## Pest Alert

The State of Maine Forest Entomologist visited the island last Thursday. Hemlock Woolly Adelgid has been found in several areas of the island, this is a very serious issue that can decimate the hemlock trees on the island. Also found is Elongate Hemlock Scale, which is extremely rare in Maine. The Forest Service will be coming back out to map the areas and advise a course of treatment. In the meantime the Public Works Department will not be selling any mulch at this time, we will also be quarantining any hemlock tree brush that comes into the Transfer Station. We are asking all residents and contractors to separate hemlock from other brush and we will have a specific area in the Transfer Station for only hemlock. Deb Edwards will have a few handouts for those who want them with more on the way from the State.

We are in the research stage with State and Federal agencies responsible for these types of problems and will provide more information as it becomes available.

### Manager's Comments

#### Planning Board and Board of Appeals

We need volunteers for both of these committees. Any members whose terms have expired need to let the Administration know they are willing to continue. New applicants can come to the office to complete a Volunteer to Serve form.

#### MSAD#6

I was advised Tuesday by Jim Moses our School Board Representative that the MSAD#6 school board voted to begin the process of Statute 1301. Finances. I will include the language of the statute after my explanation. In October of 2014 when we first pursued relief for our school tax burden with MSAD#6, I was advised that they would never vote to open the 1301 process. Monday night's decision to begin the process is truly great progress. The MSAD#6 board realizes that Frye Island cannot go on at this rate. The 1301 process is explained in the statute, but I will further explain our problem and what we are trying to achieve.

The growth of Frye Island has been slowing down for the last number of years. I will not speculate to know exactly why, but I believe that our high property taxes is a major contributor.

Frye Island's value from 2015 to 2016 has grown by only \$500,000.00 of new value. If you take  $500 \times 22.84$  (tax rate) = 11,420.00 of new growth for an entire year. That means the school increase of 51,877.63 requires the taxpayers to

contribute an additional 40,457.63 just for school tax. All other increases in non-municipal and municipal costs are also new additions to the tax rate. In simple terms every time the cost of operations for the Town increases by approximately 100,000.00 your mil-rate increases by 1.00 (one dollar).

The Town has only three sources of revenue. Maine revenue sharing which is less than 300.00 per annum, total non-tax revenue which is estimated at 181,731.00, and 2,669,849 to be raised by property tax.

In 2016, the Code Enforcement officer issued 3 permits for new construction. If this new value reaches 500,000, you will have an increase in revenue about the same as 2016.

Our community is shortly on the verge of becoming non sustainable. I have realized this since my time serving as a member of the Executive Committee.

We are looking forward to working with MSAD#6 on the 1301, but we are also looking at other directions for a viable solution for our problem. The Governor, Dept. of Education, and the legislature are watching this very closely and I hope that MSAD#6 takes our position seriously.

The best solution for our Island and MSAD#6 is to change the funding formula to 50% property value and 50% student population. Under this formula both Frye Island and the Town of Standish see reductions in school obligations.

Unfortunately the other three communities would have increases, but that would be because they have higher student populations. Another option is to buy our way out MSAD#6. Any formula or buy outs can be offered as methods of sharing costs under 1301. It would be to the entire MSAD#6 best interest to try to compromise a solution.

In Maine only two school districts use property value to access school tax, the balance of the state works off student population. The two school districts that work off property values are MSAD#6 which includes Frye Island and MSAD#44 which includes the Sunday River ski towns which have very small student populations.

I have attached the statutes below for you all to read.

**Maine Revised Statutes  
Title 20-A: EDUCATION**

**Chapter 103: SCHOOL ADMINISTRATIVE DISTRICTS**

**§1301. FINANCES**

A school administrative district may raise money for establishing and maintaining public schools, erecting buildings and providing equipment. [1981, c. 693, §§5, 8 (NEW).]

**1. Methods of sharing costs.** The costs of operating a school administrative district must be shared among all municipalities within the district in one of the following ways.

A. Under a property valuation method, municipalities in a district shall share costs in the same proportion as each municipality's fiscal capacity as defined in section 15672, subsection 23 is to the district's fiscal capacity. [2005, c. 2, Pt. D, §3 (AMD); 2005, c. 2, Pt. D, §§72, 74 (AFF); 2005, c. 12, Pt. WW, §18 (AFF).]

