Manager's Comments

MSAD#6

I have spoken to Senator Diamond, Representative Sue Austin, and been in contact with Representative Don Marean pertaining to our meeting on June 27th. I have been advised that they are all willing to help write some legislation to help Frye Island with our high educational cost. Our 2016-2017 school year share is \$1,514,462.00. I truly think they all agree that this needs to be adjusted. I will keep you informed as we learn more. Thanks again to Jim Moses for all his efforts.

2nd Half Property Taxes Due 6/30/2016

Your second payment on your property taxes are due by June 30, 2016. Your second payment remittance stub is attached to your bills that were mailed in November of 2015. This is just a reminder for you that taxes are due shortly. There is only one bill mailed per year.

Property Tax Procedure

The Town of Frye Island mails out your annual property tax bills the first week of November. At the bottom of each bill there are two remittance coupons. The first payment is due by December 31st of the year mailed. The second remittance is due by June 30th of the following year. If you have an unpaid balance after June 30th a certified letter is mailed to your address on file as a 30 day notice. After the lapse of an additional 30 days the liens are attached to the property in arrears. After 17 months the property owner will receive another notification warning of foreclosure. 30 days later the subject property will be foreclosed.

Zip Code for Frye Island

For the last two years I have been requesting a Zip code for Frye Island. Once again I was advised that the Postal service will not be providing our town with its own code. One suggestion they made was to write Frye Island again on the outside of the envelope.

Example Town of Frye Island
 One Sunset Road
 Frye Island, Maine 04071
 FRYE ISLAND, MAINE

Fireworks Contributions

I am reaching out to Islanders to please make a contribution to help offset the cost of the Fireworks display on July 2nd 2016. Rain date is July 3rd.

Thanks to those that have already contributed. Your donations as Islanders are always appreciated.

Animal Control

The Administration has received complaints of loose dogs and loud barking early in the morning. I am listing the dog ordinance for all to review. Please be considerate of your fellow islanders.

Chapter 117- Dog Control. This can be found on the Town's web site under ordinances.

Milfoil Report

Our milfoil diver Larry Pilotte did a survey dive last week. Below is the report he provided me.

Gary,

Long Beach marina has several areas that are in need of work. Most of the areas are not in harm's way of boat traffic which is good. The bank shoreline are showing blooms especially the roadside of the marina.

Quail marina and the lagoon had very poor visibility the day of my survey. Did not see any serious plant bloom in boat lane. Will need to do a scan of those areas when conditions are better.

Will schedule to hand pull on Wednesday (June 15, 2016) the Long Beach areas. I have been in touch with some of the volunteers who will assist me in bagging.

I figure I will be able to work at least once a week and should be able to control the missed areas and keep our environment clean & free of hazardous condition.

I was pleased to have been contacted by Mike Kaplan who wants to be active in controlling and Identifying future growth.

It was such a relief to be able to see all the successful work done last year and the light of day. You and our team can be a proud group. Will keep an aggressive program going and keep educating the Islanders on their need to be Aware. Thank you again for all the help in this important matter.

Larry Pilotte

Milfoil Volunteers

Assisting diver in bagging. Walking shoreline and picking up loose fragments. If you have kayak available, gathering floating fragments is needed. Volunteers needed Wednesdays 10AM-3PM. Please call Larry to find out which Marina to go to. Creating a "milfoil team" will ensure to control this invasive nightmare.

Town Office Hours

The office will be open Tuesday thru Saturday from 9 am to 3 pm. Please take advantage of the available on-line services to help keep the line short in the office during high season.

If you have a brand new registration for a boat, car, golf cart or trailer, please try to come during the week when the office is not as busy. Call ahead to be sure you have all the proper documents and discuss with the office staff the possibility of an appointment time to complete the new registrations. A new registration can take more than an hour and you may be asked to leave copies of your documents for the registration to be completed and picked up later in the day or another day.

FINS

A friendly reminder that FINS articles are due Wednesday by 12Noon. Email articles to fitownclerk@fairpoint.net.

Ferry Ride Requirements

To pay the toll on the ferry you need an E-Z Ride card, a paper ticket, an emailed ticket, or a picture of the E-Z ride card. The ferry employees are not responsible to type in numbers or take verbal requests to use another party's card for passage in any situation. Please provide family, guests, and any vendors you have with one of the above tools for ferry passage.

NIXLE

Our NIXLE system is up and running. This system will notify all subscribers of important / emergency notices in their selected areas via text, web, and email. The best part of this is that it is a free service to both the municipality and to residents as well. We can initiate notices to all Islanders that subscribe to the service. However, in order to access the notices you will be required to subscribe. You can subscribe by going to their website at www.nixle.com and following the prompts. I would encourage everyone to subscribe to this service. It is an ideal way to be notified of issues that may affect your time on the Island.

