Marlene LaRhette. Our next dinner will be an Italian Feast, served on Saturday, September 19th at 6:00 pm. We have sold out on the previous dinners in July and August, so get your reservations early at the Leisure Lounge.

The FI Lakers! The winners of season 4 of Tuesday Night Trivia! Congratulations to the FI Lakers and thanks to all who participated throughout the season. We hope that everyone had fun! And this past Wednesday night was also the final night of Wednesday karaoke. We wrapped up the night with a rousing rendition of "Bohemian Rhapsody" sung by our entire Frye's Leap team! It was another great season of singing by the surprising musical talent of all ages that we have here on the island. Things are starting to slow down as the summer season heads into its final weeks. Our staff has started to thin out and with that our ability to offer full service and our full menu. After this weekend, for the week of August 31, we will be open for counter service at the bar (seat yourself) from 12pm until 6pm Monday thru Friday and then we will resume full service Friday evening thru end of day Labor Day. Post Labor Day, we will be open for limited counter service during the week with full service on the weekends through September. Keep an eye on our Facebook page and the FINS for ongoing schedule updates.

As you would expect, in the store we are in the "wind down" time of year and many items will not be replenished as they are sold out. We will continue to stock the basics such as dairy products and non-perishables up to the end of the season but other items will become limited. We apologize in advance for any inconvenience that might cause. We will do our best to keep key items in stock! Our clothing inventory is starting to get a little low in some areas too but there still is lots to choose from, including sweatshirts for those cool fall nights. And we have plenty of Frye Island blankets that make a great gift to send off with your college bound student.

Even with the wind down, we continue to have live music on the weekend. Once again this Saturday we will have Alana MacArthur playing the guitar and Frank Limauro playing the electric keyboard on Sunday. It is a real pleasure to listen to them while enjoying a nice meal and drink at the café. And if you enjoyed our Island Time IPA, be sure to come down soon! We are on our final keg of our "home brew".

Looking beyond Labor Day and towards Columbus Day, here comes Frye't Fest! It was a great family event last year and we are working with the town Recreation Committee to make it as good or even better this year! Stay tuned for more info!

Below are our hours for the store and the café for the coming week. These hours are subject to change based on weather conditions (i.e., bad weather may result in an early close or postponement of an event). On rainy days, please call ahead to confirm exact hours:

Store (subject to weather):

Friday and Saturday	8:00am	9:30pm
Sunday	8:00am	8:30pm
Monday thru Thursday	8:00am	7:00pm

Café (subject to weather):

Friday	11:00am	9:30pm
Saturday	8:30am	9:30pm
Sunday	8:30am	8:30pm
Monday thru Thursday	12:00pm	6:00pm

We look forward to seeing you down at the store and café.

The Frye's Leap Team

Meet the team!

This week we are pleased to introduce to you another of the veterans on our team, Marc Vesprini. Marc has worked at the store and café for 7 years in a variety of roles. This season Marc has been a stalwart performer in the bar and as a cashier in the store. Working behind the bar, Marc is able to combine his own interests and passion for quality craft beer with serving our customers. A winning combination! Marc is entering his junior year at the University of Connecticut with an eye towards a career in physical therapy. At school Marc competes on the archery team. In his free time Marc enjoys fishing and hockey. You know when Marc is working because there are hockey re-runs playing on the TV in the dead of summer! Marc is also a big fan of the Star Wars, Doctor Who and Game of Thrones series. Is John Snow really dead? Have a beer at the bar and exchange your theories on the topic with Marc! Be sure to say hi to Marc when you get a chance.

The Recreation Committee will hold an informal triathlon on Saturday, September 5th at Noon. The event is open to participants of all abilities, including those who would prefer to kayak instead of swim. This is meant to be a fun event and people are encouraged to participate either individually or as teams. We would especially like to see some family teams this year. The two transitions will be at Beach 6, but the event will start on Beach 5. The swim leg will be from Beach 5 to Beach 6 (1/3 mile), and then there will be a 6 mile bike ride around the island followed by a 3 mile run. Please registering before the event at <http://tinyurl.com/TriFrye> and day of registration will be available, too. There is no entry fee and participants are expected to time themselves. Please arrive by 11:30 so we can start the event on time. Please contact Ted Charrette at runswoods@gmail.com for more information or to volunteer to help with event logistics or safety (especially kayaking or canoeing along the swim leg).

FIFD COULD USE YOUR HELP!

FIFD would like to welcome everyone back to Frye Island for another great season! We also want to remind you that if you would like to donate your returnable (deposit paid) bottles and cans to the fire department, you should drop them off at the FIFD shed at the transfer station, which is way over to the right before you get to the large trash and recycle containers. If purchased in Maine, that includes wine, soda, beer and water bottles and cans. Last year we redeemed your donations for \$928. We used this, plus some funds we had left over from prior years, to put on the 4th of July hot dog lunch and to buy a portable water tank to replace the old one that was no longer useable. The water tank is a great asset for the island, but the town budget wasn't able to fund it. Every little bit helps, and we really appreciate your donations!

Please Run/Walk Against Traffic

Recently I have received several concerns from motorists about walkers and runners not walking or running against the flow of traffic. Please consider this as the roads are very narrow and your awareness of oncoming traffic helps both the vehicle operator and the pedestrian as well. Personally, I know when I do my distance running on even days of the week and my speed work on odd days of the week I find this suggestion not only creates a safer situation for all, but also enhances my workout regimen.

Free Blood Pressure Check, First Aid

Frye Island EMS offers courtesy blood pressure checks during the high season to any one that would like to stop by. This service will be offered Monday through Friday from 10:00am to Noon at the Ferry landing next to the Post Office. Often the on duty EMT can be found within a short distance from the rescue, usually chatting with islanders in the area of the store or near the dock. The EMT will be in uniform just like the one in this photo so they can be easily identified. Please stop by and say hi to the EMT, they will be happy to take your blood pressure or assist you in any other way.

Also offered at no charge, will be routine first aid. So for anyone that has an injury that needs attention, stop by the Rescue Barn and have the on duty EMT take a look at your situation, or **call 893-2810** for non-emergency, **911 for emergency** and we'll come to you. As always, all patient care offered by Frye Island EMS will be at no charge, you will not get a bill. This is a service we are happy to offer to all islanders and visitors.

Please learn your NG 911 Address

I ask everyone to please learn your new NG911 address. A number of times this season Public Safety have been dispatched to routine and emergency call for service only to find that the address given was a lot number, not the NG 911 address. This will pose a serious problem when a life threatening emergency exists. The ability to quickly find your home while responding to a serious medical call is of the utmost importance and could drastically affect the outcome of your situation. So I ask again, please learn your NG 911 number, post it in a readily accessible location and use it when calling for Public Safety services.

Brush, please inspect your brush. We no longer accept brush over 5ft long. Also, we have damaged our tub grinder to the tune of \$1,600, because pieces of metal are being left and tangled in your brush. The metal gets in the grinder and breaks moving parts. Please examine your brush and remove any metal, even metal hooks and hangers that were used for plants mounted on trees foul up the grinder.

The Trench Monkeys are still off on sabbatical and should be returning to the trenches next week.
