## **Manager's Comments**

### **Budget Hearing Saturday**

We have been working to present a budget that provides island services without interruption. I have asked all the department heads to review and offer other options for their particular departments. To date the DPW and the EMS Directors have offered different scenarios that help keep our costs in line. The only way for the Administration to cut costs is by automation or less available hours to serve the taxpayers. The Public Safety Committee have been meeting and doing research to make recommendations for the future.

You are all aware of the MSAD#6 school tax burden. In 2017, our share will be approximately 1,578,962.00. We also are obliged to pay Cumberland County approximately 103,000.00 for their services. Adding in our Town's bonds the total for 2017 is approximately 1,734,000. In 2016 this figure was 1,633,879. If you take (2017) 1,734,000 minus (2016) 1,633,879 you have an increase of 100,955. That adds 1.00 to the tax rate before you begin the budget process. I asked Paul White (Assessor) how much new value will be added in 2017, it appears to be less than 500,000. That means the town will only raise an additional 11,420 in new taxes. I checked with John Thompson (Code Enforcement Officer) and to date we have 2 new building permits.

The information I have provided above shows that our little community cannot sustain itself long term. The people need to get their arms around this and realize we must make budget cuts and limit services during the preparation of the Municipal budget.

On Saturday morning, we will present a budget for 2017. If taxpayers want the status quo, our tax rate will increase by at least 1.00. Our municipal budget for 26 weeks of operation exceeds 1,030,000. If the taxpayers would like to go for fiscal responsibility, we will present different scenarios for the taxpayers to consider.

## **Fairpoint Fiber Installation**

Fairpoint has installed fiber to the Island. They are presently doing on island work to improve the DSL service for Islanders. To date, I do not have a tentative completion date, but I will keep you posted of all updates received.

## **MSAD#6**

MSAD#6 has retained a facilitator under Title 20A Section 1301 and that the District will be calling a meeting of municipal representatives to discuss the District's cost sharing formula. As part of this process, the municipal officers of each town in the District are required to select two representatives at large who, along with one member of the district's board of directors chosen by the board members of that municipality, will represent that municipality on the Section 1301 cost sharing review committee. Frye Island delegation will include Jim Moses (MSAD#6 Board member) Betsy Gleysteen (First Selectwomen), and Gary Donohue (Town Manger). Still waiting for a meeting date. Even though this process has begun, Frye Island is still researching other options for the future of the community. I will keep you all informed as information becomes available.

## **Milfoil**

Our diver Larry Pilotte is still working on Wednesdays 10-3 pm. Volunteers needed. Tel# 603 398 0833 Email: [divecon@juno.com](mailto:divecon@juno.com). Volunteers can also call Roxie Olmsted (207) 210-2136.

## **LEA**

The LEA is a nonprofit organization that works off donations. They have done a wonderful job for the Lakes Region and also are friends of Frye Island. Please make a donation to keep this organization healthy.  
<http://www.mainelakes.org/donate/>

## **Driving Range (Golf Course)**

This project is off and running. A driving range at the Golf course is a great idea. This project is being created strictly through donations. If you would like to donate to this project you may do so at the Town office.

## **Board of Appeal Volunteers**

Any members whose terms have expired need to let the Administration know they are willing to continue. On Saturday August 6<sup>th</sup> the planning board held a meeting and I am pleased to announce we presently have a full board and alternates. I want to thank all the folks that participated in the meeting and signed up to volunteer to continue to service.

## **Town Office Hours**

The office will be open Tuesday thru Saturday from 9 am to 3 pm. Please take advantage of the available on-line services to help keep the line short in the office during high season. If you have a brand new registration for a boat, car, golf cart or trailer, please try to come during the week when the office is not as busy. Call ahead to be sure you have all the proper documents and discuss with the office staff the possibility of an appointment time to complete the new registrations. A new registration can take more than an hour and you may be asked to leave copies of your documents for the registration to be completed and picked up later in the day or another day.

