THANKS TO POINT SEBAGO FOR THEIR KIND DONATION OF THE MISS MARGARITA.

Manager's Comments

Volunteers

I want to thank all the folks who signed up to volunteer on the Island. The Garden Club sale was a great success. I want to thank the Garden Club members for a job well done. I also want to thank the DPW for setting up the staging and tables for this annual event.

Safety

In a few short weeks the Island will be in high season. UTV's are moving too fast on our roadways. For the safety of all Islanders, please drive slower and be cautious.

LEA and Milfoil

Last season Frye Island was the recipient of a large share of a state grant for Milfoil removal. The Lakes Environmental Association (LEA) came in with the help of Frye Island volunteers to remove milfoil from Quail circle, Moose Lagoon, and Long Beach marinas. On Tuesday June 7 at 10AM our diver Larry Pilotte will be on Island to do a swim survey to

access where we are. Larry invites all his past and any new volunteers that might want to help with keeping our waters milfoil free. You can reach Larry by email divecon@juno.com.

Zip Code for Frye Island

For the last two years I have been requesting a Zip code for Frye Island. Once again I was advised that the Postal service will not be providing our town with its own code. One suggestion they made was to write Frye Island again on the outside of the envelope.

Example Town of Frye Island
 One Sunset Road
 Frye Island, Maine 04071
 FRYE ISLAND, MAINE

Fireworks Contributions

I am reaching out to Islanders to please make a contribution to help offset the cost of the Fireworks display on July 2nd 2016. Rain date is July 3rd. Thanks to those that have already contributed. Your donations as Islanders are always appreciated.

MSAD#6

Our workshop with MSAD#6 Board and local legislatures will be scheduled after the June 6th meeting. I will provide that information when available.

Animal Control

The Administration has received complaints of loose dogs and loud barking early in the morning. I am listing the dog ordinance for all to review. Please be considerate of your fellow islanders.

Chapter 117- Dog Control. This can be found on the Town's web site under ordinances.

Transfer Station

Saturday 06/04/2016: 10AM-6PM
Sunday 06/05/2016: 10AM-6 PM
Wednesday 06/08/16 10AM- 2PM (just household trash and returnables)

Town office hours

The office will be open Tuesday thru Saturday from 9 am to 3 pm. Please take advantage of the available on-line services to help keep the line short in the office during high season.

If you have a brand new registration for a boat, car, golf cart or trailer, please try to come during the week when the office is not as busy. Call ahead to be sure you have all the proper documents and discuss with the office staff the possibility of an appointment time to complete the new registrations. A new registration can take more than an hour and you may be asked to leave copies of your documents for the registration to be completed and picked up later in the day or another day.

Ferry Ride Requirements

To pay the toll on the ferry you need an E-Z Ride card, a paper ticket, an emailed ticket, or a picture of the E-Z ride card. The ferry employees are not responsible to type in numbers or take verbal requests to use another party's card for passage in any situation. Please provide family, guests, and any vendors you have with one of the above tools for ferry passage.

Property Tax Procedure

The Town of Frye Island mails out your annual property tax bills the first week of November. At the bottom of each bill there are two remittance coupons. The first payment is due by December 31st of the year mailed. The second remittance is due by June 30th of the following year. If you have an unpaid balance after June 30th a certified letter is mailed to your address on file as a 30 day notice. After the lapse of an additional 30 days the liens are attached to the property in arrears. After 17 months the property owner will receive another notification warning of foreclosure. 30 days later the subject property will be foreclosed.

NIXLE

Our NIXLE system is up and running. This system will notify all subscribers of important / emergency notices in their selected areas via text, web, and email. The best part of this is that it is a free service to both the municipality and to residents as well. We can initiate notices to all Islanders that subscribe to the service. However, in order to access the

notices you will be required to subscribe. You can subscribe by going to their website at www.nixle.com and following the prompts. I would encourage everyone to subscribe to this service. It is an ideal way to be notified of issues that may affect your time on the Island.

Code Enforcement Officer

John Thompson

Office Hours Tuesday and Thursday

8:00 AM – 3:00 PM

Small Package delivery (up to 70 lbs.)