B. Under an alternate plan approved by the state board and by a vote of the legislative bodies of the school administrative units forming the district and based on:

(1) The number of resident pupils in each town;

(2) The fiscal capacity of each member municipality as defined in section 15672, subsection 23;

(3) Any combination of subparagraphs (1) and (2); or

(4) Any other factor or combination of factors that may, but need not, include subparagraphs (1) and (2). [2005, c. 2, Pt. D, §4 (AMD); 2005, c. 2, Pt. D, §§72, 74 (AFF); 2005, c. 12, Pt. WW, §18 (AFF).]

C. [2001, c. 375, §1 (RP).]

D. Notwithstanding paragraphs A and B, Title 30-A, chapter 208-A or any other provision of law, the state valuation used to calculate the shared cost for each municipality in a district with a municipal incentive development zone must include the increase in equalized just value of all industrial and commercial property located in the zone over the assessed value. [1993, c. 696, §1 (NEW).]

[ 2005, c. 2, Pt. D, §§3, 4 (AMD); 2005, c. 2, Pt. D, §§72, 74 (AFF); 2005, c. 12, Pt. WW, §18 (AFF) .]

**2. Residents on federal property or state property.** For the purposes of this chapter only, a district shall count students residing on land under the control of the Federal Government, on a federal military reservation, or on state property, as residents of the district but not as residents of a municipality.

[ 1985, c. 15, (AMD) .]

**3. Amendment of cost-sharing formulas.** The cost-sharing formula may be amended as follows.

A. If requested by a written petition of at least 10% of the number of voters voting in the last gubernatorial election within the district, or if approved by a majority of the full board of directors, the board of directors shall hold at least one meeting of municipal representatives to reconsider the method of sharing costs. The district shall give at least 15 days' notice to each municipality comprising the district of any meeting. [2001, c. 375, §2 (AMD).]

B. Each member municipality must be represented at the meeting or meetings by 2 representatives chosen at large by its municipal officers, and one member of the district board of directors chosen by the municipality's directors. [2001, c. 375, §2 (AMD).]

B-1. Prior to the first meeting of municipal representatives pursuant to paragraph A, the district shall engage the services of a facilitator selected from the list maintained by the commissioner under subsection 4, paragraph C, subparagraph 1. The facilitator shall:

(1) At the first meeting, review and present data and information pertaining to sharing of costs within the district. Pertinent information may include, but is not limited to, the following:

(a) A description of the district's cost-sharing method, the elements involved in the calculation of each municipality's costs and a graphic depiction of the current and historic distribution of costs in the district; and

(b) If withdrawal of one or more district members is under consideration, the financial and educational impact of the withdrawal;

(2) Solicit and prepare a balanced summary of the concerns of municipal officials, educators and the public about the current method of cost sharing; and

(3) Develop a plan of action for consideration by the municipal representatives that responds to the information collected and the concerns raised. The plan of action must include a list of expectations for the conduct of the parties, options for proceeding and an assessment of the likely success of those options. [2001, c. 375, §2 (NEW).]

C. A change in the method of sharing costs may only be approved by a majority vote of the municipal representatives present and voting. [2001, c. 375, §2 (AMD).]

C-1. If a majority of the representatives from each municipality meeting pursuant to paragraph A are unable to agree on a recommendation on what the cost-sharing method for the district should be, within 15 days following the last meeting a knowledgeable 3rd party must be selected in accordance with rules adopted pursuant to subsection 4, paragraph C. The district is responsible for compensating the 3rd party. The 3rd party shall:

(1) Prepare a written summary of the process to date, including an assessment of the fairness, accuracy and responsiveness of the recommendations of the facilitator engaged pursuant to paragraph B-1;

(2) Prepare an impartial recommendation regarding changing the method of cost sharing; and

(3) Present the summary and recommendations to the municipal representatives for their consideration. [2001, c. 375, §2 (NEW).]

C-2. At an advertised public hearing, the municipal representatives shall solicit public input on the 3rd party's recommendation for cost sharing required under paragraph C-1 and any alternative method or methods proposed by municipal representatives. [2001, c. 375, §2 (NEW).]

D. If a change in the cost-sharing method is approved by a majority of the municipal representatives meeting pursuant to paragraph A, the change must be submitted to the voters at a district meeting. It becomes effective when approved by a majority vote of the district in a district referendum called and held for this purpose in accordance with sections 1351 to 1354, except that, if the proposed change is an alternative cost-sharing plan under subsection 1, paragraph B, subparagraph 4, the change must be approved by a majority of voters voting in a referendum in each municipality in the district instead of in a district referendum. [2001, c. 375, §2 (AMD).]