## **Transfer Station Hours**

Wednesday, Saturdays, and Sundays 10am-6pm

Holiday Mondays 10am-6pm

## **Code Enforcement Officer**

John Thompson

Tuesdays and Thursdays

8:00am – 3:00pm [codeenforcement@fryeislandtown.org](mailto:codeenforcement@fryeislandtown.org)

## **Refrigerator Magnets E911 Address**

If you don't have a refrigerator magnet with your E911 address and street address on it, please come to the office to get one. It is very important that everyone in your house knows your E911 number and street name. When calling in for an Emergency, you **MUST** give both. It is also helpful if you can refer to the closest landmark such as Beach # or crossroad. An example would be E911 address 10 Harbor Road (need to give street name) Lot address is 1554.

## Ferry Ride Requirements

To pay the toll on the ferry you need an E-Z Ride card, a paper ticket, an emailed ticket, or a picture of the E-Z ride card. The ferry employees are not responsible to type in numbers or take verbal requests to use another party's card for passage in any situation. Please provide family, guests, and any vendors you have with one of the above tools for ferry passage.

## Contact Information

The Administration is trying to update the Island email addresses. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at [townclerk@fryeislandtown.org](mailto:townclerk@fryeislandtown.org). This will allow us to reach you with any pertinent information year round. **Please take note of the new email addresses for Town employees, they all end in fryeislandtown.org.**

**Gary Donohue, Town Manager**

## Frye Island Community Beaches

If you own a kayak/canoe/paddleboard/rowboat that currently is on a rack or beach on FI, please remove them ASAP and NO LATER THAN Columbus Day Weekend. The Beach Committee, DPW and the Town Administration have worked hard all summer to redesign and plan the designated areas for these allowable boats and we need to have cleared racks and the beach space to clearly mark and create the designated areas. If you do not remove your kayaks, canoes, paddleboards, rowboats from the racks and/or beach and they impede the process in any way, your chains will be cut and the boats will be placed in storage until next season when you will need to prove ownership in order to obtain it back. We are sorry for any inconveniences.

If you own a boat that is NOT ALLOWABLE (such as sailboats, sunny boats, etc.) as per the ordinance, please remove them ASAP or they are subject to removal by DPW.

Thank you for your assistance in helping to keep our beaches the wonderful asset that they are to all of the residents of FI!

## Trunk or Treat

It's time to start planning how to decorate the trunk of your car or golf cart for the Frye Fest on Columbus Day weekend. Come and pass out candy to all our "little fryes" dressed in their Halloween gear.

## Frye Island Public Safety Committee Wants Input

As you may know, the Frye Island Public Safety Committee (PSC) has been formed to make fact-based recommendations on how to approach EMS, Fire, Police and related services going forward. The PSC has been trying actively to learn in detail how services are delivered now, what, if any, issues exist, and the types and levels of services that might best fit the Island's needs and budgets. The meetings are public, times are posted on the website, and everyone is invited to attend or call in. We know that many Islanders may not be available when the meetings occur, or don't want to spend their free time in meetings, but the committee wants input from as many islanders as possible. Please email the committee at [members-public-safety@fryeislandtown.org](mailto:members-public-safety@fryeislandtown.org), to give us your thoughts on what we should understand or consider about the islands public safety needs and services. Please include your name and lot number. We will also be doing some short web-based surveys as well and would like as broad a response as we can get. You can access the Town website at <http://fryeisland.com>. Thanks, Frye Island Public Safety Committee

## Frye Island Triathlon – “The TriFrye”

Sunday, September 4<sup>th</sup> @ Noon

The Recreation Committee will hold an informal triathlon on Sunday, September 4<sup>th</sup> at noon. The event is open to participants of all abilities, including those who would prefer to kayak, SUP or snorkel instead of swim.

This is meant to be a fun event and people are encouraged to participate either individually or as teams. We would especially like to see even more family teams this year.

The two transitions will be at Beach 6 but the start will be at Beach 5. The order of events is Swim, Bike, Run. The swim leg will be from Beach 5 to 6 (1/3 mile). And then there will be a 6 mile bicycle ride around the island followed by a 3 mile run. Participants are expected to time themselves.

