**Old Business**

**Comprehensive Plan**

Steve stated that he had called Gary Crabtree from CMP. Gary volunteered to come out and walk the island in order to evaluate what it will cost to upgrade the power system on the island. He will tell us what the island needs to do and what CMP will do; i.e. what will CMP pay for (articulate financial responsibility). Gary will contact either Bob Sutherland or Pete Salinger sometime this coming week to coordinate the walk through.

Steve contacted Rebecca Schaffner, Regional Planner, Greater Portland Council of Governments to come to the island next season to make a presentation to the Planning Board re: the comp plan. Rebecca stated that July or August is best and 1:00 pm on a Friday is good for her. Steve selected Friday, 7 /23/ 10 at 1:00 pm.

**Town Meeting**

Land Use Standard- warrant on Docks is being presented today. Steve will be presenting the ordinance.

The next meeting will be on Saturday, May 22, 2010 at 8:30 am.

Respectfully submitted,  
Inez "Smitty" Kaplan, Recording Secretary
