

Frye Island News Service

VOLUME 2016, ISSUE 5

MAY 27, 2016

Manager's Comments

Public Safety FIRE/EMS

I am pleased to announce that Cathy Gosselin has achieved full 24/7 coverage starting on June 1, 2016. She has also staffed EMS 24/7 since May 21st except for a few night shifts. Please understand that 24/7 coverage on island is only Basic Life Support personnel. We still will be bringing the Raymond ALS ambulance on Island for all E-911 necessary calls. Cathy is still looking for AVOC (Ambulance Volunteer on Call) drivers.

On Sunday, Cathy is planning a pancake breakfast for both FIRE and EMS crews and folks interested in becoming volunteers in all categories of the Fire/EMS service. If you have an interest, please stop by and I am sure they will answer all your questions or concerns.

Our new Fire chief, Bob Boyd has 10 Volunteer members committed to the Fire Department. He also has four professional Firefighters who have offered their services when available on Island. Bob also has the resource of our Former Chief Steve Peerson who has been a great help. I personally want to thank all the folks that have volunteered and help to keep both Fire/EMS services operational.

Chief Boyd is looking into an Explorer program to spark some interest from younger Islanders that might have an interest in volunteering in Fire/EMS service. Fire Department training will be scheduled by Chief Boyd in his column.

We also will be announcing a date shortly to host a FD/EMS community question and answer session at the Community Center. We believe as more Islanders arrive this year it is important they receive accurate information on the FD/EMS services being provided.

Volunteerism

There will be a table set up at the Garden Club sale for any folks interested in getting involved. We look forward to recruiting Islanders to help out where they feel comfortable and capable. The Executive Committee and Dept. Heads will be available to discuss the options and needs.

Fireworks Contributions

I am reaching out to Islanders to please make a contribution to help offset the cost of the Fireworks display on July 2nd 2016. Rain date is July 3rd. Thanks to those that have already contributed. Your donations as Islanders are always appreciated.

MSAD#6

Our workshop with MSAD#6 Board and local legislatures will be scheduled at the June 6th meeting. I will provide that information when available.

Long Beach Marina

Dues for rental and equity slip fees are due by **May 30th**. Please be prompt on payments. The office has a large number of potential renters for the upcoming season.

Town office hours

The office will be open Tuesday thru Saturday from 9 am to 3 pm. Please take advantage of the available on-line services to help keep the line short in the office during high season.

If you have a brand new registration for a boat, car, golf cart or trailer, please try to come during the week when the office is not as busy. Call ahead to be sure you have all the proper documents and discuss with the office staff the possibility of an appointment time to complete the new registrations. A new registration can take more than an hour and you may be asked to leave copies of your documents for the registration to be completed and picked up later in the day or another day.

MEMORIAL WEEKEND

The office is expecting to be extremely busy during this week. There will be 3 counter lines, so please take note of the signs posted. To make your life and ours less hectic, we request the following:

If you only need to pay **taxes**, or add money to your **EZ Ride account**, or renew your **golf membership/fees**, we will have a locked drop box on the counter for you to simply drop your check into. Please be sure to put your lot number in the memo field. You may pick up your receipt on another day if you choose.

There will be 3 lines for service at the counter.

Counter 1: ALL NEW REGISTRATIONS OF ANY TYPE, PLEASE STAND IN LINE TO SEE MARIE TEDFORD.

Counter 2: Golf Cart/Car/Trailer Renewal, Marina payments and Boat Renewals.

Counter 3: Marina payments, Boat Renewals and other miscellaneous transactions.

Ferry Ride Requirements

To pay the toll on the ferry you need an E-Z Ride card, a paper ticket, an emailed ticket, or a picture of the E-Z ride card. The ferry employees are not responsible to type in numbers or take verbal requests to use another party's card for passage in any situation. Please provide family, guests, and any vendors you have with one of the above tools for ferry passage.

Property tax procedure

The Town of Frye Island mails out your annual property tax bills the first week of November. At the bottom of each bill there are two remittance coupons. The first payment is due by December 31st of the year mailed. The second remittance is due by June 30th of the following year. If you have an unpaid balance after June 30th a certified letter is mailed to your address on file as a 30 day notice. After the lapse of an additional 30 days the liens are attached to the property in arrears. After 17 months the property owner will receive another notification warning of foreclosure. 30 days later the subject property will be foreclosed.