New this year, will be a special identification and recognition for those who enter the event as a “purist” (meaning no assistance other than one’s own body strength during the swim leg). Self timing and monitoring is still required for this category as well. Please arrive at Beach 5 at 11:45 so we can start the event on time.

**PARTICIPANTS** - There is no registration nor entry fee - just show up, participate and have fun.

**VOLUNTEERS** - We need a minimum of 6 kayakers and SUPer’s to spot and watch the swimmers during the swim leg. Please contact Patti Brown for any questions or to volunteer at [pattibrownre@gmail.com](mailto:pattibrownre@gmail.com)

**SPECTATORS** - The best place is at Beach 6 to watch the end of the swim leg, transition from swim to bike and bike to run and then the spectacular FINISH! Come cheer on your fellow islanders!

# Frye's Leap General Store and Café

655-4256

This is it! The last hurrah of the summer season. Hopefully the weather will cooperate and we will get some glorious weather to wrap up the summer season! And it has been a great one too, thanks to everyone!

With the wrapping up of the summer season, it is that time of year again for a sale. All clothing items in the store will be discounted 20%. And the items that are out on our sale table will be 20% off the lowest marked price as well. And we still have several of the Frye Island quilts that will be on sale as well. A great Frye Island item for the student to have as they go off to school! Come check out all the good stuff that we have left!

Business hours this weekend will be slightly reduced. We will be closing in the evenings at 8:30pm rather than 9:30pm on Friday, Saturday and Sunday. And then on Labor Day Monday we will shut down the kitchen at 6:00pm. After that the café will be closed during the week and reopening on the weekends until the Columbus Day weekend. The menu will start to shrink at this time as we have begun limiting the order of key perishables. Fried clams and lobster rolls will be among the items that probably won't make it thru the weekend. But we will have lots of other yummy items to satisfy your hunger. And of course we will still be pouring great beer, especially as we begin to rotate into the fall selection of beers. The store remains open on a daily basis after Labor Day, but on a reduced schedule, opening at 8:30am and closing at 5:30pm during the week. On weekends we will extend the store hours to more closely match the hours of the café. Keep an eye on our Facebook page for the most up to date information regarding our hours.

In the store we are also winding down and many items will not be replenished as they are sold out. We will continue to do our best to stock the basics such as dairy products and non-perishables up to the end of the season but other items will become limited. We apologize in advance for any inconvenience that might cause. We will do our best to maintain the inventory of key basics!

Even as we wind down, we still plan to have live music at the café this weekend on Friday and Saturday night, weather permitting. And if you enjoyed our Frye'PA, be sure to come down soon! We are winding down our inventory of our "home brew". For breakfast this weekend we are serving breakfast sandwiches, breakfast tacos, yogurt parfaits and fruit cups as well as our freshly baked muffins.

Looking beyond Labor Day and towards Columbus Day, here comes Frye't Fest! It was a great family event last year and we are working with the town Recreation Committee to make it as good or even better this year! Stay tuned for more info!

Wrapping things up, our schedule for the **store** this week is as follows (weather permitting).

Friday, Saturday, Sunday	8:00am	9:00pm
Monday	8:00am	6:00pm
Tuesday, Wednesday, Thursday	8:30am	5:30pm

For the **café**, our hours for this weekend are (weather permitting).

Friday	11:30am	8:30pm
Saturday and Sunday	8:30am	8:30pm
Monday	11:30am	6:00pm
Tuesday, Wednesday, Thursday	Closed	

Ice cream will be open over the weekend, in line with the café hours.

We look forward to seeing you down at the store and cafe!

The Frye's Leap Team

## Frye Island Fire & EMS Department

Robert E Boyd Jr, Fire Chief

Cathy Gosselin, EMS Director

Fire Department Contact:

**Fire Barn: (207) 655-8618**

**Dispatch/Non-Emergency (207) 893-2810**

**To Report Fire or Medical Emergency: Dial 911**

**Help support your volunteer fire department – buy a Frye Island Fire Department T shirt.** Email

[fifd.association.treasurer@gmail.com](mailto:fifd.association.treasurer@gmail.com), or contact anyone on the fire department. We have youth sizes XS, S, and M for \$8, and adult sizes S, M, L, XL and XXL for \$15. They make great gifts!