All packages delivered by any courier service (UPS, FEDEX, etc.) will be delivered to the Post Office by 7 am the following day. You are responsible to Track your own deliveries. If you have a package that is perishable, medicine, or overnight delivery you have the right to free pedestrian passage to collect your package at the Ferry trailer once you track and it states delivered.

Large Package protocol (over 70 lbs.)

Bob Sutherland has volunteered for the past seven seasons to bring all the UPS and FedEx packages across to the Post Office in his own vehicle. I want to thank Bob for his effort. E-commerce has changed the way we shop. FedEx and UPS now handle larger packages. Packages over 70 lbs. are labeled “heavy”, “dangerous “or request “team space lift”. Bob works alone.

Our volunteer has handled all packages including the occasional heavy packages in the past. The increase number of large packages’ makes it necessary to modify our procedure’s effective June 1, 2016.

Recipients must track large packages and confirm delivery to the Ferry trailer in Raymond. When package arrival is confirmed, the recipient must contact the ferry trailer to schedule free round trip ferry vehicle transit to pick up the package.

The recipient is now responsible for the handling of heavy items from the Ferry trailer to their cottage.

Contact Information

The Administration is trying to update the Island email addresses. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at fitownclerk@fairpoint.net.

This will allow us to reach you with any pertinent information year round.

Gary Donohue, Town Manager

State of Maine Election June 14, 2016

10AM-8PM Community Center

MSAD6 Budget Validation Referendum to determine if the District budget for the 2016-2017 fiscal year adopted at the District budget meeting on May 26, 2016 should be approved.

State of Maine Election

Rep. to Congress – District 1

State Senator – District 26

Rep. to the Legislature – District 67

Register of Probate – Cumberland County

Absentee Ballots are available in the office. Sample Ballots are posted in the glass bulletin board outside the office and the hallway leading to the office.

Quail Circle Cleanup June 11, 2016 at 8:30 Am

The Cleanup of the Quail Circle Boat tie-up facility will be on Saturday June 11th beginning at 8:30 AM. Work consists of a general cleaning up of the area in and around the boat slips and parking areas. Any and all help is welcome. Bring a weed whacker, a pair of gloves and a strong back. Many hands make light work and it generally takes about 2-3 hours to complete. See you there!

Requirements for New Registrations of Cars, Golf Carts, UTVs, Trailers & Boats

If you have a new Registration, please call ahead to arrange a good time to come in.

In order to expedite the process, the following is required:

Bill of Sale, including VIN #, and Sales Tax, Paid/Unpaid, Purchase Date, Year of Vehicle/Boat, Seller Information (Name and Address)

Insurance Card (including VIN # and Expiration Date)

Driver's License (need to see names as shown on license) and Birthdates

Mailing Address and Frye Island Address

Contact Phone # (prefer cell)

Who the Vehicle/Boat was Purchased From (Name and Address)

Trailer # of Tires, # of Axles, Color, Type of Trailer (boat, utility, camper)

Golf Cart Make, Color, Gas/Electric, proof of insurance with VIN and expiration date on policy card

Vehicle Make, Color, Mileage, Title Application if already completed, Previous Title if changing States, window sticker if new vehicle, Lease Agreement if Leased, Proof of Insurance

Boats Color, HP, Open/Close Bow, Salt/Fresh Water, Fiberglass/Metal, Length, Previous Registration Number if in Maine, Fuel Type, Inboard, Outboard, or In/Out

E911 Addresses/Mailing Addresses

Please take note of your E911 address in case of emergency and provide this number when you call. There should be a blue sign on the front of your property. The Frye Island Police distributed magnets last year for your refrigerator with your E911 address. If there is a discrepancy please notify the office.

There is a list on the website of the E911 addresses. Go to the "Find Information" tab (top right), click "topic index", under the letter "E", click on "Emergency Contact information".

For mailing address purposes, the post office still uses your original lot number. The United States Postal Service has not provided a new zip code to Frye Island so the mailing address will continue to be your original Lot number and street name.