E. Assessments made by the school board thereafter must be made in accordance with the new method of sharing costs. [2001, c. 375, §2 (AMD).]

F. The secretary of the district shall notify the state board that the district has voted to change its method of sharing costs. The state board shall issue an amended certificate of organization showing this new method of sharing costs. [1981, c. 693, §§5, 8 (NEW).]

[ 2001, c. 375, §2 (AMD) .]

**4. Departmental assistance.** The department shall provide the following services relating to changing district cost-sharing methods:

A. The provision of information and data relating to cost sharing, including, but not limited to, a description of a district's method of cost sharing, the total assessment, the per pupil cost and mills raised for education for district members and the calculation of member costs. The information must be district-specific, comprehensive, easily understood by the general public, presented in graphic and spreadsheet format and available over the Internet. Written copies of the information described and additional information requested must be provided by the department upon receipt of a written request from a district school board or the legislative body of any municipality member of a district; [2001, c. 375, §3 (NEW).]

B. The provision of professional evaluation and assistance to districts and member municipalities considering changes in cost-sharing methods; and [2001, c. 375, §3 (NEW).]

C. The establishment and maintenance of lists of qualified, available individuals to assist districts considering changes in cost-sharing methods as follows:

- (1) Facilitators as required in subsection 3, paragraph B-1; and
- (2) Knowledgeable 3rd parties as required in subsection 3, paragraph C-1.

In establishing the lists, the department shall seek input from the Maine Municipal Association and Maine School Management Association or successor organizations. The department may adopt rules to define the qualifications, responsibilities and selection of individuals on the lists. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter II-A. [2001, c. 375, §3 (NEW).]

[ 2001, c. 375, §3 (NEW) .]

## Milfoil

The Lakes Environmental Association (LEA) have scheduled their large DASH boat to work on milfoil removal on **July 27<sup>th</sup> and 28<sup>th</sup>**. Christian Oren will be looking for volunteers for these two days. You can contact him at [christian@leamaine.org](mailto:christian@leamaine.org). This is a non-profit service by LEA. I would encourage all Islanders to make a contribution to this organization.

You can also contact **Roxane Olmsted at 207 210 2136** to correlate volunteers for these two days.

Our diver Larry Pilotte is still working on Wednesdays 10-2 pm. Volunteers needed

Tel# 603 398 0833 email: [divecon@juno.com](mailto:divecon@juno.com).

The following has been sent to us from Larry:

“1995 was my first year exploring Frye Island. It wasn't a Township. I overheard a story on the Steamship Co. cruise to the “Isles of Shoals” about two British navy corsair fighter planes crashing in Sebago Lake. Being an avid scuba diver, that lured me here to great adventures. Diving 90 feet at Frye’s Leap looking for the “cave” where colonel Frye hid, to the logs I discovered from the logging industry to Artifacts (explosive motor) from the Civil War era. What a special prestige place this was. In the year 2001 the “Invasion” began. Variable milfoil was found in the lakes of Maine. I joined a group VLMP (volunteer lake monitoring program) dedicated to educating the public about variable milfoil. A diver Rapid Response Team was formed. The environmental impact didn't seem like a big deal. The last 15 years fighting this problem is REAL! There have been many developments in combating this wild plant. Hand pulling techniques to the D.A.S.H. (diver assisted suction hose) boat of today. I am pleased to have been a part of all the efforts. All the volunteers I have worked with, I thank you especially the Frye Island Managers, Wayne Fournier and current Gary Donohue!! John Crosby, DPW. The efforts made have only kept Frye Island environment UNDER CONTROL. We have successfully kept this prestige environment healthy. IT'S NOT OVER! The recent enthusiasm from the community has generated a group of volunteers who will continue the effort of monitoring their lake. The future is in your hands. I am confident the next generation WILL step up and continue the battle. Contribution to the VLMP and LEA (Lake Environment Association) will always ensure the support needed.”

Larry Pilotte

## Save our Sebago

Last Thursday evening I attended my first Board of Directors meeting for this organization. I listened for most of the evening. My assessment is that the town must support Save our Sebago. They are dealing with the controversial control of the lake level. Our ferry system requires a certain level to be operational. I have offered to help this group with this problem. I will provide more information as I receive it.

## **Town Office Hours**

**Note: Office closed Saturday, July 23 in the morning for Special Town Meeting. Will reopen after conclusion of the meeting.**

The office will be open Tuesday thru Saturday from 9 am to 3 pm. Please take advantage of the available on-line services to help keep the line short in the office during high season.

