## Town of Frye Island Cumberland County - State of Maine

### Chapter 101 --- Land Use

...

### Article I. --- Zoning Ordinance

...

#### § 101-I-2. Definitions

...

**Unsolicited for-profit vendor** is defined as a person or entity offering unsolicited products or services to Frye Island residents. The definition excludes non-profit entities, volunteers or volunteer organizations, charitable organizations, Town employees on town business, and entities whose sole purpose is to raise money for town entities.

**Vendor events** are defined as multi-vendor one day events held in a single location and approved in advance by the Town Manager and the Town Executive Committee.

...

#### § 101-I-3. District Regulations

...

#### E. Prohibited Uses

...

#### 24. Unsolicited For-Profit Vending

**Unsolicited For-profit Vending:** the Town of Frye Island does not permit **unsolicited for-profit vendors**, either mobile or stationary, in temporary or permanent locations, except when participating in **vendor events**. Exceptions to this district zoning regulation are bulletin boards specifically designated by the town for advertisements of products or services. Persons or entities delivering to one owner cannot then actively go door to door offering products or services to others that have not requested their products or services.

**Enforcement:** Fines for each solicitation event will be a warning for the first event, provided the offending solicitor immediately ceases solicitation activities once warned by FIPD. If the solicitor continues their activities after being warned each subsequent offense is to be no fined at no less \$150 per offense.