FairPoint is using the E911 addresses to locate the properties. When you call to set up your service you will need to provide your E911 address. However, please give them your mailing address separately. If you receive your mail on Frye Island it is your Lot number and street name.

Central Maine Power is set up based on the original Lot numbers if you already have a house on your property. They are requesting you to call them at 800 750-4000 ext.5 to give them your E911 address to locate your property and add this to your account. Your mailing address should still be the Lot number or the off island mailing address. To set up new service they will locate your property using the Lot number on your deed. Once an E911 address is assigned to your new house they would like to put this on your account.

Board of Selectman/Executive Committee

Board of Selectman/Executive Workshop June 11, 9:00am-3:00pm

Board of Selectman/Executive Meeting June 25, 9:00am

If you would like to contact the Board of Selectman/Executive Committee, emails can be sent to the full Executive Committee at frye-island-excombos@googlegroups.com.

How to find Information related to Board of Selectmen/Executive Committee Meetings

All information regarding Board of Selectman/Executive Committee Meetings can be found on the website fryeisland.com. See the Public Meeting Calendar on the right hand side. Click on the time of the meeting you are interested in, click more details, and then click the Agenda attached.

If you are interested in more information on the Board of Selectman/Executive Committee Meetings, click on the "Public Documents Folder" at the top right, above the calendar. You can find various information, such as Minutes, Meeting Recordings, and Agendas.

Island Residents Input Needed!

We have discussed over the winter at the Executive Committee meetings the need to better understand how many students we have on the island throughout the season. This information would be very helpful in our MSAD6 tax relief efforts. Your help in the matter is important and greatly appreciated.

Please go to Fryeisland.com. There is a link on the top line of the Home Page of the website "Parent/Grandparents" for you to complete the following information in a survey:

1. Name, Lot #
2. Winter City and Town

3. Number and grades (upcoming) of school age children
4. Any services you may need or would find valuable such as special education services, tutoring, SAT Prep., etc. Even if you don't need or want services, if you would please give the information in 1-3, that would be great.

Department of Public Works

Waterline work continues on Poplar Rd. As Poplar is a narrow and short street it may be closed at times to allow the Trench Monkeys to safely perform their duties. Rumor has it that the Monkeys may be switching to cappuccino and are looking for a cappuccino machine that is compatible with their pipe welder, that way work would continue during coffee break. The only fly in the coffee is that elder Trench Monkey (Stumpy) is demanding decaf cappuccino and/or Café Con Leche.

Transfer Station hours are: LOW season, Saturdays and Sundays 10 am to 6 pm, Wednesdays (trial basis only) 10 am till 2 pm (Thanks to Frank and Becky Limauro for volunteering their time), Mondays (holiday weekends only) 10 am till 6 pm. HIGH season hours start ON JUNE 25th, Saturday, Sunday and Wednesdays, 10 am till 6 pm and Mondays during a holiday weekend 10 am till 6 pm.

Mulch is still for sale at \$50 for 3 yards delivered or \$100 for 6 yards delivered, call DPW at 207-655-7493 to arrange for delivery.

Thanks to Deb Edwards for keeping a clean and safe Transfer Station!

DPW quote of the week; "Paranoia big destroyer". Ray Davies (The Kinks)

DPW volunteers, Tom Sibley and Steve Amero came across this robin tangled up in fishing line and helpless, Tom and Steve cut off the fishing line and released the bird!

Fishing line is recyclable please dispose of it properly.

EMS

Helpful Hints about Strokes

A stroke is a true medical emergency that happens when you have a bleed in the brain. Patients need care in a hospital equipped to treat strokes! When you have a [stroke](#), your [brain](#) isn't getting the [blood](#) it needs. The sooner you get help, the less likely you'll have serious, lasting problems. And the better your chance of recovery.

Remember FAST!

The FAST test is a quick way to check someone for symptoms.

Face: Smile! (Does one side of their face droop?)

Arms: Raise both arms. (Is one higher than the other? Do they have a hard time holding one up?)