Code Enforcement Officer

John Thompson

Office Hours Tuesday and Thursday

8:00 am – 3:00 pm

Small Package delivery (up to 70 lbs.)

All packages delivered by any courier service (UPS, FEDEX, etc.) will be delivered to the Post Office by 7 am the following day. You are responsible to Track your own deliveries. If you have a package that is perishable, medicine, or overnight delivery you have the right to free pedestrian passage to collect your package at the Ferry trailer once you track and it states delivered.

Large Package protocol (over 70 lbs.)

Bob Sutherland has volunteered for the past seven seasons to bring all the UPS and FedEx packages across to the Post Office in his own vehicle. I want to thank Bob for his effort. E-commerce has changed the way we shop. FedEx and UPS now handle larger packages. Packages over 70 lbs. are labeled "heavy", "dangerous" or request "team space lift". Bob works alone.

Our volunteer has handled all packages including the occasional heavy packages in the past. The increase number of large packages' makes it necessary to modify our procedure's effective June 1, 2016.

Recipients must track large packages and confirm delivery to the Ferry trailer in Raymond. When package arrival is confirmed, the recipient must contact the ferry trailer to schedule free round trip ferry vehicle transit to pick up the package.

The recipient is now responsible for the handling of heavy items from the Ferry trailer to their cottage.

Contact Information

The Administration is trying to update the Island email addresses. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at fitownclerk@fairpoint.net. This will allow us to reach you with any pertinent information year round.

E911 Addresses/Mailing Addresses

Please take note of your E911 address in case of emergency and provide this number when you call. There should be a blue sign on the front of your property. The Frye Island Police distributed magnets last year for your refrigerator with your E911 address. If there is a discrepancy please notify the office.

There is a list on the website of the E911 addresses. Go to the "Find Information" tab (top right), click "topic index", under the letter "E", click on "Emergency Contact information".

For mailing address purposes, the post office still uses your original lot number. The United States Postal Service has not provided a new zip code to Frye Island so the mailing address will continue to be your original Lot number and street name.

FairPoint is using the E911 addresses to locate the properties. When you call to set up your service you will need to provide your E911 address. However, please give them your mailing address separately. If you receive your mail on Frye Island it is your Lot number and street name.

Central Maine Power is set up based on the original Lot numbers if you already have a house on your property. They are requesting you to call them at 800 750-4000 ext.5 to give them your E911 address to locate your property and add this to your account. Your mailing address should still be the Lot number or the off island mailing address. To set up new service they will locate your property using the Lot number on your deed. Once an E911 address is assigned to your new house they would like to put this on your account.

How to find Information related to Board of Selectmen/Executive Committee Meetings

All information regarding Board of Selectman/Executive Committee Meetings can be found on the website fryeisland.com. See the Public Meeting Calendar on the right hand side. Click on the time of the meeting you are interested in, click more details, and then click the Agenda attached.

If you are interested in more information on the Board of Selectman/Executive Committee Meetings, click on the "Public Documents Folder" at the top right, above the calendar. You can find various information, such as Minutes, Meeting Recordings, and Agendas.

If you would like to contact the Board of Selectman/Executive Committee, emails can be sent to the full Executive Committee at frye-island-excombos@googlegroups.com.

Island Residents Input Needed!

We have discussed over the winter at the Executive Committee meetings the need to better understand how many students we have on the island throughout the season. This information would be very helpful in our MSAD6 tax relief efforts. Your help in the matter is important and greatly appreciated.

Please go to Fryeisland.com. There is a link on the top line of the Home Page of the website "Parent/Grandparents" for you to complete the following information in a survey:

1. Name, Lot #
2. Winter City and Town
3. Number and grades (upcoming) of school age children
4. Any services you may need or would find valuable such as special education services, tutoring, SAT Prep., etc. Even if you don't need or want services, if you would please give the information in 1-3, that would be great.

Recreation Beach

No boats allowed by Deed. Please remove the boats that are in the wooded area of Recreation Beach or they will be disposed of.

Long Beach Marina and Quail Circle

The Long Beach Marina and Quail Circle are full this year other than 2 general slips with weekly rentals at Long Beach. Please be sure to put your Marina Sticker on your boat. We will be towing squatters. If you rent out your slip, whether yearly or temporarily, please notify the Town Office with a letter stating the person renting, a phone number for them and your slip #. Your renter will need a Marina Sticker also.

Frye Island Marina Committee

Saturday, June 11, 2016 turned out to be a very productive day, as eight eager "volunteers" labored to make the surrounding grounds of Quail Circle Marina cleaner and more eye pleasing. Our volunteers were supported with a dump truck and driver, compliments of DPW Director, John Crosby. We gathered and trimmed about ten loads of winter slash and dead limbs. Grass was manicured with weed wackers and lawn mowers. It was nice to see a very small amount of cans and plastic jars, "thanks to our island tenants for making an extra effort to keep the area tidy and clean. One aluminum row boat that had been tucked into the brush was removed to the DPW yard (to be claimed by owner). This had been stored there for several years.