If you have a brand new registration for a boat, car, golf cart or trailer, please try to come during the week when the office is not as busy. Call ahead to be sure you have all the proper documents and discuss with the office staff the possibility of an appointment time to complete the new registrations. A new registration can take more than an hour and you may be asked to leave copies of your documents for the registration to be completed and picked up later in the day or another day.

## **Transfer Station Hours**

Wednesday, Saturdays, and Sundays 10am-6pm  
Holiday Mondays 10am-6pm

## **Code Enforcement Officer**

John Thompson      Tuesdays and Thursdays      8:00am – 3:00pm      [codeenforcement@fryeislandtown.org](mailto:codeenforcement@fryeislandtown.org)

## **Refrigerator Magnets E911 Address**

If you don't have a refrigerator magnet with your E911 address and street address on it, please come to the office to get one. It is very important that everyone in your house knows your E911 number and street name. When calling in for an Emergency, you **MUST** give both. It is also helpful if you can refer to the closest landmark such as Beach # or crossroad. An example would be E911 address 10 Harbor Road (need to give street name) Lot address is 1554.

## **Ferry Ride Requirements**

To pay the toll on the ferry you need an E-Z Ride card, a paper ticket, an emailed ticket, or a picture of the E-Z ride card. The ferry employees are not responsible to type in numbers or take verbal requests to use another party's card for passage in any situation. Please provide family, guests, and any vendors you have with one of the above tools for ferry passage.

## **Post Office Mail**

To receive your forwarded island mail, please use your lot number and island street name. Do not use the Town Office (1 Sunset Road).

## **Contact Information**

The Administration is trying to update the Island email addresses. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at [townclerk@fryeislandtown.org](mailto:townclerk@fryeislandtown.org). This will allow us to reach you with any pertinent information year round.

**Please take note of the new email addresses for Town employees, they all end in [fryeislandtown.org](http://fryeislandtown.org).**

Gary Donohue, Town Manager

# Frye's Leap General Store and Café

655-4256

Heat and humidity, here they come! No better way to cool off and beat the heat than to come down to the café and enjoy a frozen drink, cold beer or ice cream!

It was yet another fun week at the café. Trivia was very entertaining thanks to our guest hosts Ericka and Lucy. And karaoke saw some new folks get up and sing and do a great job! Looking into the coming week we have a new pair of guest trivia hosts this Tuesday who will certainly bring some brain teasers to the event. And looking a little further out to Saturday July 30<sup>th</sup> we will have our next tap takeover with the folks from Sebago Brewing. Come on out and join us as they bring several beers that are only available at their brewpubs!

In the store we have a wide range of merchandise. We are working to keep things stocked as best we can, especially the basics of milk and bread. We receive deliveries twice a week to help us achieve this goal. We hope that you are able to find what you need to satisfy your fill in shopping requirements. And if there is something that you cannot find, please be sure to let us know. We also have increased our selection of grab and go food items with a selection of sandwiches, café salads and steamed hot dogs. If you need a quick bite and go item, be sure to check these out in the back corner by the coffee station.

In the café we continue to roll out our weekly specials. Each week we have a specials board featuring several appetizers as well as several meals. This week's specials include Daebak Fries (French fries topped with Korean beef and sriracha mayo. So good!!), a Thai Quinoa salad that has been extremely popular already, and pork belly tacos. Yummy! For breakfast we offer an a la carte menu with items made to order. We feature eggs benedict, breakfast burgers, a breakfast skillet, smoked salmon, blueberry pancakes, etc. Come enjoy breakfast with us one of these coming Saturdays or Sundays. Also in the café we have changed our take out menu to **only serve pizzas** on a to go basis. We have implemented this policy as part of our ongoing efforts to improve service for our dine in customers.

To recap our regular events, Monday is Margarita Monday with a \$1 off your favorite margarita and Thursday is Thirsty Thursday with a \$1 off your favorite draught beer. Tuesdays are brain exercise night with Trivia Tuesday and Wednesdays are the time to let the inner American Idol shine with Karaoke Wednesday. And then for your listening pleasure on the weekends, we have local artists scheduled to play some music. Be sure to stop by and listen to the music!

Wrapping things up, our schedule for the store this week and for the balance of the summer is as follows (weather permitting).

Friday and Saturday	8:00am	10:00pm
Sunday thru Thursday	8:00am	9:00pm

For the café, our hours for this week and for the balance of the summer are as follows (weather permitting).