Speech: Repeat a short, simple sentence, like "Mary had a little lamb." (Do they slur their words? Is it hard to understand them?)

Time: If any of these are "yes," call 911.

Symptoms

Sometimes a [stroke](#) develops gradually. But you're more likely to have one or more sudden warning signs like these:

Numbness or [weakness](#) in your face, arm, or leg, especially on one side

Confusion or trouble understanding other people

Trouble speaking

[Trouble seeing](#) with one or both [eyes](#)

Trouble walking or staying balanced or coordinated

[Dizziness](#)

Severe [headache](#) that comes on for no reason

What to Do

A [stroke](#) is a true medical emergency.

Don't wait! Every minute counts. If you have even one symptom for more than a few minutes:

Call 911. Don't drive yourself.

Note the time when symptoms started. (The hospital staff needs to know.)

What if you're with someone who's having symptoms, but you're not sure if it's a stroke?

Consider this: What's the worst thing that can happen if this isn't a stroke? An unnecessary trip to the hospital. What's the worst thing that can happen if it is a stroke and you ignore it?

Don't take chances. Call 911.

Fire Department

WELCOME BACK FROM FIFD!

Thanks to all of you who have donated your returnable bottles and cans in the past! Last year we redeemed them for almost \$1,600! We have used these funds for many things over the years, including the 4th of July hot dog lunch and a water tank for FIFD. Remember that you need to bag these (tying the top of the bag is a big help!) and carry them to the FIFD shed way over to the right when you enter the transfer station. Please only include items on which you paid a bottle deposit of 5 or 15 cents. Starting next week, our volunteers at the transfer station on Wednesdays will also accept bottles and cans for the FIFD. Thanks again, and welcome back!

On behalf of the Fire Department and our EMS personnel, we would like to thank all who stopped by the volunteer table at the plant sale last weekend to say hi and get information on volunteering.

We are still looking for help with our map book and data entry projects around the station and would appreciate any help on these projects.

Please Learn and remember your E911 Number. In the event of an Emergency, Dial 911.

Below is a picture of the Cumberland County Dispatch supervisor's desk. When you dial 911, your location is displayed on the Dispatchers screen and the appropriate emergency response is dispatched. This is how they know where to send the ambulance, fire truck or police, so it is very important that you report your E911 number to them, to assure the quickest response.

Fire Department Meeting\Training

Did you want to be a firefighter when you were growing up? Have the uniform, drive the truck, use the siren??? Or maybe now you'd just like to help out the great little island community where you spend time in the summer. Either way, we'd love to have you join us. Anyone age 18 and over is welcome to join. We'll provide the training you need to be successful. If interested, please contact FIFD Chief Bob Boyd at fifdc1@gmail.com. Thanks for considering this volunteer opportunity!

Returning Safety Tips

In the event of an Emergency Dial 911.

Make sure to make yourself Family and Guests aware of the E-911 numbering system for your Property or Location.

Test your Smoke Detectors, start the season off with fresh batteries.

Review and practice your emergency escape plan.

Check your Fire Extinguishers, service or replace as needed.

FIFD could use your help, and not just as a firefighter! We would like to update our map books and get information computerized. This will involve some data entry, and driving around the island to verify lot information. Great project for a high school or college student! Maybe an Eagle Scout project! If interested, please email Bob Boyd, FI Fire Chief, at fifdc1@gmail.com for more information.

Ferry 655-4258 6/03/16-6/10/16

	First Ferry	Second Ferry

USS Rafael Peralta Day on Frye Island

Contact Dick Norris at RichardCNorris@gmail.com (617)489-6997 for more information.

Frye's Leap General Store and Café 655-4256

And we are off! With nice weather for the most part over the Memorial Day weekend we are off to a running start! Thanks to our customers and our team for making it a very successful opening weekend.

