PROCEDURE FOR EMERGENCY MEDICAL SERVICES

When the need arises for EMS, Emergency Medical Services, please call 911 immediately. Our dispatch center is Cumberland County Regional Dispatch Center located in Windham and the dispatcher, after getting vital information, will contact the EMS crews for both Frye Island and Raymond Rescue to respond via the radio system. The ambulances will respond directly to the scene where needed. Please do not drive the patient to the Fire Barn or the ferry landing as the crews may be on the road doing driver training or at a community event.

To help prevent delays in emergency responses, please call 911 as soon as possible and give your new 911 address number and street name to the dispatcher! Not sure if you really need 911? Call anyway! The EMS crews will respond and help you with the medical situation and direct you to what medical care is needed!

Pest Alert

The State of Maine Forest Entomologist visited the island last Thursday. Hemlock Woolly Adelgid has been found in several areas of the island, this is a very serious issue that can decimate the hemlock trees on the island. Also found is Elongate Hemlock Scale, which is extremely rare in Maine. The Forest Service will be coming back out to map the areas and advise a course of treatment. In the meantime the Public Works Department will not be selling any mulch at this time, we will also be quarantining any hemlock tree brush that comes into the Transfer Station. We are asking all residents and contractors to separate hemlock from other brush and we will have a specific area in the Transfer Station for only hemlock. Deb Edwards will have a few handouts for those who want them with more on the way from the State. We are in the research stage with State and Federal agencies responsible for these types of problems and will provide more information as it becomes available.

Quote,

Someone forwarded this to me, so I decided to share with you all.

"When a toxic person can no longer control you, they will try to control how others see you. The misinformation will feel unfair, but stay above it, trusting that other people will eventually see the truth, just like you did."

LEA and Milfoil

I am pleased to report that the Lakes Environmental Association was on Island for two days this week removing milfoil. Our own diver Larry Pilotte has been working with volunteers on Wednesday's to keep ahead of the invasive aquatic plant. I want to report that they have cleaned out Long Beach marina, Quail Circle and Moose Lagoon. Please be careful where you go with your water craft and check your props to help our Lake, Island, and Marinas stay milfoil free. Once again I want to thank the tireless volunteers that have been working with Larry. Thank you one and all.

Frye's Leap General Store and Café

655-4256

Hot, sunny, summer days are here! No better way to cool off and beat the heat than to come down to the café and enjoy a frozen drink, cold beer or ice cream! We can help cool you off!

We had a great week at the café this past week. Trivia was excellent once again, with some very good questions from our guest hosts Lianne and Maggie. Many thanks ladies! If anyone is interested in hosting a coming trivia event, we are still looking for some volunteers for our last two sessions. Don't just be part of the fun at trivia, lead the fun! ☺ Karaoke was awesome this week, with some truly excellent performances. The rendition of Michael Jackson's "Billie Jean" was wicked good! And there were lots of other great performances as well. Come join the fun next Wednesday!

In the store this week we have received some new merchandise. We have a new shipment of the ever popular billboard jersey shirts as well as some new t-shirts. Be sure to check these out! With regards to the food items, we have a wide assortment. We are working to keep things stocked as best we can, especially the basics of milk and bread. We hope that you are able to find what you need to satisfy your fill in shopping requirements. And if there is something that you cannot find, please be sure to let us know. If you need a quick grab and go item, be sure to check our sandwiches, café salads and steamed hot dogs in the back corner by the coffee station.

In the café we continue to roll out our weekly specials. Each week we have a specials board featuring several appetizers as well as several meals. This week's specials include a Carnitas Fries plate, a Piada sandwich with prosciutto and fresh mozzarella on flat bread, and a killer pizza special with prosciutto and ricotta cheese. I can vouch for the sandwich and pizza!

Also in the café we want to share that we have returned to the breakfast buffet format. There are a number of reasons for this decision but most importantly we believe that we are able to produce a better, more consistent product with the buffet and better serve you as our customer. Come enjoy our reformulated breakfast buffet with us one of these coming Saturdays or Sundays.

To recap our regular events, Monday is Margarita Monday with a \$1 off your favorite margarita and Thursday is Thirsty Thursday with a \$1 off your favorite draught beer. And then for your listening pleasure on the weekends, we have local artists scheduled to play some music. Be sure to stop by and listen to the music!

Wrapping things up, our schedule for the store this week and for the balance of the summer is as follows (weather permitting).

Friday and Saturday	8:00am	10:00pm
Sunday thru Thursday	8:00am	9:00pm

For the café, our hours for this week and for the balance of the summer are as follows (weather permitting).