FIFD still has 2 old/used fire hoses behind the fire barn. If you'd like them for your dock, or for any other reason, please come get them. They are free for the taking, behind the fire barn. First come, first serve!

**In an emergency the Vial of Life will speak for you when you can't!**

**What information does the Vial of Life hold:**

**A Vial of Life form with your name, date of birth, primary doctors information, medical history, current medications, allergies, etc. This is stored in a baggie on the front of your refrigerator door or in a vial in your refrigerator.**

Frye Island EMS is offering the “Vial of Life” program to the island residents. The Vial of Life is designed to speak for you when you can't speak for yourself. The vial contains important medical information that can assist emergency personnel in administering the proper medical treatment.

If you would like to use the Vial of Life call Frye Island EMS Department at 655-8618 for a rescue member to visit your home and help you complete the Vial of Life.

### **Blood Pressure:**

The EMS crews will be doing blood pressure checks on Monday/Wednesday/Fridays from 10 AM to 11 AM down by the Café. Feel free to stop by and have your BP checked!

**Emergency Medical Responder Class** – The Frye Island EMS division would like to have more folks on the island trained to assist the EMS crews on emergency medical calls. We are looking to find out if there is enough interest to host an Emergency Medical Responder class (EMR) this summer. The class is a 54 hour class and we will schedule it if we get enough interest. As an EMR, you would be licensed with Maine Emergency Medical Services and would be able to work on the rescue underneath the guidance of an EMT. The class would consist of training on basic first aid, splinting, wound care, controlling bleeding, human anatomy, medical diseases and more. If you are interested, please email the EMS Director, Cathy Gosselin at [cathy.gosselin@fryeislandtown.org](mailto:cathy.gosselin@fryeislandtown.org).

## Activities & Recreation

Recreation Director: Anna Donio  
Chair Person: Nancy Donio  
Community Center (207) 655-3893

### Message from Recreation Director

The Recreation Commission would like to thank everyone for an amazing season!

The Recreation Department Staff did a fabulous job all summer providing daily activities, crafts, field games, and special events! We had increased attendance and usage at each of our venues which is the best praise that can be given!

The Recreation Commission worked hard to provide amazing events like the Road Race, Art Show, Comedy Nights, Beach Dinner, and Family Fun Day just to name a few! This dedicated group of volunteers also worked diligently under the guidance of Kathleen Schaefer to renovate the Recreation Room at the Community Center, and for that we cannot send enough thanks and praise! Keep your eyes out for more changes in the future as we work towards meeting our Long Term Plan Goals to make Frye Island Recreation the best it can be!

If anyone is interested in joining the Recreation Commission, please contact me at [nancdonio@yahoo.com](mailto:nancdonio@yahoo.com) with a letter of interest! We are always looking for new Island leaders!

Sincerely,

Nancy Donio Recreation Commissioner

We've got lots of ceramics and crafts for your kids to make. Have a toddler who loves to play? Come and check out our brand new toddler room! Also, come down to our special events listed below. Some updates for this week include:

**GOLF DRIVING RANGE AND PRACTICE PUTTING GREEN UPDATE**

I want to thank the following Islanders and businesses who made contributions and pledges this week. Bob and Deb DeFelice, Dwayne and Marcia Black, John and Rosemarie Boyd, The Lichtenberger Family, Ron and Eileen Epstein, Peter and Kathleen Schaefer, Lois O'Connor/Sunset Lakes Real Estate, Stephen and Cheryl Cousineau, Scott and Ellen McKee, Scott and Joanne Harkins, James and Louise Moses, Wini Rogers, Jim and Marion Frederick, Gary and Diane Donohue, David and Elaine Lowe, Scott and Marlene Wilson, and Peter and Kelly Boyd. It was a good fund raising week. What was inspirational for those of us who have been working on this project was the support and donations we are getting from families with children, especially those families that are not golf members.