Opening week in the store highlighted some holes in on inventory but we are working hard to fill them. One of the holes was bread and buns which we have filled with Hostess products. We will be offering white and wheat breads as well as hot dog and hamburger buns. And in our snack aisle, we will also be carrying several of the Hostess snack products such as Suzy-Q's and chocolate cupcakes. Memories from my youth! If there are other holes in our inventory that you notice before we do, please be sure to let one of us know so we can work on addressing it. An example of this is we recently added soy sauce to our shelves in response to a customer request. We won't be able to address all requests but we will endeavor to fulfill as many as we can! ☺

While our farmstand area is not fully functional, we do have some plants if you did not satisfy all of your planting needs at the Garden Club plant sale last week. We have a number of annuals for sale and will be increasing our stock to include vegetables and herbs in the coming weeks. And once we are into late June, we will open the farmstand with fresh vegetables and other food products for sale.

The café is open! The beer is pouring cold and the pizzas are coming out hot. Simple pleasures in life. ☺

As mentioned last week, we are opening the season with a limited menu, with several items added each week until we get to the full menu later in June. We have a limited selection of salads and seafoods until that time due to their perishable nature. We apologize to those who are anxiously awaiting a serving of fried clams or a lobster roll! But June 17 is getting closer! And as we reach the weekend of June 17, that is the time frame where we will begin to offer our events at the café – Margarita Monday, Trivia Tuesday, Karaoke Wednesday, and Thirsty Thursday. Things to look forward to! On Sunday this weekend we will be serving our breakfast buffet. Hopefully we will have better weather than last Sunday!

Wrapping things up, our schedule for the store in the coming week will be as follows.

Friday	8:30am	8:30pm
Saturday	8:00am	8:30pm
Sunday	8:00am	6:00pm
Monday thru Thursday	8:30am	5:00pm

For the café, our hours will be:

Friday	4:00pm	8:30pm
Saturday	11:30am	8:30pm
Sunday	8:30am	6:00pm
Monday through Thursday (pre-made sandwiches in the store)		closed

We look forward to seeing you down at the store and cafe!
The Frye's Leap Team

ACTIVITIES & RECREATION DEPARTMENT

Message from Recreation Director

Congratulations to the winners of our Bocce Tournament: Jeff and Ely Cahill! Also, thank you to all of our participants and a big thank you to Eric, Sam, and Betsy Gleysteen for running the event. We will not be open this weekend due to renovations, but look out for our Father's Day Kickball Game! Hope you all have a great weekend.

Weekend Hours

We will be closed this weekend due to renovations. We are sorry for any inconveniences. Thank you.

Group Fitness Classes – Marilyn Sullivan, R.N., PT

Spending the summer on Frye Island?

How about an 8 week exercise program for just \$89.00!

Stretch, tone, cardiovascular exercise, in general, become FIT!

That's 24 classes for just \$89.00! For all ages 16 – 80+. Everyone will benefit,

Everyone will feel better, and everyone will feel the difference.

Renting a cottage on Frye Island? Come and join us by the class, just 7.00!

Join us at the community center every Monday, Wednesday and Friday from 9-10am, rain or shine, spread the word and bring a friend. Bring a water bottle, mat or towel. First class begins on July 1st!

I hope to see you there,

Marilyn Sullivan, R.N., PT

September 24	TKE Fall Classic
October 18	Captain's Choice
October 22	Cross Country

8th Tee Construction:

Construction has begun for the new tee boxes for the 8th hole. Due to the generosity of one of our members along with funds supplemented by the golf club, we are undertaking to revise the 8th tee with a significantly expanded tee area which will incorporate all 4 color tee markers in a single continuous tee box. This new tee box will eliminate the uneven tee areas we previously had while allowing us to more efficiently maintain all of the tees in a uniform manner. We have designed the new tee to allow for similar yardages to what we previously had while adding in new tee areas permitting us to rotate the tees which allows for frequently used areas to recover faster. While we understand the construction of the new tee does temporarily take away from the beauty of this hole, the long term positive impact of the new tee will benefit us all. While the new tee is under construction and in the subsequent growth stage, we apologize for the inconvenience of utilizing the temporary teeing areas. We will have the new tee in place as soon as it is healthy enough to sustain play. If you have any questions on the new tee please reach out to one of the golf committee members who will be happy to answer any questions you may have.