NIXLE

Our NIXLE system is up and running. This system will notify all subscribers of important / emergency notices in their selected areas via text, web, and email. The best part of this is that it is a free service to both the municipality and to residents as well. We can initiate notices to all Islanders that subscribe to the service. However, in order to access the notices you will be required to subscribe. You can subscribe by going to their website at www.nixle.com and following the prompts. I would encourage everyone to subscribe to this service. It is an ideal way to be notified of issues that may affect your time on the Island.

Office Hours Tuesday and Thursday 8:00 AM – 3:00 PM

Small Package delivery (up to 70 lbs.)

All packages delivered by any courier service (UPS, FEDEX, etc.) will be delivered to the Post Office by 7 am the following day. You are responsible to Track your own deliveries. If you have a package that is perishable, medicine, or overnight delivery you have the right to free pedestrian passage to collect your package at the Ferry trailer once you track and it states delivered.

Large Package protocol (over 70 lbs.)

Bob Sutherland has volunteered for the past seven seasons to bring all the UPS and FedEx packages across to the Post Office in his own vehicle. I want to thank Bob for his effort. E-commerce has changed the way we shop. FedEx and UPS now handle larger packages. Packages over 70 lbs. are labeled "heavy", "dangerous" or request "team space lift". Bob works alone.

Our volunteer has handled all packages, including the occasional heavy packages in the past. The increased number of large packages makes it necessary to modify our procedures effective June 1, 2016.

Recipients must track large packages and confirm delivery to the Ferry trailer in Raymond. When package arrival is confirmed, the recipient must contact the ferry trailer to schedule free round trip ferry vehicle transit to pick up the package.

The recipient is now responsible for the handling of heavy items from the Ferry trailer to their cottage.

Contact Information

The Administration is trying to update the Island email addresses. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at fitownclerk@fairpoint.net. This will allow us to reach you with any pertinent information year round.

I wish you all a Happy Memorial Day Weekend.

Gary Donohue, Town Manager

Quail Circle Cleanup June 11, 2016 at 8:30 Am

The Cleanup of the Quail Circle Boat tie-up facility will be on Saturday June 11th beginning at 8:30 AM. Work consists of a general cleaning up of the area in and around the boat slips and parking areas. Any and all help is welcome. Bring a weed whacker, a pair of gloves and a strong back. Many hands make light work and it generally takes about 2-3 hours to complete. See you there!

Frye Island Needs You!

We are a community managed by its owners and we rely heavily on volunteer help. The Executive Committee is hosting a volunteer table during the plant sale at the Ferry Landing (Island side) on May 28 from 9am to noon to help islanders learn about volunteer opportunities. You do not have to sign up for anything. Just stop by and see what is available.

E911 Addresses/Mailing Addresses

Please take note of your E911 address in case of emergency and provide this number when you call. There should be a blue sign on the front of your property. The Frye Island Police distributed magnets last year for your refrigerator with your E911 address. If there is a discrepancy please notify the office.

There is a list on the website of the E911 addresses. Go to the “Find Information” tab (top right), click “topic index”, under the letter “E”, click on “Emergency Contact information”.

For mailing address purposes, the post office still uses your original lot number. The United States Postal Service has not provided a new zip code to Frye Island so the mailing address will continue to be your original Lot number and street name.

FairPoint is using the E911 addresses to locate the properties. When you call to set up your service you will need to provide your E911 address. However, please give them your mailing address separately. If you receive your mail on Frye Island it is your Lot number and street name.

Central Maine Power is set up based on the original Lot numbers if you already have a house on your property. They are requesting you to call them at 800 750-4000 ext.5 to give them your E911 address to locate your property and add this to your account. Your mailing address should still be the Lot number or the off island mailing address. To set up new service they will locate your property using the Lot number on your deed. Once an E911 address is assigned to your new house they would like to put this on your account.

Island Residents Input Needed!

We have discussed over the winter at the Executive Committee meetings the need to better understand how many students we have on the island throughout the season. This information would be very helpful in our MSAD6 tax relief efforts. Your help in the matter is important and greatly appreciated.