Friday	11:00am	9:30pm
Saturday	8:00am	9:30pm
Sunday	8:00am	8:30pm
Monday thru Thursday	11:00am	8:30pm

Ice cream will be open daily at 11:00am and remain open until the café closes, weather permitting.

We look forward to seeing you down at the store and cafe!

The Frye's Leap Team

# It's Navy Day Again!

## USS Rafael Peralta Day on Frye Island August 13, 2016

After a one-year pause, a new ship is completing its construction at the Bath Iron Works, providing us with the opportunity to welcome its sailors for a day of R&R here on Frye Island. It's the USS Rafael Peralta (DDG 115), and we'll be looking for Islanders to join in.

The day's events will include:

- Welcoming ceremonies at the ball field, followed by a ball game between the ship's crew and the winner of the Town's slow pitch tournament
- A noontime barbecue for the sailors at the Community Center
- Afternoon recreation, including boating, kayaking, swimming, golf, soccer, volleyball, and basketball
- Islander hosted suppers at the end of the day (the sailors really love this)

Please participate by:

- Hosting two-to-four sailors for supper
- Contributing a salad dish or desert to the noon barbecue
- Providing an afternoon boat ride
- Making a contribution, such as \$25, to help fund the event

Please contact Dick Norris by e-mail at [RichardCNorris@gmail.com](mailto:RichardCNorris@gmail.com) or by telephone at 617-489-6997. Contributions should be made by check to the Town of Frye Island, noting Navy Day in the memo field, and dropped off at the town office.

**Department of Public Works**

**655-7493**

Waterline work is suspended this week as two of the Trench Monkeys (Papa & Stumpy) are repairing dock boards at the Marina. The third Trencher, Tim Jedi Knight has been road grading all over the island. Who knew that the Trench Monkeys were so versatile!

### **Transfer Station**

Still no mulch for sale, one more week and mulch quarantine because of Hemlock Adelgid will be over.

It continues to be an issue where some individuals are disposing of goods (e.g. American flag, tackle box, paint, wood, metal, floats, carpeting, rugs, pillows, cradle mattresses, life jackets, etc.) in the household compactor. Typically, these are enclosed in black yard bags and not in white or clear waste bags. Most of these items belong in demo or hazmat and not in household trash. **The household compactor is for household trash only.** If you need assistance with identifying what is considered household trash please speak with the attendant on duty.

Also, please remember the following:

- The American flag (no matter what size) is to be given to the attendant for proper disposal
- Paint, demo products, bulk material and fluorescent light bulbs are to be disposed in the appropriate designated areas
- Boxes should be broken down before being brought to the Transfer Station
- All containers (e.g. glass, metal, plastic) should be rinsed for the recycle compactor
- Pizza boxes having a large amount of grease on it goes into household trash
- Foil wrap, aluminum or plastic food containers should not have grease or food particles for the recycle compactor, if so it goes into household trash
- No food types should go into the recycle compactor (e.g. coffee grounds, banana peels, plastic bags of sauce, gravy, or grease, etc.) These are considered household trash items.
- Plastic bags **do not** go into the recycle compactor and should be disposed in the barrel next to the compactor

- Styrofoam or packing peanuts should be bagged for household trash
- All household trash needs to be bagged and not dumped loosely

Household trash continues to be dropped off at the public beaches. **This is not allowed per the town ordinance.** Household trash needs to be brought to the Transfer Station, which is opened Wednesday, Saturday and Sunday from 10 to 6 for your convenience.

Let's all do our part to protect the environment and Frye Island.

Thank you for your cooperation.

### Ferry

We will miss Captain Dale Sparrow he is leaving us at the end of the week. Thanks Dale!

As usual our Ferry Crews are doing an outstanding job, Thanks to all!

### Blood Pressure:

The EMS crews will be doing blood pressure checks on Monday/Wednesday/Fridays from 10 AM to 11 AM down by the Café. Feel free to stop by and have your BP checked!

### Upcoming classes:

Are you interested in learning CPR- We will be doing a “Friends and Family” CPR class at the fire station on Thursday July 28<sup>th</sup> at 6:30 PM. This class is a hands on CPR but not a certification. It is designed to teach the general public what to do if someone in your presence needs CPR. To sign up for the class or for more information, please email the EMS Director, Cathy Gosselin at [cathy.gosselin@fryeislandtown.org](mailto:cathy.gosselin@fryeislandtown.org).

