Island Manager's Comments

Manager Comment on Milfoil

I have added a map showing all residents where Milfoil is present on Big Sebago. Now that the LEA has done such a great job and cleaned this problem out from Long Beach Marina, Quail Circle, and Moose Lagoon, please be careful not to boat in these infested areas and help protect Frye Island.

Here is a link to see some of the cleanup in action.

2014 Milfoil Survey

● Variable leaf milfoil (Mycophyllum heterophyllum) (variable leaf present)

Throughout the peak of the Portland River Clean-up and the surrounding areas of the island as well as other possible sources of plant infestation on Sebago Lake. Some reports have not to be making "back slips" which often are more evidence of variable leaf milfoil, previously contained in the River Clean-up. In 2014 no more evidence was reported.

Ferry Card replacements

Effective last Friday night, the Executive Committee voted to charge \$10.00 per replacement card. This season the administration has produced over 250 replacement cards during this season to date. If the cards have some value we are hoping that people will be more careful with them.

Squatters in the Marina

We discovered this week because of the DASH boat being issued slip# 98 for dockage, that people are using town owned marina slips without authorization or payment. This practice will not be tolerated. I have instructed Public Safety to provide me with a plan of enforcement. Either rent a slip or remove your watercraft from the Long Beach Marina.

Eagle Scout Notice

Islander Sam Gleysteen, age 17, is a Life Scout working to obtain the rank of Eagle. He has applied to the Maine Scouting Pinetree Council to complete his Eagle Scout project to benefit the community of Frye Island. He wants to give back to the community that has given so much to him and shaped the person he is today. Regardless of where he goes and what he does in life, Frye Island will always hold a special place in his heart as it does in the hearts of so many islanders. His proposed project is to install a Bocce Ball court in the rec beach fenced area. Bocce Ball is an activity that can be enjoyed by people of all ages, and it is Sam's hope that it will be used and enjoyed by islanders for years to come. If you would like to make a tax deductible donation to this project that would be greatly appreciated. Please contact the town office and reference Eagle Scout project. If you would be willing to help volunteer in the construction of the court, please contact Sam at [207-420-6461](tel:207-420-6461) (text or voice) or email ericg45@gmail.com. Thank you!!

Public Beaches

It has been brought to our attention that dogs are on the beaches during the day. Please obey the ordinance. No dogs are allowed on the beaches from 10am to 5 pm.

Please pick up after you use the Town's facilities. It only makes common sense to take out what you take in. It is very difficult to monitor all these beaches, but if we all take pride in our Island let us all help out.

Mailing Addresses

In October of 2014 I requested a new Zip Code from the USPS. The request was denied on January 7, 2015. At this point, please continue to use your lot numbers for your mailing address. We are presently working with the Postmaster in Windham to reach a logical solution.

Milfoil News

Frye Island volunteers should be proud of their accomplishment. Our battle to prevent further infestation has begun. I want to send out an invitation to all residents to become part of the Frye Island milfoil control team. Anyone wishing to become a supportive member please join in on the Frye Island Facebook group called FRYE ISLAND MILFOIL CONTROL TEAM. All can participate in many of the needs that will be organized in the years to come. People of all ages can help. We will need kayakers, snorkelers, divers, shoreline rakers, boaters, tenders. This group will be our means to communicate with each other and organizing our efforts. Pass the word to all. We need your interest. One of the specialties I would like to organize immediately is a snorkel group of kids. I am hoping to get a group of swimmer snorkelers to participate in a HUNT & SEEK EVENT!!. What we will be looking for are INVASIVE SNAILS that are being found in shallow areas of the marinas. The one who can gather up the most will be awarded with a PRIZE!

Let's make this fun for everyone.

Any suggestions to future events, please contact me via email or JOIN our Facebook group. Email address divecon@juno.com. Thank you Laurent (Larry) Pilotte

FRYE'S LEAP
General Store and Café
655-4256

Labor Day has come and gone and what a great weekend it was! And it looks like the warm weather will be sticking around for a while so we have the chance for some extra fun in the sun while we go about our early "fall" season chores. Woo-hoo! Things have gotten pretty quiet pretty quickly so we will be dialing back our hours this coming week. The store will be open from 8:30am until 2:00pm and the café will be closed Monday thru Thursday. On weekends both the café and the store will have longer hours, more similar to those of the summer season. In the store we are trying to maintain the essentials such as milk and eggs but things are running out. Hopefully we will have what you need if you have a quick purchase that you need to make. In the café, we still have a rather full menu for the weekend, with only a few items retired at this point for the season. And there are still lots of quality beer on tap. In fact we recently received some new kegs so come on down on Saturday or Sunday afternoon to check out a football game and enjoy a favorite craft beer.

Our store hours are as follow for the coming week:

Friday	8:30am	8:30pm
Saturday	8:00am	8:30pm
Sunday	8:00am	6:00pm
Monday thru Thursday	8:30am	2:00pm

For the café, our hours will be:

Friday (limited service)	11:00am	3:00pm
Friday	4:00pm	8:30pm
Saturday	11:30am	8:30pm
Sunday	8:30am	6:00pm
Monday thru Thursday	Closed	

Ice Cream hours for the fall weekends will be limited and inconsistent. Our ice cream staff is all busy at school so we will open as staff is available. When staff is not available, we have a selection of hand packed containers from the ice cream stand with many of your favorite flavors that are available in the store on a grab and go basis. You can still satisfy your sweet tooth craving! Don't forget about Frye't Fest! It was a great family event last year and it promises to be even better this year. Great fun for everyone the Columbus Day weekend! That's all the news for now. We look forward to seeing you down at the store and café one of these lovely Fall days!

Brush, please inspect your brush. We no longer accept brush over 5ft long. Also, we have damaged our tub grinder to the tune of \$1,600, because pieces of metal are being left and tangled in your brush. The metal gets in the grinder and breaks moving parts. Please examine your brush and remove any metal, even metal hooks and hangers that were used for plants mounted on trees foul up the grinder.

Beginning Monday, September 7, 2015, the on duty EMT will be going house to house in a chronological order dropping off "Public Safety" refrigerator magnets. This project should take approximately one month to complete.