Please go to Fryeisland.com. There is a link on the top line of the Home Page of the website “Parent/Grandparents” for you to complete the following information in a survey:

1. Name, Lot #
2. Winter City and Town
3. Number and grades (upcoming) of school age children
4. Any services you may need or would find valuable such as special education services, tutoring, SAT Prep., etc. Even if you don't need or want services, if you would please give the information in 1-3, that would be great.

Department of Public Works

Have you have ever noticed the Frye Island map on the side of the old fire barn? That sign was made about 20 years ago by Roger Stenz and his students. The sign was cut out on a sheet of plywood, sadly the outer wood had started to rot. DPW employee Ed Dionne painstakingly cut out the island from the plywood, sanded and painted it. Volunteer artist Steve Amero painted the final touches and it was mounted in its original position. Great job guys!

When the Trench Monkeys aren't drinking coffee, they are actually installing new waterline in the ground. They have nearly completed the waterline on the Swamp Road (Harbor Road) and they will be drinking coffee on Poplar Road next. Portions of Harbor Road may be closed until conditions improve.

Transfer Station. Our tub grinder has been in the shop getting welding and mechanical repairs, and should be back here soon. BUT.... We have plenty of home grown and made Frye Island mulch for sale, \$100 for 6 yards delivered or \$50 for 3 yards delivered. Thanks to Frank and Becky Limauro for volunteering at the Transfer Station on Wednesday opening for a trial basis.

DPW quote of the week;

“Courage is what it takes to stand up and speak; courage is also what it takes to sit down and listen”.

EMS

The Fire & EMS Chiefs will be hosting a pancake breakfast for all the driver volunteers and members of the department on Sunday May 29th at 9 AM at the fire station. We invite community members who are interested in finding out how

they can volunteer to help on the fire or EMS side! Come join us to see what opportunities we have for ambulance drivers, firefighters or taking an EMS responder class! For more info- contact EMS Director, Cathy Gosselin at cathy.gosselin@gmail.com

Fire Department

WELCOME BACK FROM FIFD!

Thanks to all of you who have donated your returnable bottles and cans in the past! Last year we redeemed them for almost \$1,600! We have used these funds for many things over the years, including the 4th of July hot dog lunch and a water tank for FIFD. Remember that you need to bag these (tying the top of the bag is a big help!) and carry them to the FIFD shed way over to the right when you enter the transfer station. Please only include items on which you paid a bottle deposit of 5 or 15 cents. Starting next week, our volunteers at the transfer station on Wednesdays will also accept bottles and cans for the FIFD. Thanks again, and welcome back!

Fire Department Meeting\Training

Did you want to be a firefighter when you were growing up? Have the uniform, drive the truck, use the siren??? Or maybe now you'd just like to help out the great little island community where you spend time in the summer. Either way, we'd love to have you join us. Anyone age 18 and over is welcome to join. We'll provide the training you need to be successful. If interested, please contact FIFD Chief Bob Boyd at fifdc1@gmail.com. Thanks for considering this volunteer opportunity!

Returning Safety Tips

In the event of an Emergency Dial 911.

Make sure to make yourself Family and Guests aware of the E-911 numbering system for your Property or Location.

Test your Smoke Detectors, start the season off with fresh batteries.

Review and practice your emergency escape plan.

Check your Fire Extinguishers, service or replace as needed.

FIFD could use your help, and not just as a firefighter! We would like to update our map books and get information computerized. This will involve some data entry, and driving around the island to verify lot information. Great project for a high school or college student! Maybe an Eagle Scout project! If interested, please email Bob Boyd, FI Fire Chief, at fifdc1@gmail.com for more information.

Frye's Leap General Store and Café 655-4256

It happened and it is happening. The store opened for business on Monday and the café will open at 4pm on Friday. And so begins another season! May it be a sunny and warm one!