"Thanks" to our volunteer staff: Andrew Davis, Andrew DiSalvo, Ollie Ilich, Patrick (with the blue baseball cap), Peter Kurgan, Ed Dionne (FI DPW), Steve Locke (Marina Committee), Rich Soucy (Marina Committee) and Tony Kurgan (Marina Committee). I salute you all for a super days work and an opportunity to make new friends.

Beach 7 Cleanup Great Success

Thank you to all volunteers! Beach 7 cleanup was a great success spreading mulch, installing water bars, removing downed trees and branches. Thank you to John Crosby and DPW for materials, Greg and Marie Tedford for tools and electricity, Jen and Jay Flanagan, Joseph Casey and his two sons and Andrew Davis for all their hard work.

Department of Public Works

There are still tickets left for the Cappy Celebration of Life Sunset Cruise. Tickets are available at the Golf Course Clubhouse. We will be leaving the island ferry dock at 6:45 PM, please be prompt. Please try to travel by golf cart and park at the Recreation area and walk to the landing.

Waterline

The Trench Monkeys are working downtown. Stumpy believes we are tunneling into the store and hoping to come up next to Dave and Amy's coffee pot, but no such luck. We are installing a new waterline for the Town Hall and Store.

Transfer Station

Deb reports that several residents are not following the rules regarding household trash. Please only bagged household trash is allowed in the compactor, no wood, building debris, insulation, etc!

The Transfer Station now has a clothing drop off box, please deposit your used and clean clothing and bedding items. Deb will then be bringing them to various charities. Thanks to Harry and Kathy Holgersen for their donation of the clothing drop off box!

The Swimming Pool

The swimming pool is open as of Friday June 17th, open hours are 8 am until approximately dusk. For your safety and others, please abide by the pool rules that are posted on the cabana building. There is NEVER, EVER a lifeguard on duty.

DPW quote of the week;

“Some cause happiness wherever they go; others, whenever they go.” Oscar Wilde

John Crosby, DPW

FIFD could use your help, and not just as a firefighter! We would like to update our map books and get information computerized. This will involve some data entry, and driving around the island to verify lot information. Great project for a high school or college student! Maybe an Eagle Scout project! If interested, please email Bob Boyd, FI Fire Chief, at fifdc1@gmail.com for more information.

Mark your calendars.....Dinners and Upcoming Events at the Leisure Lounge

Frye's Leap General Store and Café

655-4256

The headline news for the week is that high season is here for the café and store! Starting today, Friday June 17, the café and store are open every day now until Labor Day. And it looks like the warm weather is finally going to arrive, just in time for the official start of summer. Boy, isn't it great when a plan comes together!

I know that we have said this before but it is still true, we are continuing to receive additional merchandise. Some of our newest styles and designs in clothing have arrived this week. Now we just need to find a place to merchandise them! Also recently arrived for the beer aficionado are bottles of Peeper, Lunch and Zoe from Maine Brewing. These are highly regarded beers from one of our local Portland breweries. You will find these at the back corner of the store, chilled in the bottle refrigerator or warm on the bottle display. Grocery items and basic staples are stocked and ready to go. We may still run out of items from time to time due to storage constraints but we think that we are ready to rock and roll for the summer now! And if there is something that you cannot find, please be sure to let us know.

Our farm stand is fully stocked with flowers, vegetable and herbs for your own summer garden. Don't just admire what Amy has growing down at the store, add some more color or flavor to the garden at your camp. In terms of fresh vegetables and other fresh local items, we will be adding to the farm stand the Thursday prior to the Fourth of July. In the meantime, if you are in need of some basic vegetables and fruit, check out our end aisle cooler in the store for tomatoes, onions, limes and such.

This is the week that the limited menu gets retired and the full menu is "on tap". Lobster rolls, fried clams, shrimp tacos, they are all back. Woo-hoo! Now hopefully the printed version of the menu arrives on time!! With being open during the week, our daily specials such as Margarita Monday and Thirsty Thursday will now start too. There is still one more week though until we start with Trivia and Karaoke, and then the fun will really begin! Warm up those vocal chords!

We also wanted to mention again that our very own IPA is now on tap, Frye'PA, brewed with our friends at Shipyard at Federal Jack's down in Kennebunkport. It is really good with an excellent balance of hops and malt. Be sure to try one! And also returning soon will be Saturday evening and Sunday afternoon music. We just need to coordinate calendars with our favorite local artists. ☺

One final note on the café... we will be serving breakfast both Saturday and Sunday now for the summer. Why not bring Dad down to the café for Father's Day breakfast on Sunday?!