I would again like to ask all of my fellow Islanders to support this project! This week again we made significant progress at the site. We spent most of the week removing the ledge that was blasted last week to improve the driving range site lines. Planning continues for the range irrigation system and hydro seeding. A professionally done virtual reality video was donated by a landscape design and construction firm showing in detail how special and unique the backyard of the clubhouse area could become! Please take a look! This is our ultimate goal and vision of what the backyard area of the clubhouse could become for club members and most of all for all islanders and their children! How far we go with this project is purely a function of how much money we raise! Please take the time to review this video! Imagine another daytime and evening social area on the island we can all be proud of.

Many who viewed the video this week on the island again told us that with a recreational facility like this they would consider joining the club. Some people asked about social memberships. Children who saw this video became excited about the range the putting green and how much fun daytime and evening family activities at the club might be. The you tube link for this video is <https://www.youtube.com/watch?v=wLB2uZX0sEc> . The video shows what the backyard space could look like during the day and then at night. I hope it will inspire all of you to come up and see what progress we have made and make a donation. I am happy to discuss and review this project with anyone during the week or on the weekend. If you have any problems with this video link email me at my email address below and I will send you the link. Besides pure financial support we could use a hand in fundraising! We also plan to have a few days devoted to clearing small rocks from the entire range area. We are looking for fellow islanders and club members to volunteer to help for 3 hours on Wednesday and Thursday September 7<sup>th</sup> and 8<sup>th</sup> during the week and for one big clean-up day either on the Saturday September 10<sup>th</sup> from 1 to 5 pm. We will make these days fun, so sign up in the clubhouse if you are willing to help us. Bring your kids along to help! This project is mostly for them! Anyone who would like to help me in the fundraising efforts feel free to call me at 401-439-1060 or email me at [alanw155@aol.com](mailto:alanw155@aol.com) or see Jack McKee.

Last week we placed big blue 5 gallon buckets at the club for range ball donations. We have already filled a few buckets! For all of you who have lots of balls please donate some of your stash to the range. We know there are many of you out there with lots of Balls!!!!---so help us out and put them in the big blue buckets at the club.

We have begun actively to look for a golf pro or an apprentice pro to come to the island next year to conduct individual and group lessons at the club! For all of you who would like to learn the game but are intimidated or nervous about learning the game on the course this would be the perfect opportunity not only to learn the game, but then become an active golf member.

Please also remember to put Saturday June 24<sup>th</sup> of 2017 on your calendar. It is the date for “A Party with a Purpose” which will be a fund raiser for this project featuring the Southern Drawl Band a nationally acclaimed trop rock and country band from Tennessee. Posters for this event can be found at the club and at the office. We already have approximately 100 committed tickets.

Last but not least, for those of you who believe in this project and have given money to support it, encourage your Island neighbors and other golf members to give. If we all help, the heavy lifting will be easier and we will all have a new attraction on the island we can enjoy and be proud of!

A donation form for this project again accompanies this update in the FINS this week. Contribution forms and donations can be found or made in the office, the golf club house or by seeing Todd Keigwin or by stopping by at my house at 281 Leisure Lane. Thanks for everyone’s support! Alan Ross and the Driving Range Project Team!

**FRYE ISLAND GOLF RANGE PROJECT  
PLEDGE AND CONTRIBUTION FORM  
THANK YOU FOR MAKING A PLEDGE FOR THIS PROJECT!**

The Golf range and practice putting green will be a great place for all Islanders to enjoy and will promote the long term viability of the golf course, club and as a premiere place for island social events. It will be a place for Islanders to improve their game, provide a real place for golf lessons, will be a real attraction for those looking for something to do who are not golfers, will be a means to keep practice sessions off the course and will provide ancillary income to the golf club for driving range ball sales and more golf club food and beverage sales.

Most importantly for all who have been planning this project it will be a great place for the youth on our island to learn the game and have some fun. It will be a great place for them to spend quality recreation time and young golfers and their families will insure the long term viability of the Golf Club.

The suggested donation levels are as follows. The project has the Town’s support. The suggested giving levels are noted below. Please circle the amount of your pledge and write a check to The Town of Frye Island and in the notation portion of the check write “Golf Range Project”. Drop off with me, town hall or mail to 1 Sunset Road, Frye Island, ME 04071