In the store we have done some “remodeling”, changing the layout of the store to put like items together to the greatest extent possible. We encourage you to take a walk around the store to familiarize yourself with the new layout. If there is something in particular that you are looking for, let us know and we will be happy to help you find it. You may notice some empty spaces in the store as we are still receiving inventory from suppliers and in the process of getting everything entered into our POS system. But we should have those spaces filled by the time we hit high season. And as we mentioned last week, we have a new POS (Point of Sale) system in the store. Please bear with us as we go through some early season growing pains with this new system. Thank you for your patience! ☺

Similar to last season, we will have a sale area out on the deck throughout the season. In this area you will typically find the last few items of a particular style, often in just one or two sizes, at varying discounts. These are items that are going, going, gone! While not on clearance, one of the things that will be on sale Memorial Day weekend are our Frye Island blankets. Normally priced at \$99 and \$159, we will have an opening weekend sale price of \$79 and \$129 respectively. It could be a nice graduation present for someone you know! After Memorial Day, the blankets will revert to their normal prices.

BLATS, fish tacos, pizza and Frye Pie’s for everyone! The café is open! And while you are at it, treat yourself to a cold craft beer or a frozen drink. Celebrate the opening of a new season! ☺

As we open the season we will start with a limited menu, increasing the menu each week until we get to the full menu with the commencement of the high season. We will have a limited selection of salads and seafoods until that time due to their perishable nature. We apologize in advance to those who are anxiously awaiting a serving of fried clams! But June 17 is not that far away! And as we reach the weekend of June 17, that is the time frame where we will begin to offer our events at the café – Margarita Monday, Trivia Tuesday, Karaoke Wednesday, and Thirsty Thursday. Things to look forward to! On Sunday this weekend we will be offering our breakfast buffet. Although stay tuned for changes to our breakfast menu as we move into the high season. We are going to try some new things!

Wrapping things up, our schedule for the store in the coming week will be as follows.

Friday	8:30am	8:30pm
Saturday	8:00am	8:30pm
Sunday	8:00am	8:00pm
Monday (Memorial Day)	8:00am	6:00pm
Tuesday thru Thursday	8:30am	5:00pm

For the café, our hours will be:

Friday	4:00pm	8:30pm
Saturday	11:30am	8:30pm
Sunday	8:30am	8:30pm
Monday (Memorial Day)	11:30am	6:00pm
Tuesday through Thursday (limited takeout)		

We look forward to seeing you as we approach the start of the new season!

The Frye's Leap Team

It's Navy Day Again!
USS Rafael Peralta Day on Frye Island
August 13, 2016

After a one-year pause, a new ship is completing its construction at the Bath Iron Works, providing us with the opportunity to welcome its sailors for a day of R&R here on Frye Island. Sailors from four previous ships have all loved it, as have the Islanders who hosted them. The ship this year is the first in a new round of Arleigh Burke guided missile destroyers, the USS Rafael Peralta (DDG 115).

Save the date on your calendar, Saturday, August 13th, as we'll be looking for Islanders to help out.

As we have done before, we will start with a welcoming ceremony and ballgame in the late morning, followed by a barbecue lunch at the community center and informal recreation in the afternoon, including swimming, boating and kayaking, golf, basketball, soccer, volleyball, and tennis. We plan to close the day by inviting groups of two to four sailors to the homes of Island families for supper and relaxation. This has been the high point for many of the sailors, who were missing their own homes and families while on temporary duty in Bath.

We would like to hear from those interested in participating, through offering boat rides, partnering in golf or tennis, contributing a pot luck dish for the noon lunch or, especially, in inviting some sailors home for supper. Also, let us know if you have any ideas for the conduct of the day, or if you would like to help organize an event. Please contact Dick Norris by e-mail at RichardCNorris@gmail.com, by telephone at 617-489-6997, or by using the signup sheets at the office.

Many thanks for everyone who helped get these courts repainted for tennis and pickle ball use.

A special thanks to director John Crosby for overseeing this project.

Tip of the week:

Get your serve in. Remember, only the serving team can win points. If your serve is "out", you not only lose your serve, you lose the opportunity to score points.

To all islanders: I received my Eagle Scout designation in March and had an Eagle Court of Honor ceremony on May 22. I would like to thank everyone who helped with my Eagle project and who donated your time and money.. I hope the Bocce Ball Court is enjoyed by many islanders for years to come, and I hope to see you Sunday at the court for the tournament. Thank you, Sam Gleysteen