Wrapping things up, our schedule for the store this weekend and the coming week will be as follows.

Saturday	8:00am	8:30pm
Sunday	8:00am	8:30pm
Monday thru Friday	8:00am	8:30pm

For the café, our hours will be:

Saturday	8:30am	8:30pm
Sunday	8:30am	8:30pm
Monday thru Friday	11:00am	8:30pm

Ice cream will be open daily from 11:00am until 8:30pm, weather permitting.

We look forward to seeing you down at the store and cafe!

Activities & Recreation

Recreation Director: Anna Donio
Chair Person: Nancy Donio
Community Center (207) 655-3893

Happy Father's Day! Hope you all have a great Father's Day Weekend. The Recreation Center will still be closed due to renovations, but feel free to come on out to our Father's Day Kickball Game this Saturday! Enjoy a great kickball game with kids and dads alike. Hope to see you all there.

Weekend Hours

We will be closed this weekend due to renovations. We are sorry for any inconveniences. Thank you.

Father's Day Kickball Game

We're doing it again! Come on down to the baseball field on Saturday, June 18th from 11-1pm to play some kickball. All dads and kids are invited. If you have any questions, please contact Anna Donio at amdonio123@gmail.com.

Frye Island Walk/Run-1 mi, 5 mi and Marathon

The Recreation Department will host its 31stth annual walk/run on Monday July 4th at 9:00am. The start/finish area is at the Community Center. We will start the race promptly at 9:00, so please arrive at 8am if you are registering on-site or at 8:30 if you have pre-registered online.

We have implemented some exciting improvements to the race this year! Most importantly we have implemented a new on-line sign up system that accepts credit cards. We are encouraging pre-registration, as it makes race day for everyone so much easier. We are also featuring the Hanes X Temp Performance Shirt as our SWAG for this year. Shirts are available as part of the registration process and are available in the Store section of the race sign up page. Make sure to get yours early, as popular sizes sell fast.

For more information about the event or to pre-register, please visit <http://fryeisland.com/race>. If you preregister by July 1st, you can pick-up your event packet at the Frye's Leap General Store during regular store hours on July 2 or 3rd or at the express checkout line at the Community Center prior to the race. We look forward to seeing you at the starting line on the 4th!

Swimming and Tennis Instructors Wanted

The Recreation Commission is looking for Swimming and Tennis Instructors to teach lessons over the summer. We are looking for qualified adults and college students to teach. If you are interested, please contact Anna Donio at amdonio123@gmail.com. Thank you.

Swimmers Wanted

Starting Sunday, June 12, we will be swimming at 7:00am or evenings. Want to improve your stroke and have fun? Call Roxy 207-210-2136. We'll swim from different locations.

Art Show

The art show on July 16 is going to be exciting! We already have 10 interested artists! I will need for anyone wanting to display or sell the items to send an email to Hjmckee1790@gmail.com. (even if we have already talked). Please list name, address, phone number and a description of your craft. We would also like to have a photo of your art. The number of participants will be constrained by the size of the community center space. If interested in participating, let us know by July 1. Please join us for our first show! Helen Mckee, Sandy Storer

The Fairy Garden Building Contest

It is time to begin gathering NATURAL items for your fairy house. The garden club is sponsoring this contest. We are having it on Sat, July 9th 10am (rain date July 10). Wear your fairy wings, if you want. Prizes to be awarded

Garden Club

Please remember that there are lots of opportunities to participate whether you're looking for learning about plants, a family program once a season, a botanical trip off island with lunch, an hour spent weeding once in a while, working one morning on a project to improve the gardens, or helping us plan. Lots of

people putting efforts together can make a big difference.

A special thanks to the DPW and ED for helping with the mulch!

We had our first work day even though our numbers were low, they were mighty!!! Thanks to the awesome helpers!!

There are two flower boxes at Beach #6 waiting to be adopted. Just stake a claim and plant your flowers. No long term obligation.

8th Tee Construction:

Construction has begun for the new tee boxes for the 8th hole. Due to the generosity of one of our members along with funds supplemented by the golf club, we are undertaking to revise the 8th tee with a significantly expanded tee area which will incorporate all 4 color tee markers in a single continuous tee box. This new tee box will eliminate the uneven tee areas we previously had while allowing us to more efficiently maintain all of the tees in a uniform manner. We have designed the new tee to allow for similar yardages to what we previously had while adding in new tee areas permitting us to rotate the tees which allows for frequently used areas to recover faster. While we understand the construction of the new tee does temporarily take away from the beauty of this hole, the long term positive impact of the new tee will benefit us all. While the new tee is under construction and in the subsequent growth stage, we apologize for the inconvenience of utilizing the temporary teeing areas. We will have the new tee in place as soon as it is healthy enough to sustain play. If you have any questions on the new tee please reach out to one of the golf committee members who will be happy to answer any questions you may have.