Friday	11:00am	9:30pm
Saturday	8:00am	9:30pm
Sunday	8:00am	8:30pm
Monday thru Thursday	11:00am	8:30pm

Ice cream will be open daily at 11:00am and remain open until the café closes, weather permitting.

We look forward to seeing you down at the store and cafe!

In an emergency the Vial of Life will speak for you when you can't!

What information does the Vial of Life hold:

A Vial of Life form with your name, date of birth, primary doctors information, medical history, current medications, allergies, etc. This is stored in a baggie on the front of your refrigerator door or in a vial in your refrigerator.

Frye Island EMS is offering the "Vial of Life" program to the island residents. The Vial of Life is designed to speak for you when you can't speak for yourself. The vial contains important medical information that can assist emergency personnel in administering the proper medical treatment.

If you would like to use the Vial of Life call Frye Island EMS Department at 655-8618 for a rescue member to visit your home and help you complete the Vial of Life.

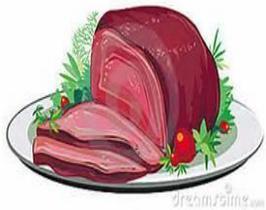

Blood Pressure:

The EMS crews will be doing blood pressure checks on Monday/Wednesday/Fridays from 10 AM to 11 AM down by the Café. Feel free to stop by and have your BP checked!

Emergency Medical Responder Class – The Frye Island EMS division would like to have more folks on the island trained to assist the EMS crews on emergency medical calls. We are looking to find out if there is enough interest to host an Emergency Medical Responder class (EMR) this summer. The class is a 54 hour class and we will schedule it if we get enough interest. As an EMR, you would be licensed with Maine Emergency Medical Services and would be able to work on the rescue underneath the guidance of an EMT. The class would consist of training on basic first aid, splinting, wound care, controlling bleeding, human anatomy, medical diseases and more. If you are interested, please email the EMS Director, Cathy Gosselin at cathy.gosselin@fryeislandtown.org.

FRYE ISLAND GOLF RANGE

I want to take the liberty to write an open letter to my fellow golfers and islanders about making an island driving range a reality. For some time, Mike Vesprini and I have discussed the merits of having a driving range at the golf club. We believe a driving range would be a great asset for the golf club and the entire Island. As most of you know, there is land set aside for the development of the driving range. We have gotten the support of the golf committee for this project and we are asking the golf community and the island community to support it. We have also gotten help with getting approvals and with planning the project. We want to thank Jon Hartman, Mike Daigle, and Paul Lyons for organizing the Golf Club's 35th anniversary celebration and fundraiser for this project which was held last Saturday. These three good men and their wives, in addition to organizing and purchasing all the food for this event, spent all day preparing the food. I want to thank all of them for their amazing generosity and as a result of their efforts, we received \$1,144 towards this project. We also want to thank Gary Donohue, John Thompson, Chris Gruner, Todd Keigwin, Bob Thurston, Wayne Fournier, Jon Hartman and Rod Beaulieu for helping me with this project and helping in guiding me through the approval process for this project. I also want to thank Dale Frechette for offering to help us with the site work for this project and John Crosby for donating a significant number of range balls for this project! I am touched by all the support and positive feedback for this project.

The driving range will be a great place for all of us to improve our game, provide a real place for golf lessons, will be a real attraction for those looking for something to do who are not golfers, will be a means to keep practice sessions off the course and will provide ancillary income to the golf club for driving range ball sales and more golf club food and beverage sales. Most important to me, in particular, it will be a great place for the youth on our island to learn the game and have some fun.

Fundraising

To date we have raised \$20,000 in pledges. As mentioned previously we have also gotten in kind help, to clear the land, help with approvals and financial support to promote fundraising for this project. Our fundraising goal is \$75,000.

Mike and I would like to challenge all of our Island Community to consider donating and pledging money for this worthwhile project. There will be a donations plaque for those who support this project. I am willing to discuss this project with anyone who would like to pledge monies for the driving range.

So please call me with your pledges. I will actively be reaching out to the community to support this project and solicit pledges.

Donations Plaque Giving Levels

Diamond - \$10,000, Platinum - \$5,000, Gold - \$3,000, Silver - \$1000, Bronze - \$500

If you want to contact me about the project or to make a pledge my email address is alanw155@aol.com and my telephone # is 401-439-1060. Better yet stop by, have a cocktail, and see me at 281 Leisure Lane. Please help us with this worthwhile project.

Thank you in advance for your support – Alan Ross.