**Emergency Medical Responder Class** – The Frye Island EMS division would like to have more folks on the island trained to assist the EMS crews on emergency medical calls. We are looking to find out if there is enough interest to host an Emergency Medical Responder class (EMR) this summer. The class is a 54 hour class and would be held on evenings and a few days scheduled in July and August if we get enough interest. As an EMR, you would be licensed with Maine Emergency Medical Services and would be able to work on the rescue underneath the guidance of an EMT. The class would consist of training on basic first aid, splinting, wound care, controlling bleeding, human anatomy, medical diseases and more. If you are interested, please email the EMS Director, Cathy Gosselin at [cathy.gosselin@fryeislandtown.org](mailto:cathy.gosselin@fryeislandtown.org).

**Please note change of email address if you'd like to get Frye Island Fire Department T shirts!** The new email address is [fifd.association.treasurer@gmail.com](mailto:fifd.association.treasurer@gmail.com), or you may contact anyone on the fire department. We have youth sizes XS, S, and M for \$8, and adult sizes S, M, L, XL and XXL for \$15. They make great gifts!

## **Craft Night**

Craft Night is back on Wednesdays at 7pm. We are making a surprise for our Fairy Gardens. Hope to see you all there!

## **Teen Night**

Tired of your teenagers hanging around the house on a Friday night? Send them up to Teen Night! Happens every Friday from 8:30-10:30pm, \$2 a teen. We serve mixed soft drinks, snacks, and pizza, and play some awesome games. Come on down and have some fun!

## **Swimming and Tennis Instructors Wanted**

The Recreation Commission is looking for Swimming and Tennis Instructors to teach lessons over the summer. We are looking for qualified adults and college students to teach. If you are interested, please contact Anna Donio at [anna.donio@fryeislandtown.org](mailto:anna.donio@fryeislandtown.org). Thank you.

## **Swimmers Wanted**

Starting Sunday, June 12, we will be swimming at 7:00am or evenings. Want to improve your stroke and have fun? Call Roxy 207-210-2136. We'll swim from different locations.

## **The Fairy Garden Building Contest**

The little fairies of Frye Island were so disappointed that houses for them could not be built last weekend with all the rain. The children of Frye Island will hopefully build them this coming Sunday 7/17 at 10 a.m. at the Fairy Gardens near recreation beach. Please bring your natural building materials and the sunshine. There will be face painting, storytelling, prizes and refreshments. Hope to see you there.

## **Group Fitness Classes – Marilyn Sullivan, R.N., PT**

Spending the summer on Frye Island or just visiting? Come join us for a fun workout and meet fellow islanders! We start the class with a warm up to cardiovascular exercise/ Zumba dance, muscular toning & cool down with yoga stretching. Everyone will benefit and it is a great way to start your day! Meet us at the Community Center every Monday, Wednesday & Friday at 9-10 AM for just \$7.00 a class or join for the session. Please bring a water bottle, mat or towel. Hope to see you there! Marilyn Sullivan, RN, PT 1-603-548-7978

## Garden Club Outing

All islanders are invited to join the members of The Frye Island Garden Club for our outing to the Art in Bloom Exhibit sponsored by the Lakeside Garden Club in Bridgton [on Friday, July 29th](#) at Gallery [302 on Main Street](#). This is the annual flower show of their club and will feature floral displays inspired by pieces of art from the gallery from various mediums, including paintings, jewelry, pottery, woodwork, glass and other 3-D art. It has always been a great day for our members to spend some social time together, have lunch, and do some shopping besides seeing an interesting show of art and flowers.

We will meet at the ferry [on Friday, July 29th](#) [at 10:00 am](#) in order to carpool to the show which runs from 10-5. We would like to take the [10:30am](#) ferry. There is no admission fee. Afterwards, we can dine at the nearby Beth's Cafe for lunch or a snack before we head back to the Island. There are also several craft, antique stores and a bookstore in the area. Please call Mary Ann Niles @ [518 642-3516](#) if you are interested in attending, if you are willing to drive, and for any further information.

## Paint and Wine Party

We are having a Paint and Wine party on August 18<sup>th</sup> at 8PM. SAVE the date and look forward to a fun night with our Frye Island friends and neighbors ....you must reserve a spot for this event by emailing me at [hjmckee1790@gmail.com](mailto:hjmckee1790@gmail.com) Everyone is invited!

## Frye Island Arts & Crafts Show

We would like to thank the very talented artists who participated in last Saturday's art show for sharing all of their artwork! And to the community of Islanders a huge thanks for coming and supporting our local artists. We will be looking forward to this event next year Helen Mckee, Sandy Storer and Mary Ann Daley
